Encyclopedia of the Atlantic World, 1400-1900

David Head,2017-11-16 A first of its kind reference resource traces the interactions among four Atlantic facing continents Europe Africa and the Americas including the Caribbean between 1400 and 1900 Until recently the age of exploration and empire building was researched and taught within imperial and national boundaries The histories of Europe Africa North America and South America were told largely as independent stories with the development of individual places within each continent further separated from each other The indigenous populations of places colonized by Europeans fit into the history even more uneasily often mentioned only in passing Encyclopedia of the Atlantic World 1400 1900 synthesizes a generation of historical scholarship on the events on four continents providing readers an invaluable introduction to the major people places events movements objects concepts and commodities of the Atlantic world as it developed during a key period in history when the world first started to shrink The entries discuss specific topics with an eye toward showing how individual items people and events were connected to the larger Atlantic world This accessibly written reference book brings together topics usually treated separately and discretely alleviating the need for extra legwork when researching and it draws from the latest research to make a vast body of scholarship about seemingly far flung places available to readers new to the field

Heirs

of an Ambivalent Empire Scott Berthelette,2022-07-19 The fur trade was the heart of the French empire in early North America The French Canadian Canadien men who traversed the vast hinterlands of the Hudson Bay watershed trading for furs from Indigenous trappers and hunters were its cornerstone Though the Canadiens worked for French colonial authorities they were not unwavering agents of imperial power Increasingly they found themselves between two worlds as they built relationships with Indigenous communities sometimes joining them through adoption or marriage raising families of their own The result was an ambivalent empire that grew in fits and starts It was guided by imperfect information built upon a contested Indigenous borderland fragmented by local interests and periodically neglected by government administrators Heirs of an Ambivalent Empire explores the lives of the Canadiens who used family and kinship ties to navigate between sovereign Indigenous nations and the French colonial government from the early 1660s to the 1780s Acting as cultural intermediaries the Canadiens made it possible for France to extend its presence into northwest North America Over time however their uncertain relationships with the French colonial state splintered imperial authority leading to an outcome that few could have foreseen the emergence of a new Indigenous culture language people and nation the M tis

**Breaking the Appalachian Barrier** John Hrastar,2018-03-12 In 1750 the Appalachian Mountains were a formidable

barrier between the British colonies in the east and French territory in the west passable only on foot or horseback It took more than a century to break the mountain barrier and open the west to settlement In 1751 a private Virginia company pioneered a road from Maryland to Ohio challenging the French and Indians for the Ohio country Several wars stalled the road which did not start in earnest until after Ohio became a state in 1803 The stone paved Cumberland Road from Cumberland Maryland to Wheeling Virginia was complete by 1818 and over the next 30 years was traversed by Conestoga wagons and stagecoaches The Baltimore and Ohio Railroad the first general purpose railroad in the world started in Baltimore in the 1820s and reached Wheeling by 1852 uniting east and west     *An Overview of Historical and Socio-economic Evolution in the Americas* Alberto Ciferri,2019-08-09 This book includes concise descriptions of the history of 28 nations on the American continent and focuses on features that hinder authentic development particularly ethnic or class conflicts and wealth distribution Its purpose is to stimulate an appreciation of history and cultural values thus reinforcing the harmony of social relations Essential elements of history economics and sociology are presented in a plain and easily readable form allowing the book to be directed to a non specialized audience of individuals and students at the bachelors level in both developed and developing countries The leadership of new generations will need to consider new development models based on balanced compromises between economic and technological progress and the most basic aspirations of society Each chapter includes a brief presentation of data on the territory and the ethnic composition and current socio economic situation of a particular American nation They also provide a scholarly description of the main historical events and end with a brief insight into how the successes or difficulties of the individual country relate to cultural and historical events and to the evolution of that country s national identity or indeed identities     **The Fur Trade in New France 1610-1791**
