**The Time Has Come** David Cook,2021-07-18 Get our minds together People we gotta get our minds together because our minds is all we got The mind is the most consistent weapon you got The human mind is like a nuclear bomb and can create a masterpiece and there is no limit to what the mind can do God gave you this gift to create to solve problems to cure diseases to help the hungry and to go deep into another person s body and bring that person back to life The human mind there is no limit to what the human mind can do the human mind is capable of doing anything that you may need to help you survive in life this is the greatest gift of all the mind The mind think think think of thousands of ways any and every way in the world to cure any horrific disease come up **Gifted** Edward Sylvain,2019-08-28 Dear readers One thing I would love to share with each one of you is nothing should be impossible as long as you have a dream and is able to work diligently to see that dream come to pass Because nobody is responsible for your success or failure besides yourself Nothing is more wonderful or interesting to know that your whole life itself is so much more than a story to tell In fact we all have a story to tell And it is by your story alone others will begin to arise from under the clouds of fear and share their story with someone else But the main factor is you have to commence from somewhere A story without experience is just a mere story I strongly challenge all those that read this book to read it as if you are reading your own personal book If not now perhaps later Always remember that a world without readers and writers is like a world full of darkness and absolutely void Even the greatest and oldest book that has ever known to all mankind was somehow inscribed by some readers and writers So therefore I am challenging you to take full advantage of this opportunity that you have right now and make something valuable out of it *Billboard* ,2002-01-26 In its 114th year Billboard remains the world s premier weekly music publication and a diverse digital events brand content and data licensing platform Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming media digital and mobile entertainment issues and trends
