**A History of Russia and Its Empire** Kees Boterbloem,2013-08-28 This clear and focused text provides an introduction to imperial Russian and Soviet history from the crowning of Mikhail Romanov in 1613 to Vladimir Putin s new term Through a consistent chronological narrative Kees Boterbloem considers the political military economic social religious and cultural developments and crucial turning points that led Russia from an exotic backwater to superpower stature in the twentieth century The only text designed and written specifically for a one semester course on this four hundred year period it will appeal to all readers interested in learning more about the history of the people who have inhabited one sixth of the earth s landmass for centuries      **Samuel Beckett's Legacies in American Fiction** James Baxter,2021-11-30 Samuel Beckett s Legacies in American Fiction provides an overdue investigation into Beckett s rich influences over American writing Through in depth readings of postmodern authors such as Robert Coover Donald Barthelme Thomas Pynchon Don DeLillo Paul Auster and Lydia Davis this book situates Beckett s post war writing of exhaustion and generation in relation to the emergence of an explosive American avant garde In turn this study provides a valuable insight into the practical realities of Beckett s dissemination in America following the author s long standing relationship with the countercultural magazine Evergreen Review and its dramatic role in redrawing the possibilities of American culture in the 1960s While Beckett would be largely removed from his American context this book follows his vigorous albeit sometimes awkward reception alongside the authors and institutions central to shaping his legacies in 20th and 21st century America      *The Family in the USSR* Rudolf Schlesinger,2013-10-15 First Published in 1998 This is Volume III of eight in the Sociology of the Soviet Union series Written in 1949 this is a collection of translated essays and documents about the family in the USSR and the changing attitudes prevailing in Soviet Russia towards specific aspects of social and political life      **Soviet and Nazi Posters** Kees Boterbloem,Lisa Pine,2025-01-23 This book examines the key content and propaganda value of posters in the dictatorships of Stalin s USSR 1927 53 and Hitler s Germany 1933 43 using posters as a point of entry for discussing key Soviet and Nazi policies In so doing Soviet and Nazi Posters provides a compelling account of the posters utilised by both regimes for the first time Kees Boterbloem and Lisa Pine employ a comparative approach throughout analysing commonalities and differences and inspecting the regimes use of posters as propaganda Richly illustrated with 50 images 25 of which are in colour Soviet and Nazi Posters encourages the development of vital source skills in the pursuit of understanding the complexities of 20th century European dictatorships What do these posters yield to the historian What do they tell us about the regimes and their intentions Ultimately they offer a compelling visual point of entry into Nazism and Stalinism here explored in rewarding detail Boterbloem and Pine convincingly make the case that the use of posters as a medium of propaganda by Stalin and Hitler was advanced at the time and far reaching The poster campaigns were very powerful in terms of the impact on their

populations and point to how the regimes could influence people outside their homes and in public places to support the regimes and their policies The book looks at specific posters to discuss key regime policies associated with them and this offers us new insights into the nature of these authoritarian governments and the way in which they addressed their populations Information Bulletin ,1946 Soviet Life ,1977 **East European Accessions Index** ,1960 Romanian News ,1951 USSR Information Bulletin ,1952 *East European Accessions List* Library of Congress,1955 **Mikhail Sholokhov and His Art** Herman Ermolaev,2017-03-14 Treating Sholokhov s art and life against the Soviet political background the author considers the episodes in his life that influenced his writing and then shows how one sided commitment to party ideology led to his creative deterioration Originally published in 1982 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905 **USSR.** ,1964 East European Accessions List Library of Congress.
