New Essays On Call It Sleep:

New Essays on Call It Sleep Hana Wirth-Nesher, 1996-06-13 A 1996 collection of critical essays on Henry Roth's *Call It Sleep* **New Essays on Call It Sleep**, 1996 **Contemporary Jewish-American Novelists** Joel Shatzky, Michael Taub, 1997-07-16 Since World War II Jewish American novelists have significantly contributed to the world of literature This reference book includes alphabetically arranged entries for more than 75 Jewish American novelists whose major works were largely written after World War II Included are entries for both well known and relatively obscure novelists many of whom are just becoming established as significant literary figures While the volume profiles major canonical figures such as Saul Bellow Norman Mailer and Bernard Malamud it also aims to be more inclusive than other works on contemporary Jewish American writers Thus there are entries for gay and lesbian novelists such as Lev Raphael and Judith Katz whose works challenge the more orthodox definition of Jewish religious and cultural traditions Art Spiegelman whose controversial *Maus* established a new genre by combining elements of the comic book and the conventional novel and newcomers such as Steve Stern and Max Apple who have become more prominent within the last decade Each entry includes a brief biography a discussion of major works and themes an overview of the novelist's critical reception and a bibliography of primary and secondary sources A thoughtful introduction summarizes Jewish American fiction after World War II and a selected general bibliography lists additional sources of information Since World War II Jewish American novelists have made numerous significant contributions to contemporary literature Authors of earlier generations would frequently write about the troubles and successes of Jewish immigrants to America and their works would reflect the world of European Jewish culture But like other immigrant groups Jewish Americans have become increasingly assimilated into mainstream American culture Many feel the loss of their heritage and long for something to replace the lost values of the old world This reference book includes alphabetically arranged entries for more than 75 Jewish American novelists whose major works were largely written after World War II Included are entries for both well known and relatively obscure novelists many of whom are just becoming established as significant literary figures While the volume profiles major canonical figures such as Saul Bellow Norman Mailer and Bernard Malamud it also aims to be more inclusive than other works on contemporary Jewish American writers Thus there are entries for gay and lesbian novelists such as Lev Raphael and Judith Katz whose works challenge the more orthodox definitions of Jewish religious and cultural traditions Art Spiegelman whose controversial *Maus* established a new genre by combining elements of the comic book and the conventional novel and newcomers such as Steve Stern and Max Apple who have become more prominent within the last decade Each entry includes a brief biography a discussion of major works and themes an overview of the novelist's critical reception and a bibliography of primary and secondary sources A thoughtful introduction summarizes Jewish American fiction after World War II and a selected general bibliography lists additional sources for information *The Modern Jewish Canon* Ruth R. Wisse, 2003-04-15 What makes a great Jewish book

In fact what makes a book Jewish in the first place Ruth R Wisse eloquently fields these questions in *The Modern Jewish Canon* her compassionate insightful guide to the finest Jewish literature of the twentieth century From Isaac Babel to Isaac Bashevis Singer Elie Wiesel to Cynthia Ozick Wisse's *The Modern Jewish Canon* is a book that every student of Jewish literature and every reader of great fiction will enjoy *Modern Orthodoxies* Lisa Mulman, 2013-09-13 This study introduces a genuine provocative religious vocabulary into the discourse on Modernist art and literature Mulman looks at key texts and figures of the Modern period including Henry Roth Amedeo Modigliani James Joyce and Art Spiegelman revealing a significant engagement with the rituals of Jewish observance and the structure of Talmudic interpretation While critics often view the formal experimentation of High Modernism as a radical departure from conventional beliefs this book shows that these aspects of Modernist art are deeply entwined with and indebted to the very traditions that they claim to be writing against As such the book offers a unique and truly multidisciplinary approach to Modernist studies and a cogent analysis of the ways in which spirituality informs artistic production

The Aesthetics and Politics of the Crowd in American Literature Mary Esteve, 2003-02-27 Mary Esteve provides a study of crowd representations in American literature from the antebellum era to the early twentieth century As a central icon of political and cultural democracy the crowd occupies a prominent place in the American literary and cultural landscape Esteve examines a range of writing by Poe Hawthorne Lydia Maria Child Du Bois James and Stephen Crane among others These writers she argues distinguish between the aesthetics of immersion in a crowd and the mode of collectivity demanded of political liberal subjects In their representations of everyday crowds ranging from streams of urban pedestrians to swarms of train travellers from upper class parties to lower class revivalist meetings such authors seize on the political problems facing a mass liberal democracy problems such as the stipulations of citizenship nation formation mass immigration and the emergence of mass media Esteve examines both the aesthetic and political meanings of such urban crowd scenes *The Cambridge Companion to American Novelists* Timothy Parrish, 2013 This volume provides newly commissioned essays from leading scholars and critics on the social and cultural history of the novel in America It explores the work of the most influential American novelists of the past 200 years including Melville Twain James Wharton Cather Faulkner Ellison Pynchon and Morrison

Harbors, Flows, and Migrations Anna De Biasio, Gianna Fusco, 2017-05-11 Poised between the land and the sea enabling the dynamic flow of people and goods while also figuratively representing a safe place of rest and refuge the harbor constitutes a liminal ambivalent space par excellence that has been central to the American imagination and history since the early colonial days From the mythical tales of discovery and foundation to the endless flows of migrants through the dark pages of the slave trade and the imperialistic dream of an ever expanding nation harbors both as a trope and as physical spaces powerfully signify the American experience Today at a time when ideas of border protection and policing gain political prominence in the U S and elsewhere harbors and the constellation of meanings they subsume have become an even more crucial object of critical

inquiry In this volume thirty two American Studies scholars from around the world interrogate the manifold significance of ports and of the exchanges they enable or restrain casting a decentered look onto the complex positioning of the United States in its political ideological and cultural relationships with the rest of the world This collection thus offers a cutting edge interdisciplinary investigation of the U S A engaging the most recent trends in American Studies and actively participating in the international and transnational reconfiguration of the field

Strangers at Home Rita Keresztesi,2005-01-01 Strangers at Home reframes the way we conceive of the modernist literature that appeared in the period between the two world wars This provocative work shows that a body of texts written by ethnic writers during this period poses a challenge to conventional notions of America and American modernism By engaging with modernist literary studies from the perspectives of minority discourse postcolonial studies and postmodern theory Rita Keresztesi questions the validity of modernism s claim to the neutrality of culture She argues that literary modernism grew out of a prejudiced racially biased and often xenophobic historical context that necessitated a politically conservative and narrow definition of modernism in America With the changing racial ethnic and cultural makeup of the nation during the interwar era literary modernism also changed its form and content Contesting traditional notions of literary modernism Keresztesi examines American modernism from an ethnic perspective in the works of Harlem Renaissance immigrant and Native American writers She discusses such authors as Countee Cullen Nella Larsen Zora Neale Hurston Anzia Yezierska Henry Roth Josephina Niggli Mourning Dove D Arcy McNickle and John Joseph Mathews among others Strangers at Home makes a persuasive argument for expanding our understanding of the writers themselves as well as the concept of modernism as it is currently defined

Encyclopedia of Literary Modernism Paul Poplawski,2003-12-30 Modernism is still widely acknowledged as perhaps the most important and influential artistic and cultural phenomenon of the 20th century Written by expert scholars from around the world and covering hundreds of different topics in a clear incisive and critical manner this reference maps the complex field of modernism in a fresh and original way The principal focus of the book is on English language literary modernism and the period 1890 1939 yet many entries extend beyond those parameters to include important precursors and successors of the movement The book also covers the crucial European and interdisciplinary dimensions of modernism and provides complementary comparative perspectives from countries and regions not usually included in traditional accounts of the subject Entries cite works for further reading and the volume closes with a selected general bibliography

Nor Shall Diamond Die: american studies Carme Manuel,Paul S. Derrick,2003 Homenaje a Javier Coy catedr tico jubilado del Departamento de Filolog a Inglesa y Alemana de la Universitat de Val ncia de 1990 a 2000 y uno de los primeros investigadores en introducir los estudios norteamericanos Se recogen 50 art culos de especialistas en este campo que reflejan el estado de los estudios sobre la cultura y literatura de los Estados Unidos contempor neos

The Cambridge History of Jewish American Literature Hana Wirth-Nesher,2015-12-09 This History offers an unparalleled examination of all

aspects of Jewish American literature Jewish writing has played a central role in the formation of the national literature of the United States from the Hebraic sources of the Puritan imagination to narratives of immigration and acculturation This body of writing has also enriched global Jewish literature in its engagement with Jewish history and Jewish multilingual culture Written by a host of leading scholars The Cambridge History of Jewish American Literature offers an array of approaches that contribute to current debates about ethnic writing minority discourse transnational literature gender studies and multilingualism This History takes a fresh look at celebrated authors introduces new voices locates Jewish American literature on the map of American ethnicity as well as the spaces of exile and diaspora and stretches the boundaries of American literature beyond the Americas and the West **Cultures of the Jews, Volume 3** David Biale,2011-08-17

Scattered over much of the world throughout most of their history are the Jews one people or many How do they resemble and how do they differ from Jews in other places and times What have their relationships been to the cultures of their neighbors To address these and similar questions some of the finest scholars of our day have contributed their insights to Cultures of the Jews a winner of the National Jewish Book Award upon its hardcover publication in 2002 Constructing their essays around specific cultural artifacts that were created in the period and locale under study the contributors describe the cultural interactions among different Jews from rabbis and scholars to non elite groups including women as well as between Jews and the surrounding non Jewish world What they conclude is that although Jews have always had their own autonomous traditions Jewish identity cannot be considered the fixed product of either ancient ethnic or religious origins Rather it has shifted and assumed new forms in response to the cultural environment in which the Jews have lived Modern Encounters the third volume in Cultures of the Jews examines communities ways of life and both high and folk culture in the modern era in Western Central and Eastern Europe the Ladino Diaspora North Africa and the Middle East Ethiopia mandatory Palestine and the State of Israel and the United States From the Trade Paperback edition **Teaching Jewish American Literature**

Roberta Rosenberg,Rachel Rubinstein,2020-04-01 Offers pedagogical techniques for teaching Jewish American fiction poetry drama graphic novels children s literature and digital texts including considerations of religious and secular Jewish culture race and multicultural contexts immigration the Holocaust gender and sexuality multilingual literary traditions and humor Gives syllabus suggestions for undergraduate and graduate courses *Redemption* Steven G. Kellman,2005 In following author Henry Roth s tortured life from his childhood on the Jewish Lower East Side to his twilight years in New Mexico literary critic Steven Kellman has uncovered FBI files spoken with family members and friends and gained access to the tape in which Roth discussed the long buried incest of his youth **Trinity of Passion** Alan M. Wald,2011-04-01 The second of three volumes by Alan Wald that track the political and personal lives of several generations of U S left wing writers Trinity of Passion carries forward the chronicle launched in Exiles from a Future Time The Forging of the Mid Twentieth Century Literary Left In this volume Wald delves into literary emotional and ideological trajectories of radical cultural workers in the

era when the International Brigades fought in the Spanish Civil War 1936-39 and the United States battled in World War II 1941-45. Probing in rich and haunting detail the controversial impact of the Popular Front on literary culture, he explores the ethical and aesthetic challenges that pro-Communist writers faced. Wald presents a cross-section of literary talent from the famous to the forgotten, the major to the minor. The writers examined include Len Zinberg, aka Ed Lacy, John Oliver Killens, Irwin Shaw, Albert Maltz, Ann Petry, Chester Himes, Henry Roth, Lauren Gilfillan, Ruth McKenney, Morris U. Schappes, and Jo Sinclair. He also uncovers dramatic new information about Arthur Miller's complex commitment to the Left. Confronting heartfelt questions about Jewish masculinity, racism at the core of liberal democracy, the corrosion of utopian dreams, and the thorny interaction between antifascism and Communism, Wald re-creates the intellectual and cultural landscape of a remarkable era.

Ethnic Modernism Werner Sollors, 2008. Werner Sollors's monograph looks into how African American, European immigrant, and other minority writers gave the United States its increasingly multicultural self-awareness, focusing on their use of the strategies opened up by modernism.

The Cambridge Companion to Jewish American Literature Hana Wirth-Nesher, Michael P. Kramer, 2003-06-12. For more than two hundred years, Jews have played important roles in the development of American literature. The Cambridge Companion to Jewish American Literature addresses a wide array of themes and approaches to the distinct yet multifaceted body of Jewish American literature. Essays examine writing from the 1700s to major contemporary writers such as Saul Bellow and Philip Roth. Topics covered include literary history, immigration, and acculturation; Yiddish and Hebrew literature; popular culture; women writers; literary theory and poetics; multilingualism; the Holocaust; and contemporary fiction. This collection of specially commissioned essays by leading figures discusses Jewish American literature in relation to ethnicity, religion, politics, race, gender, ideology, history, and ethics, and places it in the contexts of both Jewish and American writing. With its chronology and guides to further reading, this volume will prove valuable to scholars and students alike.

Insider/Outsider David Biale, Michael Galchinsky, Susannah Heschel, 1998-03-25. Invaluable reading for anyone interested in multiculturalism. Julius Lester, author of *Lovesong*: I know of no other work that through numerous insights and useful distinctions so alerts us to and comprehensively documents the ongoing constitutive role of Christian and anti-semitic perceptions of Jewish existence and the interactions between them. Whereas much contemporary historiography has become so specialized that historians have surrendered the larger picture, Biale's panoramic perspective reveals the great value and interest of this work.

Steven E. Aschheim, author of *Beyond the Border: The German Jewish Legacy Abroad*.

[Members of the Tribe](#) Rachel Rubinstein, 2010-03-15. A history of representations of American Indians in Jewish literature and popular media. In *Members of the Tribe: Native America in the Jewish Imagination*, author Rachel Rubinstein examines interventions by Jewish writers into an ongoing American fascination with the imaginary Indian. Rubinstein argues that Jewish writers represented and identified with the figure of the American Indian differently than their white counterparts, as they found in this figure a mirror for their own anxieties about tribal and national belonging.

Through a series of literary readings Rubinstein traces a shifting and unstable dynamic of imagined Indian Jewish kinship that can easily give way to opposition and especially in the contemporary moment competition In the first chapter *Playing Indian Becoming American* Rubinstein explores the Jewish representations of Indians over the nineteenth century through narratives of encounter and acts of theatricalization In chapter 2 *Going Native Becoming Modern* she examines literary modernism s fascination with the Indian poet and a series of Yiddish translations of Indian chants that appeared in the modernist journal *Shriftn* in the 1920s In the third chapter *Red Jews* Rubinstein considers the work of Jewish writers from the left including Tillie Olsen Michael Gold Nathanael West John Sanford and Howard Fast and in chapter 4 *Henry Roth Native Son* Rubinstein focuses on Henry Roth s complicated appeals to Indianness The final chapter *First Nations* addresses contemporary contestations between Jews and Indians over cultural and territorial sovereignty in literary and political discourse as well as in museum spaces As Rubinstein considers how Jews used the figure of the Indian to feel at home in the United States she enriches ongoing discussions about the ways that Jews negotiated their identity in relation to other cultural groups Students of Jewish studies and literature will enjoy the unique insights in *Members of the Tribe*

This is likewise one of the factors by obtaining the soft documents of this **New Essays On Call It Sleep** by online. You might not require more mature to spend to go to the book initiation as competently as search for them.
