Winters, Herman L. DeBose, 2002-11-14 New Faces in a Changing America is a comprehensive penetrating authoritative and provocative examination of what it means to be multiracial in this country With contributions by the leading thinkers activists and researchers on the subject it admirably links theory and the powerful lived experiences of mixed race people This book will be the most important reference source on the subject for many years James P Allen California State University Northridge Not since the work of Root has there been as important of an anthology as New Faces in a Changing America This book explores the reality of multiracial people from a variety of theoretical and conceptual perspectives It is a must read for anybody who want to understand the multiracial movement and the multiracial people who lead that movement Any

teacher who wants to introduce the concept of multiraciality to his/her class must also have this book. Winters and Debose are to be commended for putting together this first-rate academic examination of an important social phenomenon. George Yancey, University of North Texas, How multiracial people identify themselves can have major consequences on their positions in their families, communities, and society. Even the U.S. Census has recognized the rapidly increasing numbers of those who consider themselves multiracial, adding a new racial category to the 2000 Census form: two or more races. *New Faces in a Changing America: Multiracial Identity in the 21st Century* examines the multiracial experience, its history, and the political issues and consequences surrounding biracial and multiracial identity, bringing together top names in the field to give readers cutting-edge views and insights gained from contemporary research. This important new text follows the trail blazed by Maria Root, who contributes its opening chapter. An introduction places the issues of multiracial identity into context via a discussion of U.S. Census data and debates, providing an overview of the varied readings to come. Covering such topics as Race as a social rather than biological construction, The Multiracial Movement, Racial Ethnic Groups in America, and Beyond Race Gender, human service professionals including psychologists, counselors, social workers, and school personnel, and importantly, multiracial individuals themselves. **The New Face of America** Eric J. Bailey, 2013-05-09 This unique and important book investigates what it means to be multiracial and/or multiethnic in the United States, examining the issues involved from personal, societal, and cultural perspectives. More and more, the idea of America as a melting pot is becoming a reality. Written from the perspective of multiracial citizens, *The New Face of America: How the Emerging Multiracial Multiethnic Majority Is Changing the United States* brings to light the values, beliefs, opinions, and patterns among these populations. It assesses group identity and social recognition by others and it communicates how multiracial individuals experience America's reaction to their increasing numbers. Comprehensive and far-reaching, this thoughtful compendium covers the cultural history of multiracials in America. It looks at multiracial families today, at rural and urban multiracial populations, and at multiracial physical features, health disparities, bone and marrow transplant issues, adoption matters, as well as multiracial issues in other countries. Multiracial entertainers, athletes, and politicians are considered as well. Among the book's most important topics is multiracial health and health care disparity. Finally, the book makes clear how America's current majority institutions, organizations, and corporations must change their relationship with multiracial and multiethnic populations if they wish to remain viable and competitive. **Multiracial Identity in Children's Literature** Amina Chaudhri, 2017-02-10 Racially mixed children make up the fastest growing youth demographic in the U.S., and teachers of diverse populations need to be mindful in selecting literature that their students can identify with. This volume explores how books for elementary school students depict and reflect multiracial experiences through text and images. Chaudhri examines contemporary children's literature to demonstrate the role these books play in perpetuating and resisting stereotypes and the ways in which they might influence their readers. Through critical analysis of contemporary children's fiction, Chaudhri

highlights the connections between context literature and personal experience to deepen our understanding of how children's books treat multiracial identity

Multiethnicity and Multiethnic Families Hamilton McCubbin, Krystal Ontai, Lisa Kehl, 2010-01-19 This book and its contributing scientists address core theoretical conceptual developmental identity and policy issues surrounding the changing ethnic profile of American families Guided by the increasing number of cross cultural adoptions interracial marriages and the resulting multiethnic families and children social and behavioral scientists provide both scientific documentation and insights about and into these emerging family systems their dynamics challenges and interactions with society and in so doing legitimate this line of scientific inquiry Their work organized and presented in a coherent form sets the stage for the advancement of theory research public policy and practice in pursuit of understanding and addressing their needs

Biracial in America Nikki Khanna, 2011-09-16 Elected in 2008 Barack Obama made history as the first African American president of the United States Though recognized as the son of a white Kansas born mother and a black Kenyan father the media and public have nonetheless pigeonholed him as black and he too self identifies as such Obama's experience as an American with black and white ancestry though compelling because of his celebrity is not unique and raises several questions about the growing number of black white biracial Americans today How are they perceived by others with regard to race How do they tend to identify And why Taking a social psychological approach **Biracial in America** identifies influencing factors and several underlying processes shaping multidimensional racial identities This study also investigates the ways in which biracial Americans perform race in their day to day lives One's race isn't simply something that others prescribe onto the individual but something that individuals do The strategies and motivations for performing black white and biracial identities are explored

Color Struck Julius O. Adekunle, Hettie V. Williams, 2010-02-24 **Color Struck** Essays of Race and Ethnicity in Global Perspective is a compilation of expositions on race and ethnicity written from multiple disciplinary approaches including history sociology women's studies and anthropology This book is organized around a topical chronological framework and is divided into three sections beginning with the earliest times to the contemporary world The term race has nearly become synonymous with the word ethnicity given the most recent findings in the study of human genetics that have led to the mapping of human DNA **Color Struck** attempts to answer questions and provide scholarly insight into issues related to race and ethnicity

Race in Mind Paul Spickard, 2015-11-19 These essays analyze how race affects people's lives and relationships in all settings from the United States to Great Britain and from Hawai'i to Chinese Central Asia They contemplate the racial positions in various societies of people called Black and people called White of Asians and Pacific Islanders and especially of those people whose racial ancestries and identifications are multiple Here for the first time are Spickard's trenchant analyses of the creation of race in the South Pacific of DNA testing for racial ancestry and of the meaning of multiplicity in the age of Barack Obama

Identity Politics of Difference Michelle Montgomery, 2017-10-01 In **Identity Politics of Difference** author Michelle R Montgomery uses a multidisciplinary

approach to examine questions of identity construction and multiracialism through the experiences of mixed race Native American students at a tribal school in New Mexico She explores the multiple ways in which these students navigate experience and understand their racial status and how this status affects their educational success and social interactions Montgomery contextualizes students representations of their racial identity choices through the compounded race politics of blood quantum and stereotypes of physical features showing how varying degrees of Indianness are determined by peer groups Based on in depth interviews with nine students who identify as mixed race Native American White Native American Black and Native American Hispanic Montgomery challenges us to scrutinize how the category of mixed race bears different meanings for those who fall under it based on their outward perceptions including their ability to pass as one race or another Identity Politics of Difference includes an arsenal of policy implications for advancing equity and social justice in tribal colleges and beyond and actively engages readers to reflect on how they have experienced the identity politics of race throughout their own lives The book will be a valuable resource to scholars policy makers teachers and school administrators as well as to students and their families Mark One Or More Kim M. Williams,2008-02-27 The little known story of the struggle to include a multiracial category on the U S census and the profound changes it wrought in the American political landscape

Cosmopolitanism and Solidarity David A. Hollinger,2006-03-06 Who are we is the question at the core of these fascinating essays from one of the nation s leading intellectual historians With old identities increasingly destabilized throughout the world the result of demographic migration declining empires and the quickening integration of the global capitalist economy and its attendant communications systems David A Hollinger argues that the problem of group solidarity is emerging as one of the central challenges of the twenty first century Building on many of the topics in his highly acclaimed earlier work these essays treat a number of contentious issues many of them deeply embedded in America s past and present political polarization Essays include Amalgamation and Hypodescent Enough Already Universities Do Not Need More Christianity Cultural Relativism Why Are Jews Preeminent in Science and Scholarship The Veblen Thesis Reconsidered and The One Drop Rule and the One Hate Rule Hollinger is at his best in his judicious approach to America s controversial history of race ethnicity and religion and he offers his own thoughtful prescriptions as Americans and others throughout the world struggle with the pressing questions of identity and solidarity **Accounting for Ethnic and Racial Diversity** Patrick

Simon,Victor Piché,2013-08-21 By the end of the 20th century the ethnic question had resurfaced in public debate Every country had been affected by what is commonly known as cultural pluralism as a result of conflicts interpreted from an ethnic perspective for instance in the Balkans and central Africa nationalist struggles such as the Basque country Quebec and Belgium and demands for recognition and political representation by new ethnic minorities This resurgence or extension of the salience of ethnicity in most of the societies around the world can now be found not only in public discourse policy making scientific literature and popular representation but also in the pivotal realm of statistics This volume explores the

ethnic and racial classification in official statistics as a reflection of the representations of population and as an interpretation of social dynamics through a different lens Spanning all continents a wide range of international authors discuss how ethnic and racial classifications are built their lack of accuracy and their contribution to the representation of ethnic and racial diversity of multicultural societies This book was originally published as a special issue of Ethnic and Racial Studies

Encyclopedia of Diversity in Education James A. Banks,2012-05-17 The diversity education literature both nationally and internationally is broad and diffuse Consequently there needs to be a systematic and logical way to organize and present the state of research for students and professionals American citizens need to understand the dynamics of their increasingly diverse communities and institutions and the global world in which we live work and lead With continually evolving information on diversity policies practices and programs it is important to have one place where students scholars teachers and policymakers can examine and explore research policy and practice issues and find answers to important questions about how diversity in U S education enriched with theories research and practices in other nations are explained and communicated and how they affect institutional change at both the K 12 and postsecondary levels With about 700 signed entries with cross references and recommended readings the Encyclopedia of Diversity in Education 4 volumes in both print and electronic formats will present research and statistics case studies and best practices policies and programs at pre and postsecondary levels Diversity is a worldwide phenomenon and while most of the entries in the Encyclopedia will focus on the United States diversity issues and developments in nations around the world including the United States are intricately connected Consequently to illuminate the many aspects of diversity this volume will contain entries from different nations in the world in order to illuminate the myriad aspects of diversity From A to Z this Encyclopedia will cover the full spectrum of diversity issues including race class gender religion language exceptionality and the global dimensions of diversity as they relate to education This four volume reference work will be the definitive reference for diversity issues in education in the United States and the world

Mixed Race Hollywood Mary C. Beltran,Camilla Fojas,2008-09-01 A Kansas City Star 2008 Notable Book Since the early days of Hollywood film portrayals of interracial romance and of individuals of mixed racial and ethnic heritage have served to highlight and challenge fault lines within Hollywood and the nation s racial categories and borders Mixed Race Hollywood is a pioneering compilation of essays on mixed race romance individuals families and stars in U S film and media culture Situated at the cutting edge juncture of ethnic studies and media studies this collection addresses early mixed race film characters Blaxploitation mixed race in children s television programming and the outing of mixed race stars on the Internet among other issues and contemporary trends in mixed race representation The contributors explore this history and current trends from a wide range of disciplinary perspectives in order to better understand the evolving conception of race and ethnicity in contemporary culture

Is Lighter Better? Joanne L. Rondilla,Paul Spickard,2007-02-23 Colorism is defined as discriminatory treatment of individuals falling within the same racial group on

the basis of skin color In other words some people particularly women are treated better or worse on account of the color of their skin relative to other people who share their same racial category Colorism affects Asian Americans from many different backgrounds and who live in different parts of the United States Is Lighter Better discusses this often overlooked topic Joanne L Rondilla and Paul Spickard ask important questions such as What are the colorism issues that operate in Asian American communities Are they the same issues for all Asian Americans for women and for men for immigrants and the American born for Chinese Filipinos Koreans Vietnamese and other Asian Americans Do they reflect a desire to look like White people or is some other motive at work Including numerous stories about and by people who have faced discrimination in their own lives this book is an invaluable resource for people interested in colorism among Asian Americans **Asian**

American Psychology Nita Tewari, Alvin N. Alvarez, 2008-10-06 This is the first textbook written to welcome those who are new to Asian American psychology Concepts and theories come to life by relating the material to everyday experiences and by including activities discussion questions exercises clinical case studies and internet resources Contributions from the leading experts and emerging scholars an *Handbook of Race, Racism, and the Developing Child* Stephen M.

Quintana, Clark McKown, 2008-07-10 Filling a critical void in the literature Race Racism and the Developing Child provides an important source of information for researchers psychologists and students on the recent advances in the unique developmental and social features of race and racism in children s lives Thorough and accessible this timely reference draws on an international collection of experts and scholars representing the breadth of perspectives theoretical traditions and empirical approaches in this field **Mark One or More** Kim W. Williams, 2006 Mark One or More tells the little known

story of the struggle to include a multiracial category on the U S census and the profound changes it wrought in the American political landscape The movement to add a multiracial category to the 2000 U S Census provoked unprecedented debates about race The effort made for strange bedfellows Republicans like House Speaker Newt Gingrich and affirmative action opponent Ward Connerly took up the multiracial cause Civil rights leaders opposed the movement on the premise that it had the potential to dilute the census count of traditional minority groups The activists themselves a loose confederation of organizations many led by the white mothers of interracial children wanted recognition What they got was the transformation of racial politics in America Mark One or More is the compelling account of how this small movement sparked a big change and a moving call to reassess the meaning of racial identity in American life Kim M Williams is Associate Professor of Public Policy in Harvard s Kennedy School of Government and an expert in racial and ethnic politics and political movements

Global Mixed Race Rebecca Chiyoko King-O'Riain, Stephen Small, Minelle Mahtani, 2014 Patterns of migration and the forces of globalization have brought the issues of mixed race to the public in far more visible far more dramatic ways than ever before Global Mixed Race examines the contemporary experiences of people of mixed descent in nations around the world moving beyond US borders to explore the dynamics of racial mixing and multiple descent in Zambia Trinidad and

Tobago Mexico Brazil Kazakhstan Germany the United Kingdom Canada Okinawa Australia and New Zealand In particular the volume s editors ask how have new global flows of ideas goods and people affected the lives and social placements of people of mixed descent Thirteen original chapters address the ways mixed race individuals defy bolster speak and live racial categorization paying attention to the ways that these experiences help us think through how we see and engage with social differences The contributors also highlight how mixed race people can sometimes be used as emblems of multiculturalism and how these identities are commodified within global capitalism while still considered by some as not pure or inauthentic A strikingly original study Global Mixed Race carefully and comprehensively considers the many different meanings of racial mixedness
