Birmaher, M.D.,2013-12-11 With proper diagnosis and early intervention there is unlimited hope for children and teens diagnosed with bipolar disorder to lead fulfilling and enjoyable lives starting today Inside you ll discover compassionate and informative methods to help manage the diagnosis and develop the natural strengths gifts and skills that every child has to offer Written by a top expert in the field this life changing book is presented in clear straightforward language that dispels the myths about bipolar disorder and offers real solutions You ll uncover keen insight and the latest options for helping your bipolar child or teen by understanding The causes of bipolar disorder The path and outcome of bipolar disorder in children and teens The latest biological treatments and psychosocial therapies and how to use them How to handle behavioral and academic problems as well as assess and manage suicidal tendencies And much more *Mona Lisa* Dianne Hales,2014 A genius immortalized her A French king paid a fortune for her An emperor coveted her No face has ever captivated so many for so long Every year more than nine million visitors trek to her portrait in the Louvre Yet while everyone recognizes her smile hardly anyone knows her story This book rests on the premise that the woman in the Mona Lisa is indeed the person identified in its earliest description Lisa Gherardini 1479 1542 wife of the Florence merchant Francesco del Giocondo Dianne Hales has followed facts wherever she could find them from the Florence State Archives to the squalid street where she was born to the ruins of the convent where she died Lisa Gherardini was a quintessential woman of her times caught in a whirl of political upheavals family dramas and public scandals Descended from ancient nobles she gave birth to six children and died at age sixty three Her life spanned the most tumultuous chapters in the history of Florence decades of war rebellion invasion siege and conquest and of the greatest artistic outpouring the world has ever seen Her story creates an extraordinary tapestry of Renaissance Florence inhabited by larger than legend figures such as Leonardo Michelangelo and Machiavelli *Mona Lisa A Life Discovered* takes readers beyond the frame of Leonardo s masterpiece and introduces them to a fully dimensional human being **UCSF Magazine** ,1978 **Pastoral Care in Pregnancy Loss** Thomas Moe,2014-01-02 Until now the church has been unaware of the need for ministry to those suffering from pregnancy loss At a time when approximately one in four pregnancies ends in loss the need to understand and provide caring ministry is painfully obvious *Pastoral Care in Pregnancy Loss* introduces the religious community to the issue of pregnancy loss and describes the ministries that can be helpful to those who experience these tragedies Effective ministry in pregnancy loss requires that one develop basic life theories in order to prepare for such in depth care Thus the book is more than a how to as it explores why there is suffering and why some suffer more than others how to find grace when God seems far away how to minister when we don t have answers and how religious ministry can consistently work with other helping professionals in support of the individual With the foundation of ministry theory provided by *Pastoral Care in Pregnancy Loss* you can help your faith community develop strategies for ministry to those suffering from pregnancy loss Numerous case studies illustrate what is usually done wrong in providing pastoral care in these difficult and delicate situations and explain why those who experience

loss may blame themselves why they may blame God and why they may not feel able to return to church Providing helpful insight to hospital pastoral care departments church libraries funeral directors counselors and psychologists nursing and obstetrics professionals and seminaries with a marriage and family ministry specialty this book provides readers with information about three types of pregnancy loss miscarriage still birth and neonatal loss church outreach the grieving process victims as consenters or experiencers the spiritual needs of those suffering loss practical ministries crisis support and long term support Pastoral Care in Pregnancy Loss furthers your understanding of pregnancy loss by enumerating theories on how suffering and loss are viewed by those suffering either as a time of testing a time of training a mystery of God a sign of punishment and warning or as having no meaning The book also shows how pregnancy loss affects five different types of personal relationships and discusses both immediate and long term concerns of providing pastoral care From helping the victim find meaning or reason for the loss to providing support in preparing for future pregnancies this book provides much needed guidance to an often neglected ministry *Crisis Pregnancy Centers* Terry Ianora,2009-06

What if you were a sixteen year old whose period was late and who feared to tell her parents about her pregnancy What if you were a woman mother of two young children caught in a custody battle with her ex spouse when she discovers her period is over due and she has definite symptoms of pregnancy What would you do if you knew there was a confidential place where you can get some free information from people who would listen and not tell you what to do For over forty years women in just these circumstances have come into crisis pregnancy centers all over America This is the story of how these centers have blossomed and flourished because distressed pregnant woman have wanted them and because ordinary people have desire to help these women Here is a compilation of testimonies of pioneers who have founded and sustained their centers through four decades The author examines the milieu of the culture of death and speaks about the Crisis Pregnancy Centers as an idea that had to come into existence *New Hope for Problem Pregnancies* Dianne R. Hales,Robert K. Creasy,1982-01-01

Defines types of problem pregnancies tells how they can be recognized and discusses methods of prevention so that healthy babies will be born *Psychological Aspects of Women's Health Care* Nada L. Stotland,Donna E. Stewart,2008-11-01

In the decade since the first edition of this work was published an incredible array of reproductive technologies and associated issues has emerged Obstetricians and gynecologists are hard pressed to deal with the startling breadth and depth of these issues which require mastery over a daunting combination of ever increasing scientific knowledge technical skills long hours legal liability and exposure to clinical situations of overwhelming emotional intensity Psychiatrists have a vital role to play in helping obstetricians and gynecologists cope with a host of problems whose resolutions require not just technical skill but also knowledge of biology psychology sociology anthropology ethics and law For example to design and implement strategies to reduce the transmission of HIV psychiatrists could work with public health workers to incorporate the psychology sociology and anthropology of female reproductive behavior Psychiatrists could likewise improve the diagnosis and treatment

of breast and pelvic malignancies by elucidating the factors that deter women from self examination and regular medical screening and enhance treatment compliance Divided into three sections this clinical and theoretical sourcebook addresses every major area of contemporary concern Pregnancy covers topics from the psychology of normal gestation to physical and psychiatric complications during and after pregnancy including new prenatal diagnostic techniques and the dynamic issues that emerge when abnormalities are detected and the use of psychotropic drugs and electroconvulsive therapy in pregnant and lactating patients Gynecology discusses not only common gynecologic problems but also more controversial issues such as induced abortion and the new reproductive technologies including the role of the menstrual cycle in exacerbating and precipitating psychologic symptoms the psychiatric aspects of menopause the assessment and management of chronic pelvic pain the psychosocial concomitants of gynecologic malignancies and the emotional demands on the oncology team and the special implications of HIV AIDS General Issues offers a broad balanced view of topics rarely found in the literature such as men s reactions to women s reproductive events substance abuse and eating disorders sexual and physical abuse often part of the histories of patients with personality disorders and posttraumatic stress disorders ethical and legal issues and health care for lesbian patients Of special significance is Dr Stotland s chapter on how consultation liaison services are provided to obstetrics and gynecology services This practical and scholarly volume is exceptionally useful as a teaching reference for medical and other health care students and residents in psychiatry and obstetrics and gynecology It also provides a valuable resource for the clinician working to improve the psychological well being of women patients
