His Will and Mine Andy Reddick,2011-08-01 His Will and Mine Pleasing Benefits of Joyful Service to the Lord explains the terms and conditions of our existence before during and after rebirth The book gives reasons why this is possible for undeserving sinful creatures like ourselves Says author Andy Reddick When making ourselves a living sacrifice holy and acceptable to God we conform to His will as God orchestrates but we find ourselves at peace fully enjoying the enrichment process that changes us through His grace Originality is featured as we serve and praise Him in complete happiness Our perfection was lost as a result of once exercising free choice against God s will but we are pardoned for this offense and all others Therefore excuses for hanging onto our own selfish agenda are lame In the rebirth regeneration Jesus allows us an alternative that delivers us away from the cursed world This wonderful gift of salvation is a binding process with the most solid foundation in the universe and the choice to subscribe to it is ours From a state of being spiritually dead we are raised to life and awakened to a magic kingdom with a joyful future so notes the book His Will and Mine
