

# The New European Criminology: Abolitionism

- The new European criminology had two main objectives:
  1. To maintain an exchange of criminological communications and comparisons across Europe that, rather than contribute to free market liberalism, would contribute to developing a European public sphere that emphasizes a sharing of experiences
  2. To develop a European criminological community that would “help develop an understanding of trends and concerns in Europe

## **New European Criminology:**

*The New European Criminology* Vincenzo Ruggiero, Nigel South, Ian Taylor, 2002-09-11 The New European Criminology gathers together leading criminologists from all over Europe to consider crime and responses to crime within and across national borders For the first time it allows students to experience the most exciting work in European criminology and to compare approaches to crime in different parts of Europe The five sections of the book look at the effects of European harmonisation on crime criminal justice law enforcement and penal reform organised crime from the Mafia in Italy to drug running in the Balkans local crime in international contexts possible future directions for criminology and some suggestions for a new criminology of war      **The new European Criminology** ,1998      **Immigration, Crime and Justice** William McDonald, 2009-04-16 Examines the nexus between immigration and crime from all of the angles This work addresses not just the evidence regarding the criminality of immigrants but also the research on the victimization of immigrants human trafficking domestic violence the police handling of human trafficking and the exportation to crime problems via deportation

*Criminological Theory* J. Robert Lilly, Francis T. Cullen, Richard A. Ball, 2007 The Fourth Edition of this highly acclaimed book expands on previous editions with coverage of newly emerged theories and empirical updates supported by a significant amount of new references Criminological Theory provides coverage of the latest theories in the field without diminishing the presentation of classic analysis Major theoretical perspectives that have developed from both recent critical work and traditional schools together with practical applications compel the reader to apply theories to the contemporary social milieu

**Crime Prevention Policies in Comparative Perspective** Adam Crawford, 2013-05-13 This book brings together a collection of leading international experts to explore the lessons learnt through implementation and the future directions of crime prevention policies Through a comparative analysis of developments in crime prevention policies across a number of European countries contributors address questions such as How has the preventive turn in crime control policies been implemented in various different countries and what have its implications been What lessons have been learnt over the ensuing years and what are the major trends influencing the direction of development What does the future hold for crime prevention and community safety Contributors explore and assess the different models adopted and the shifting emphasis accorded to differing strategies over time The book also seeks to compare and contrast different approaches as well as the nature and extent of policy transfer between jurisdictions and the internationalisation of key ideas strategies and theories of crime prevention and community safety      **Global Organized Crime** Dina Siegel, H. Bunt, D. Zaitch, 2012-12-06 In the current processes of political economic and cultural changes serious cross border forms of organized crime receive unprecedented attention as spectacular global media events as threats of all sorts and as priority targets of criminal policy and political agendas Most books on global organized crime focus on one particular region topic or event and are written from one specific theoretical and disciplinary framework The renowned scholars who have contributed to this volume present

up to date expertise on regions as distant and different as Russia Colombia the Netherlands Israel Peru and Britain They tackle phenomena such as international drug trafficking alien and women smuggling terrorism East European organized crime and financial crimes They show not only how these issues are interrelated but also the way in which they interact with social economic and political legitimate structures The contributors critically question the policies and strategies currently pursued They explore different theoretical arguments from the perspective of their own disciplines which include economics criminology political science and anthropology

**Criminal Justice and Political Cultures** Tim Newburn, 2012-12-06 As crime increasingly crosses national boundaries and international co operation takes firmer shape so the development of ideas and policy on the control of crime has become an increasingly international and transnational affair This book is concerned both with the very specific issue of policy transfer within the crime control arena and with the issues raised by a more broadly conceptualized idea of comparative policy analysis

The Exclusive Society Professor Jock Young, 1999-06-01 In this major new work which Zygmunt Bauman calls a tour de force of breathtaking erudition and clarity Jock Young charts the movement of the social fabric in the last third of the twentieth century from an inclusive society of stability and homogeneity to an exclusive society of change and division Jock Young one of the foremost criminologists of our time explores exclusion on three levels economic exclusion from the labour market social exclusion between people in civil society and the ever expanding exclusionary activities of the criminal justice system Taking account of the massive dramatic structural and cultural changes that have beset our society and relating these to the quantum leap in crime and incivilities Jock Young develops a major new theory based on a new citizenship and a reflexive modernity

*International and Comparative Criminal Justice* Mark Findlay, 2013-06-19 International criminal justice is in transition This book explores the growing internationalisation of criminal justice as a phenomenon of global governance It provides students with a critical understanding of the international institutions for regulating transnational crime the development of alternative justice processes across the globe and international and supra national co operation criminal justice policies and practices Key topics covered include The historical development of International Criminal Justice institutions and traditions International Restorative Justice Victim communities and collaborative justice The relationship between crime and war International Human Rights The War on Terror The globalisation of crime and control Developments in global governance communitarian justice and accountability This text will familiarize students with the literature and debates surrounding international criminal justice and enable them to critically appreciate their theoretical and policy context In doing so it encourages students to assess the strengths and weaknesses of different approaches to the study of global justice and the analysis of comparative policy convergence and research It will also help students to reflect on and communicate in an informed and critical way theoretical accounts and empirical studies within the field of international criminal justice This book will be essential reading for upper level undergraduates taking courses in criminal law international relations and governance and

postgraduates engaged in international criminal justice international law regulation and governance and human rights

**Intolerant Britain? Hate Citizenship And Difference** McGhee, Derek, 2005-04-01 Annotation      **Investment of Criminal Proceeds into the Legitimate Economy** Emanuele Sclafani, 2024-02-15 This book explores the infiltration of Italian and Russian organised crime in the UK real estate market assessing how vulnerable the UK is to these sorts of activities It identifies the drivers behind the criminal choices and modus operandi of Italian and Russian organised crime groups and the factors causing their mobility abroad Investment of Criminal Proceeds into the Legitimate Economy broadens our knowledge on the relationship between criminal agency and criminogenic opportunity in a socio economic and legal context This book offers a critical insight into the criminal actors and operations of Italian and Russian organised crime groups such as money laundering schemes in the real estate sector whilst also exploring the role of crime facilitators Drawing on interviews with prosecutors law enforcement agents and investigative journalists Investment of Criminal Proceeds into the Legitimate Economy explores how criminal investments adversely affect both law enforcement operations and socio economic development in this area An accessible and compelling read this book will appeal to students and scholars of criminology law organised crime policymakers and all those interested in how Italian and Russian organised crime operates in the UK real estate market      **Security, Insecurity and Migration in Europe** Gabriella

Lazaridis, 2016-04-01 Having often been framed in terms of security concerns migration issues have simultaneously given rise to issues of insecurity on the one hand security of borders political societal and economic security insecurity in the host country on the other social legal and economic concerns about human security with regard to both EU citizens and migrants entering Europe In terms of state security migration is a core target of increasingly globally networked surveillance capabilities whilst with respect to human security it exposes the gap between the protections that migrants formally enjoy under international law and the realities they experience as they travel and work across different countries Drawing on the latest research from across the EU Security Insecurity and Migration explores the concerns of states with regard to migration and the need to protect the fundamental rights of migrants An interdisciplinary examination of the issues of security and insecurity raised by migration for states their citizens and migrants themselves this book will be of interest to scholars of politics sociology and geography researching migration race and ethnicity human and state security and EU politics and policy      **Alternative Criminologies** Pat Carlen, Leandro Ayres França, 2017-08-10 Alternative Criminologies

celebrates a kaleidoscopic process of permanent critique and a diversity of social and scientific knowledges It examines complex and global crime issues in light of the many alternative scientific artistic empathetic campaigning and otherwise imaginative criminologies that attempt to understand and or fundamentally change why crime and justice take the forms they do From cutting edge topics such as crimes against humanity the criminology of mobility terrorism cybercrime corporate crime and green criminology to gendered perspectives on violence against women sexualities and feminist and queer

criminologies to key issues in penology such as mass incarceration the death penalty desistance from crime risk and the political economy of punishment *Alternative Criminologies* demonstrates the breadth the variety and the vibrancy of contemporary perspectives on crime criminalization and punishment Bringing together 34 leading experts from around the world this international collection unites fresh and insightful theoretical positions with innovative empirical research and marks an important juncture for criminologies and their imagined futures *Alternative Criminologies* is essential reading for students of crime and criminal justice *The Routledge International Handbook of Violence Studies* Walter S. DeKeseredy, Callie Marie Rennison, Amanda K. Hall-Sanchez, 2018-10-30 Violence is a serious public health problem The number of violent deaths tells only part of the story and many more survive violence and are left with permanent physical and emotional scars Violence also erodes communities by reducing productivity decreasing property values and disrupting social services In recent years scholars have broadened their definitions of violence beyond the realm of interpersonal harms such as murder armed robbery and male to female physical and sexual assaults in intimate relationships to include behaviors often ignored by the criminal justice system such as human rights violations racism psychological abuse state terrorism environmental violations and war Guided by this broader definition of violence this handbook offers state of the art research in the field and brings together international experts to discuss empirical theoretical and policy issues *Crime and Transition in Central and Eastern Europe* Alenka Šelih, Aleš Završnik, 2012-04-24 Full scale political change affects every level of a society but perhaps nowhere as strikingly as in the areas of crime policy and law enforcement Over the past two decades the European nations that have moved from totalitarianism toward democracy have come to embody this trend yet reliable sources on crime and law enforcement in these countries have not been readily accessible to the West Representing viewpoints seldom available to outsiders the contributors to *Crime and Transition in Central and Eastern Europe* analyze changes in criminal activities and crime control strategies in the region explain the political background underlying these developments and assess their long term social impact Experts from Slovenia Hungary Croatia Serbia the Czech Republic Poland Bosnia and Herzegovina discuss the politicization of crime the ongoing paradoxes regarding civil liberties and the future of crime policy in comparative and country specific terms Among the topics featured in the book Crime and crime control in transitional countries politics the media and public perception of crime surveillance from national security to private industry penal policy and political change emerging trends economic and organized crime human trafficking juvenile delinquency new perspectives on corruption in the region With this fascinating insight *Crime and Transition in Central and Eastern Europe* is a singular reference for researchers and policymakers in criminology and political science and historians with a special interest in European affairs and policy **Probation** Rob Canton, Jane Dominey, 2017-12-14 This book provides a comprehensive and accessible introduction to probation It brings together themes of policy theory and practice to help students and practitioners better understand the work of probation its limitations its potential but above all its value

Setting probation in the context of the criminal justice system the book explores its history purposes and contemporary significance It explains what probation is and the practical realities of working with offenders in the community The book also covers the governance of probation and how policy and practice are responding to contemporary concerns about crime and community safety This book encourages readers to appreciate the practical and theoretical strengths and shortcomings of contemporary probation practice This revised and updated new edition includes a full description and discussion of recent reforms in the probation service and the Transforming Rehabilitation policy agenda It also offers further discussion of international perspectives on probation including international developments and collaborative efforts between countries This book is essential reading for trainee probation officers and students taking courses on probation offender management treatment and rehabilitation working with offenders and community justice     Organized Crime Klaus von Lampe,2015-07-16 2016 Outstanding Publication Award The International Association for the Study of Organized Crime Organized Crime Analyzing Illegal Activities Criminal Structures and Extra legal Governance provides a systematic overview of the processes and structures commonly labeled organized crime drawing on the pertinent empirical and theoretical literature primarily from North America Europe and Australia The main emphasis is placed on a comprehensive classificatory scheme that highlights underlying patterns and dynamics rather than particular historical manifestations of organized crime Esteemed author Klaus von Lampe strategically breaks the book down into three key dimensions 1 illegal activities 2 patterns of interpersonal relations that are directly or indirectly supporting these illegal activities and 3 overarching illegal power structures that regulate and control these illegal activities and also extend their influence into the legal spheres of society Within this framework numerous case studies and topical issues from a variety of countries illustrate meaningful application of the conceptual and theoretical discussion     *Mafia Brotherhoods* Letizia Paoli,2008-06-01 Relying on previously undisclosed confessions of former mafia members now cooperating with the police Letizia Paoli provides a clinically accurate portrait of mafia behavior motivations and structure in Italy The mafia Paoli demonstrates are essentially multifunctional ritual brotherhoods focused above all on retaining and consolidating their local political power base A truly interdisciplinary work of history politics economics and sociology Mafia Brotherhoods reveals in dramatic detail the true face of one of the world s most mythologized criminal organizations     Routledge Handbook of Transnational Organized Crime Felia Allum,Stan Gilmour,2012-03-15 Transnational organized crime crosses borders challenges States exploits individuals pursues profit wrecks economies destroys civil society and ultimately weakens global democracy It is a phenomenon that is all too often misunderstood and misrepresented This handbook attempts to redress the balance by providing a fresh and interdisciplinary overview of the problems which transnational organized crime represents The innovative aspect of this handbook is not only its interdisciplinary nature but also the dialogue between international academics and practitioners that it presents The handbook seeks to provide the definitive overview of transnational organized crime including contributions

from leading international scholars as well as emerging researchers The work starts by examining the origins concepts contagion and evolution of transnational organized crime and then moves on to discuss the impact governance and reactions of governments and their agencies before looking to the future of transnational organized crime and how the State will seek to respond Providing a cutting edge survey of the discipline this work will be essential reading for all those with an interest in this dangerous phenomenon Crime, Inequality and the State Mary Vogel, 2020-10-28 Why has crime dropped while imprisonment grows This well edited volume of ground breaking articles explores criminal justice policy in light of recent research on changing patterns of crime and criminal careers Highlighting the role of conservative social and political theory in giving rise to criminal justice policies this innovative book focuses on such policies as three strikes two in the UK and you re out mandatory sentencing and widespread incarceration of drug offenders It highlights the costs in both money and opportunity of increased prison expansion and explores factors such as labour market dynamics the rise of a prison industry the boost prisons provide to economies of underdeveloped regions the spreading political disenfranchisement of the disadvantaged it has produced Throughout this book hard facts and figures are accompanied by the faces and voices of the individuals and families whose lives hang in the balance This volume an essential resource for students policy makers and researchers of criminology criminal justice social policy and criminal law uses a compelling inter play of theoretical works and powerful empirical research to present vivid portraits of individual life experiences
