American Women in a World at War Judy Barrett Litoff,David Clayton Smith,1997 This title brings together twenty five writings by women who share their rich and varied World War II experiences from serving in the military to working on the home front to preparing for the postwar world By providing evidence of their active and resourceful roles in the war effort as workers wives and mothers these women offer eloquent testimony that World War II was indeed everybody s war

Litoff and Smith combine pieces by well known writers such as Margaret Culkin Banning and Nancy Wilson Ross with important but largely forgotten personal accounts by ordinary women living in extraordinary times This volume is divided into the six sections listed below Preparing for War In the Military At Far Flung Fronts On the Home Front War Jobs Preparing for the Postwar World **American Printer and Bookmaker** ,1915 **The American Hebrew** ,1926 **How to Read the American West** William Wyckoff,2014-05-01 From deserts to ghost towns from national forests to California bungalows many of the features of the western American landscape are well known to residents and travelers alike But in How to Read the American West William Wyckoff introduces readers anew to these familiar landscapes A geographer and an accomplished photographer Wyckoff offers a fresh perspective on the natural and human history of the American West and encourages readers to discover that history has shaped the places where people live work and visit This innovative field guide includes stories photographs maps and diagrams on a hundred landscape features across the American West Features are grouped according to type such as natural landscapes farms and ranches places of special cultural identity and cities and suburbs Unlike the geographic organization of a traditional guidebook Wyckoff s field guide draws attention to the connections and the differences between and among places Emphasizing features that recur from one part of the region to another the guide takes readers on an exploration of the eleven western states with trips into their natural and cultural character How to Read the American West is an ideal traveling companion on the main roads and byways in the West providing unexpected insights into the landscapes you see out your car window It is also a wonderful source for armchair travelers and people who live in the West who want to learn more about the modern West how it came to be and how it may change in the years to come Showcasing the everyday alongside the exceptional Wyckoff demonstrates how asking new questions about the landscapes of the West can let us see our surroundings more clearly helping us make informed and thoughtful decisions about their stewardship in the twenty first century Watch the trailer <http://www.youtube.com/watch?v=aYSmp5gZ4I> **Inland Printer, American Lithographer** ,1907 **Small Town** Granville Hicks,2004 Granville Hicks was one of America s most influential literary and social critics Along with Malcolm Cowley F O Matthiessen Max Eastman Alfred Kazin and others he shaped the cultural landscape of 20th century America In 1946 Hicks published Small Town a portrait of life in the rural crossroads of Grafton N Y where he had moved after being fired from Rensselaer Polytechnic Institute for his left wing political views In this book he combines a kind of hand crafted ethnographic research with personal reflections on the qualities of small town life that were being threatened by spreading cities and suburbs He eloquently tried to define the essential qualities of small town community life and to link them to the best features of American culture The book sparked numerous articles and debates in a baby boom America nervously on the move Long out of print this classic of cultural criticism speaks powerfully to a new generation seeking to reconnect with a sense of place in American life both rural and urban An unaffected deeply felt portrait of one such place by one of the best American critics it should find a new

home as a vivid reminder of what we have lost and what we might still be able to protect *Classic American Streamliners* Mike Schafer,1997 Richly illustrated with over 200 photos this book tells the story of railroad streamliners from their early days as short little articulated speedsters to their halcyon years as 20 car cities on wheels Places that were going somewhere And it also tells a story of a time of individuality when streamliners reflected the personality of the regions they served

Log Home Living ,1999-11-01 Log Home Living is the oldest largest and most widely distributed and read publication reaching log home enthusiasts For 21 years Log Home Living has presented the log home lifestyle through striking editorial photographic features and informative resources For more than two decades Log Home Living has offered so much more than a magazine through additional resources shows seminars mail order bookstore Web site and membership organization That s why the most serious log home buyers choose Log Home Living **Taylor's Master Guide to Landscaping** Rita Buchanan,2000 Reveals the vital components of landscape design offering advice on choosing a site selecting plants creating garden accessories and maintaining a landscape American Architect and Building News ,1895 *Perfect Communities* Edward Berenson,2025-04-22 The rise and fall of William J Levitt the man who made the suburban house a mass commodity Two material artifacts defined the middle class American lifestyle in the mid twentieth century the automobile which brought gas stations highways commercial strips and sprawl and the single family suburban home the repository of many families long term wealth While the man who did the most to make the automobile a mass commodity Henry Ford is well known few know the story of the man who did the same for the suburban house Edward Berenson describes the remarkable career of William Levitt who did more than anyone else to create the modern suburb In response to an unprecedented housing shortage as veterans returned home from World War II his Levittown developments provided inexpensive mass produced housing that was wildly popular prospective buyers would camp out in line for two days for the chance to put down a deposit on a Levitt house He was a celebrity a life changing hero to tens of thousands and the pitchman of a renewed American Dream But Levitt also shared Ford s dark side He refused to allow Black people to buy or rent in his developments and doggedly defended this practice against legal challenges Leading the way for other developers who emulated his actions he helped ensure that suburbs nationwide remained white enclaves These legacies are still with us Levitt made a major contribution to the stubborn wealth disparity between white families and Black families and his solution to the housing crisis of the 1940s the detached house and surrounding yard is a primary cause of the housing crisis today As a person Levitt was a strangely guileless and tragic figure He accumulated vast wealth but after losing control of his building company surrendered it all through foolish investments and a lavish lifestyle that included a Long Island mansion and a two hundred foot yacht Just weeks before his death as a charity patient in a hospital to which he had once given millions he was still imagining his great comeback **American Architect** ,1902
