JOSEPH FOLEY

New Englishes The Case Of Singapore

Kingsley Bolton

New Englishes The Case Of Singapore:

New Englishes Joseph Foley, 1988 The spread functions and models of the New Englishes have become a dominant theme of the eighties This volume addresses specifically the English used in Singapore in the private and public domains particularly the school system The topics covered include an overview of earlier studies and attempts at codification a consideration of whether the formal mode of written Singapore English should be standardised the problems of pronunciation etc and specific lexico grammatical problems which have proved to be ambiguous for those not familiar with Singapore English Also included in this volume is the largest bibliography so far published on Singapore English with over 700 titles listed thus providing an essential tool for any future research

Language Learning in New English Contexts Rita Elaine Silver, Lubna Alsagoff, Christine C M Goh, 2011-10-27 This edited volume is dedicated to the exploration of English language acquisition and development outside of the largely monolingual environments of North America the United Kingdom and Australia Specifically the studies investigate different facets of English language learning in Singapore and uses this experience to forge connections with other New English contexts Using empirical data drawn from a range of language classrooms the contributors emphasise the place of education within a global framework of English language learning In so doing they examine economic social and political factors influencing language education and present a refreshingly global perspective on English language acquisition This comprehensive examination of language learning in New English contexts will be of interest to researchers in applied linguistics and world Englishes

Englishes around the World Edgar W. Schneider, 1997-06-26 The two volumes of Englishes around the World present high quality original research papers written in honour of Manfred G. Clahsen founder and editor of the journal English World Wide and the book series Varieties of English Around the World The papers thematically focus on the field that Manfred G. Clahsen has helped to build and shape Volume 2 of Englishes Around the World presents studies of so called New Englishes post colonial varieties as spoken predominantly in countries of the former British Empire There are five contributions on the Caribbean covering Jamaica Guyana and Trinidad five articles on Africa South Africa East Africa and Nigeria six studies of English in Asian countries Japan the Philippines India Singapore Malaysia and Papua New Guinea and six papers on Australia and New Zealand Topics covered range from sociohistorical causes and processes the nativization of English in different countries or the expression of individual identities by means of the English language through structural descriptions to sociolinguistic psycholinguistic lexicographic pragmatic stylistic and other matters The articles in the respective sections are written by D. R. Craig L. M. Haynes P. L. Patrick K. Shields Brodber and L. Winer A. Banjo V. de Klerk R. Mesthrie J. Schmied and P. Silva R. W. Bailey R. Begum and T. Kandiah A. Gonzalez R. R. Mehrotra P. M. Hlh usler and M. Newbrook L. Bauer S. Butler M. Clyne P. Peters and A. Delbridge G. Tulloch and G. W. Turner

Children's English in Singapore Sarah Buschfeld, 2019-12-06 Combining the World Englishes framework with First Language Acquisition methodology this book investigates children's acquisition of

L1 English in the context of multilingual Singapore one of the traditional Kachruvian Outer Circle or ESL countries The book investigates language choice use and dominance in Singaporean families identifies common linguistic characteristics of L1 Singapore English as well as the acquisitional route that Singaporean children take It discusses characteristics at the different levels of language organization i e phonological morphosyntactic lexical and pragmatic features drawing on a variety of systematically elicited data and Praat based acoustic analyses Comparing the results to similar data obtained from children living in England both mono and bi multilingual the book also sheds light on how the acquisitional steps taken by Singaporean children differ from or are similar to traditional native speakers of English and children from immigrant families in England The Open Access version of this book available at <http://www.taylorfrancis.com> has been made available under a Creative Commons Attribution Non Commercial No Derivatives CC BY NC ND 4 0 license

A Dictionary of Varieties of English Raymond Hickey, 2014-02-03 A Dictionary of Varieties of English presents a comprehensive listing of the distinctive dialects and forms of English spoken throughout the contemporary world Provides an invaluable introduction and guide to current research trends in the field Includes definitions both for the varieties of English and regions they feature and for terms and concepts derived from a linguistic analysis of these varieties Explores important research issues including the transportation of dialects of English the rise of New Englishes sociolinguistic investigations of various English speaking locales and the study of language contact and change Reflects our increased awareness of global forms of English and the advances made in the study of varieties of the language in recent decades Creates an invaluable informative resource for students and scholars alike spanning the rich and diverse linguistic varieties of the most widely accepted language of international communication

English in Singapore Lisa Lim, Anne Pakir, Lionel Wee, 2010-06-01 English in Singapore provides an up to date detailed and comprehensive investigation into the various issues surrounding the sociolinguistics of English in Singapore Rather than attempting to cover the usual topics in an overview of a variety of English in a particular country the essays in this volume are important for identifying some of the most significant issues pertaining to the state and status of English in Singapore in modern times and for doing so in a treatment that involves a critical evaluation of work in the field and new and thought provoking angles for reviewing such issues in the context of Singapore in the twenty first century The contributions address the historical trajectory of English past present and possible future its position in relation to language policy and multiculturalism the relationship between the standard and colloquial varieties and how English can and should be taught This book is thus essential reading for scholars and students concerned with how the dynamics of the English language are played out and managed in a modern society such as Singapore It will also interest readers who have a more general interest in Asian studies the sociology of language and World Englishes

World Englishes Kingsley Bolton, Braj B. Kachru, 2006

Crosslinguistic Influence in Singapore English Ming Chew Teo, 2020-01-06 In a social setting where speakers with several languages interact extensively a major source of variation in Colloquial Singapore

English comes from the complex interaction between crosslinguistic influences and various social and linguistic factors. By unifying both social and linguistic aspects of the phenomenon through the use of multivariate analyses like logistic regressions and Poisson regressions, this book represents a novel approach to the study of crosslinguistic influence in Colloquial Singapore English. As multivariate analyses provide us with information regarding the relative strengths of each social and linguistic factor, they are useful tools that allow us to have a more nuanced understanding of crosslinguistic influence in contact situations. Linguistic features from a variety of linguistic domains, morphology, semantics, and discourse, will be quantified and statistical analyses will be run in R to determine the degree to which various social and linguistic factors affect the extent of crosslinguistic influence. Well-known Singlish features like the optionality of past tense and plural marking, the unique meanings of *already got* and *one*, and discourse particles *lah*, *leh*, and *lor* are analyzed using this approach. The statistical modeling of these features is a first step towards creating a unified framework to understanding crosslinguistic influence.

The Routledge Handbook of World Englishes Andy Kirkpatrick, 2020-12-31 The Routledge Handbook of World Englishes constitutes a comprehensive introduction to the study of World Englishes. Split into six sections with 40 contributions, this Handbook discusses how English is operating in a wide range of fields from business to popular culture and from education to new literatures in English and its increasing role as an international lingua franca. Bringing together more than 40 of the world's leading scholars in World Englishes, the sections cover historical perspectives, regional varieties of English from across the world, recent and emerging trends, and the pedagogical implications and the future of Englishes. The Handbook provides a thorough and updated overview of the field, taking into account the new directions in which the discipline is heading. This second edition includes up-to-date descriptions of a wide range of varieties of English and how these reflect the cultures of their new users, including new chapters on varieties in Bangladesh, Uganda, the Maldives, and South Africa, as well as covering hot topics such as translanguaging and English after Brexit. With a new substantial introduction from the editor, the Handbook is an ideal resource for students of applied linguistics as well as those in related degrees such as applied English language and TESOL/TEFL.

Chinese Englishes Kingsley Bolton, 2006-11-02 This book explores the history of the English language in China from the arrival of the first English-speaking traders in the early seventeenth century to the present. Kingsley Bolton brings together and examines a substantial body of historical linguistic and sociolinguistic research on the description and analysis of English in Hong Kong and China. He uses early wordlists, satirical cartoons, and data from journals and memoirs, as well as more conventional sources, to uncover the forgotten history of English in China and to show how contemporary Hong Kong English has its historical roots in Chinese pidgin English. The book also considers the varying status of English in mainland China over time and recent developments since 1997. With its interdisciplinary perspective, the book will appeal not only to linguists but to all those working in the fields of Asian studies and English studies, including those concerned with cultural and literary studies.

The Politics of English Lionel

Wee,Robbie B.H. Goh,Lisa Lim,2013-03-28 This volume brings together contributions that explore the increasingly important roles that English plays in Asia including its contribution to economic growth national imaginaries and creative writing These are issues that are political in a broad sense but the diversity of Asian contexts also means that the social political and cultural ramifications of the spread of English into Asia will have to be understood in relation to the challenges facing specific societies The chapters in the book collectively illustrate this diversity by focusing on countries from South Asia Southeast Asia and the Asia Pacific Each country has two contributions devoted to it one paper provides an overview of the country s language policy and its positioning of English and another provides a critical discussion of creative expressions involving the use of English Taken together the papers in the volume detail the most recent developments concerning the politics of English in Asia **Singapore English** David Deterding,2007-08-01 Over the past few decades Singapore English has been emerging as an independent variety of English with its own distinct style of pronunciation grammar and word usage All the findings presented in the book are illustrated with extensive examples from one hour of recorded conversational data from the Lim Siew Hwee Corpus of Informal Singapore Speech as well as some extracts from the NIE Corpus of Spoken Singapore Speech and recent blogs In addition usage patterns found in the data are summarised to provide a solid foundation for the reported occurrence of various features of the language A full transcript of the data is included in the final chapter of the book *Attitudes to World Englishes* Hyejeong Ahn,2017-03-27 This book critically examines South Korean English teachers awareness of and attitude towards eight varieties of English and how they respond to the proposal of a World Englishes approach in their teaching practice It showcases the deeply rooted favouritism towards American English and illustrates how relevant challenges arising from this attitude can be addressed to meet the changing needs of future participants in international contexts This book argues that disclosing and questioning the hidden discursive practices embedded in the English education policy in South Korea may be the first step in raising awareness of and in changing negative attitudes towards embracing diversified Englishes The findings are systemically discussed in relation to the implications that researching awareness and attitude has for pedagogical considerations and for teacher training This book aims to contribute to the field of WE where studies relating to the South Korean context are largely limited The Handbook of English Pronunciation Marnie Reed,John M. Levis,2019-02-12 The Handbook of English Pronunciation presents a comprehensive exploration of English pronunciation with essential topics for applied linguistics researchers and teachers including language acquisition varieties of English historical perspectives accent s changing role and connections to discourse technology and pedagogy Provides thorough descriptions of all elements of English pronunciation Features contributions from a global list of authors reflecting the finest scholarship available Explores a careful balance of issues and topics important to both researchers and teachers Provides a historical understanding of the importance of pronunciation and examines some of the major ways English is pronounced today throughout the world Considers practical concerns about how research and practice

interact in teaching pronunciation in the classroom *English in Southeast Asia and ASEAN* Azirah Hashim, Gerhard Leitner, 2020-11-16 English in Southeast Asia and ASEAN embeds English in its various regional Southeast Asian and political ASEAN language habitats Addressing the history developmental stages and contacts with other languages it provides in depth information on the region and its political organization In doing so it analyzes the geo political division of the region between former Anglophone and non Anglophone colonies and shows that this distinction has led to considerable differences in the status and texture of English This analysis includes the role and impact of American English in mainland and maritime Southeast Asia to highlight the linguistic properties of English and its linguistic and sociopolitical development English used in specific domains language policies and concludes with the future of English and future challenges This book therefore provides an integrative survey of the various roles of English in ASEAN member states and studies the transformation of entire language habitats including the major national and regional languages that participate in this process It also explains how new societies emerge with their conflicting identities and their aspirations to act regionally or even globally and is a valuable resource for scholars and students in the fields of World Englishes Asian Studies and those interested in language contact policy and planning

Singapore Studies Beng Huat Chua, Basant Kapur, 1986 This edition brings up to date a decade of research work developments of the Faculty of Arts and Social Science National University of Singapore since the first volume was published in 1985 The state of the respective disciplines covered are reviewed in terms of notable theoretical and conceptual developments major benchmarks during the past decade and research lacunae that need to be addressed as well as their substantive developments and contributions in the Singapore context and possible future directions resulting in a collection of essays that places the Faculty's studies in an international comparative framework

Exploring Second-Language Varieties of English and Learner Englishes Joybrato Mukherjee, Marianne Hundt, 2011-05-25 The articles in this volume are intended to bridge what Sridhar and Sridhar 1986 have called the paradigm gap between traditional SLA research on the one hand and research into institutionalised second language varieties in former colonial territories on the other Since both learner Englishes and second language varieties are typically non native forms of English that emerge in language contact situations it is high time that they are described and compared on an empirical basis in order to draw conceptual and theoretical conclusions with regard to their form function and acquisition The present collection of articles places special emphasis on empirical evidence obtained from large scale analyses of computerised corpora of learner Englishes such as the International Corpus of Learner English and of second language varieties of English such as the International Corpus of English It addresses questions such as Are the phenomena we find in ESL and EFL varieties features or errors or How common and wide spread are features across contact varieties of English *English in Southeast Asia* Ee-Ling Low, Azirah Hashim, 2012-01-24 This volume provides a first systematic comprehensive account of English in Southeast Asia SEA based on current research by leading scholars in the field The volume first provides a

systematic account of the linguistic features across all sub varieties found within each country It also has a section dedicated to the historical context and language planning policies to provide a background to understanding the development of the linguistic features covered in Part I and finally the vibrancy of the sociolinguistic and pragmatic realities that govern actual language in use in a wide variety of domains such as the law education popular culture electronic media and actual pragmatic encounters are also given due coverage This volume also includes an extensive bibliography of works on English in SEA thus providing a useful and valuable resource for language researchers linguists classroom educators policy makers and anyone interested in the topic of English in SEA or World Englishes as a whole

Legacies of Colonial English Raymond Hickey, 2005-02-24 As a result of colonization many varieties of English now exist around the world Originally published in 2005 Legacies of Colonial English brings together a team of internationally renowned scholars to discuss the role of British dialects in both the genesis and subsequent history of postcolonial Englishes Considering the input of Scottish English and Irish dialects they closely examine a wide range of Englishes including those in North and South America South Africa Asia Australia and New Zealand and explain why many of them still reflect non standard British usage from the distant past Complete with a checklist of dialect features a detailed glossary and set of general references on the topic of postcolonial Englishes this book will be an invaluable source to scholars and students of English language and linguistics particularly those interested in sociolinguistics historical linguistics and dialectology

Getting at GET in World Englishes Elisabeth Bruckmaier, 2017-02-20 Despite its exceptional frequency and versatility GET has never been a focus of research in its entire variability which goes from lexical to grammatical uses nor in large amounts of data from different varieties of English The present corpus based study deals with over 11 600 tokens of GET in written and spoken language from three varieties of English and thus provides new insights for variationist linguistics Firstly it offers a comprehensive semasiological syntactic analysis of GET i e an analysis of all its meanings and all the constructions into which it enters suggesting ten categories as being necessary for its complete description Secondly it contributes to the understanding of factors that are at work in variation in World Englishes and lead to quantitative differences between regional standard varieties Thus the present study demonstrates that the use of GET in the New Englishes analysed is less affected by substrate effects than by the effects of Second Language Acquisition and the varying influence of British and American English norms Moreover it can be shown that the New Englishes display more grammatical uses of GET than does British English

Whispering the Techniques of Language: An Mental Quest through **New Englishes The Case Of Singapore**

In a digitally-driven world where screens reign supreme and quick transmission drowns out the subtleties of language, the profound techniques and psychological nuances hidden within words frequently get unheard. Yet, situated within the pages of **New Englishes The Case Of Singapore** a interesting literary prize pulsing with natural emotions, lies an exceptional quest waiting to be undertaken. New Englishes The Case Of Singapore Introduction

In today's digital age, the availability of New Englishes The Case Of Singapore books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of New Englishes The Case Of Singapore books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of New Englishes The Case Of Singapore books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing New Englishes The Case Of Singapore versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, New Englishes The Case Of Singapore books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing New Englishes The Case Of Singapore books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for New Englishes The Case Of Singapore books and manuals is Open

Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, New Englishes The Case Of Singapore books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of New Englishes The Case Of Singapore books and manuals for download and embark on your journey of knowledge?

FAQs About New Englishes The Case Of Singapore Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. New Englishes The Case Of Singapore is one of the best book in our library for free trial. We provide copy of New Englishes The Case Of Singapore in digital format, so the resources that you find are reliable. There are also many Ebooks of related with New Englishes The Case Of Singapore.
