and his wife Sybilla felt that their London life had been steadily growing in noise the noise of grief the noise of busyness the noise that comes from the expectations of others and for Charlie the constant clamour of dissatisfaction at work At Peverels Charlie found an expanse of untouched meadowland the perfect setting for an audacious garden Charlie felt an unquenchable urge to dig to create something The days he spent wrestling with the soil in the rose garden were the days in which he mourned the loss of his parents Gardening has taught him that you can dig for victory but you can also dig for mental health As the garden formed around Charlie he buried his fears and anxieties within it A garden that is now known as Skymeadow and grows with a lusty almost biblical vigour In Skymeadow Charlie seamlessly weaves together his own memoir with that of his garden The result is a lyrical and incisive story of mental health at an all time low the healing powers of digging and ultimately a celebration of nature
