The Sunshine Door Seth Kinstle, People spend their lives dancing around the flames of their desire But what if you had everything and experienced all life had to offer Would you reach an end Or would there be something to keep you going when it seems so pointless Everyone lives life the way they want to but few of us ever actually break free from who we are There s so much controversy simultaneously blind siding us it can be hard to define reality If you ever bring everything into focus maybe you re just going to be on the wrong side of a good day no matter what you do Maybe there s more to the randomness life throws our way or maybe all we do is rest on a pending death Step into the sunshine door and see what life has in store for you Maybe it s better to never know what s going to happen but you might be left with nothing more than a bland routine Either way I guess you re going to have to conclude the tragedy of your life
