Congress. Senate. Committee on Banking, Housing, and Urban Affairs. Subcommittee on International Trade and Finance,2000 **The DAC Journal 2000 France, New Zealand, Italy Volume 1 Issue 3** OECD,2000-09-06 The journal of OECD s Development Assistance Committee This issue contains Development Co operation Reviews for France New Zealand and Italy Social Safety Nets and Poverty Reduction in Developing Countries Jannatul Ferdous,AKM Ahsan Ullah,2023-12-05 This book investigates the origins current state and fundamental value of social safety nets in developing countries as well as their effectiveness in these settings Social safety net programs SSNPs are critical because they keep those who are already vulnerable from falling deeper into poverty Analysing how social safety nets benefit the most disadvantaged and marginalized members of society by allowing those in need to become financially stable more resilient and open up more opportunities for themselves this book shows that social safety nets SSNs are a collection of social services designed to protect people from the effects of economic and emotional hardship Showing that the purpose of the safety net is not to provide permanent financial security but rather to provide temporary financial security during periodic shocks and how this applies in South Asia and also in parts of Africa this book will be of interest to all scholars and students of social policy sociology social work and Global South politics more generally **International Encyclopedia of Civil Society** Helmut K. Anheier,Stefan Toepler,2009-11-24 Recently the topic of civil society has generated a wave of interest and a wealth of new information Until now no publication has attempted to organize and consolidate this knowledge The International Encyclopedia of Civil Society fills this gap establishing a common set of understandings and terminology and an analytical starting point for future research Global in scope and authoritative in content the Encyclopedia offers succinct summaries of core concepts and theories definitions of terms biographical entries on important figures and organizational profiles In addition it serves as a reliable and up to date guide to additional sources of information In sum the Encyclopedia provides an overview of the contours of civil society social capital philanthropy and nonprofits across cultures and historical periods For researchers in nonprofit and civil society studies political science economics management and social enterprise this is the most systematic

appraisal of a rapidly growing field Reinventing Development Lord Mawuko-Yevugah, 2016-04-08 Global development actors such as the World Bank and the International Monetary Fund claim that the shift to the poverty reduction strategy framework and emphasis on local participation address the social cost of earlier adjustment programs and help put aid receiving countries back in control of their own development agenda Drawing on the case of Ghana Lord Mawuko Yevugah argues that this shift and the emphasis on partnerships between donors and poor countries local participation and country ownership simultaneously represents a substantive departure from earlier versions of neo liberalism and an attempt by global development actors and local governing and social elites to justify and legitimize the neo liberal policy paradigm This book shows how the new architecture of aid has important implications in three distinct but related ways the discursive construction and production of post colonial societies the changing focus of Western aid and development policy interventions and the reproduction of the politics of inclusive exclusion The author provides detailed and original research on the new development paradigm and develops a critical theoretical approach to re think conventional analyses of the new discourses on aid whilst offering a fresh alternative interpretation of changes in international aid relations **Finance & Development, December 2000** International Monetary Fund. External Relations Dept., 2000-01-01 This paper describes the need to broaden the agenda for poverty reduction The broadening of the agenda follows from a growing understanding that poverty is more than low income a lack of education and poor health The poor are frequently powerless to influence the social and economic factors that determine their well being The paper highlights that a broader definition of poverty requires a broader set of actions to fight it and increases the challenge of measuring poverty and comparing achievement across countries and over time **Toward Pro-poor Policies** Bertil Tungodden, Nicholas Herbert Stern, Ivar Kolstad, 2004 This annual conference has become a key event in Europe for the discussion of development issues It is a unique platform for many of the world's finest development thinkers and experienced policymakers to present their perspectives ideas and to challenge researchers and senior staff of the World Bank and other organizations with their views These papers look at a number of compelling issues surrounding the topic of development **The New Journey of China's Economic and Social Development** Fuzhan Xie, Fang Cai, Xuesong Li, 2023-03-12 This book aims at China's economic and social development which has embarked on a new journey It collects more than 20 major research achievements of researchers in relevant fields of the Chinese Academy of Social Sciences These topics cover rural revitalization and anti poverty industrialization and manufacturing transformation service industry upgrading fiscal and taxation system and fiscal sustainability major financial reform industry and competition policy ownership structure new pattern of opening up digital economy innovation driven financial stability macro control new urbanization regional development ecological environment aging population labor market income distribution social governance people's livelihood social security the rule of law cultural power and other major issues This book helps people from all walks of life better understand and grasp the new trends opportunities and
