New Face In The Mirror:

Sin; Walk of Shame Khrona Tensei, 2020-07-29 SIN WALK OF SHAME is a story that I created as an adolescent about the Seven Deadly Sins and people in Hell who must find the Seven Heavenly Virtues in order to escape slavery by the Sins. They journey through the various parts of Hell in their enslavement to SIN and see the workings of all of the Sins as well as the Virtues against the Sins. This story is a precursor to other stories that I have created and hope to spread a message with as well. I hope that the stories I create are influential to those who read them. Take an incredible adventure into the underworld with an interesting cast of characters in Bolton II's IN WALK OF SHAME. The characters journey through the various parts of hell in their enslavement to the Seven Deadly Sins. As they explore the netherworld they endure the pain and challenges that Lust, Gluttony, Greed, Sloth, Wrath, Envy, and Pride have prepared for them. They also encounter the skirmishes of Seven Heavenly Virtues against the Sins. Fans of Dante's Inferno and similar titles would definitely want this novel in their collection.

As a result, he is transformed into the hideous supernatural monster on Halloween night now known as the Peanut King.

One Life or The Lives of Chester Knowles Stephen Baum, 2011-06-17 What they're saying about One Life or The Lives of Chester Knowles. Surely it is a dubious literary device, a bit of an underhanded, indeed a cheap trick to use a reincarnation as the premise for a novel. But proving once again that he is above nothing, Mr. Baum seizes upon the idea of reincarnation and squeezes it for all it's worth in this strangely fascinating story about a Los Angeles architect, Chester Knowles, who dies and then somehow discovers himself in another man's body. The dramatic twists and turns of Chester's new second life take the reader on a psycho-philosophical, new age, crazy kind of roller coaster ride odyssey that will actually have the poor reader howling and screaming for more. Baum has created a gem, a tour de force of storytelling and literary craftsmanship. We recommend this book highly.

Crossing Cultures Judith Oster,2003 In this important new study Judith Oster looks at the literature of Chinese Americans and Jewish Americans in relation to each other Examining what is most at issue for both groups as they live between two cultures languages and environments Oster focuses on the struggles of protagonists to form identities that are necessarily bicultural and always in process Recognizing what poststructuralism has demonstrated regarding the instability of the subject and the impossibility of a unitary identity Oster contends that the writers of these works are attempting to shore up the fragments to construct through their texts some sort of wholeness and to answer at least partially the questions Who am I and Where do I belong Book Jacket

like it is made of rubber stealing your niece s nose and listening for the sounds of the ocean in a conch shell these are examples of folk illusions youthful play forms that trade on perceptual oddities In this groundbreaking study K Brandon Barker and Claiborne Rice argue that these easily overlooked instances of children s folklore offer an important avenue for studying perception and cognition in the contexts of social and embodied development Folk illusions are traditionalized verbal and or physical actions that are performed with the intention of creating a phantasm for one or more participants Using a cross disciplinary approach that combines the ethnographic methods of folklore with the empirical data of neuroscience cognitive science and psychology Barker and Rice catalogue over eighty discrete folk illusions while exploring the complexities of embodied perception Taken together as a genre of folklore folk illusions show that people starting from a young age possess an awareness of the illusory tendencies of perceptual processes as well as an awareness that the distinctions between illusion and reality are always communally formed **RAINBOWS** Katherine Stone,2025-04-30 She sat

by the telephone in her suite waiting for his midnight call watching the hands of the clock move so slowly toward twelve The knock didn't register at first and when it did she moved reluctantly to open the door It would be a bouquet of winter roses and a brief message of apology But it was the man she loved his blue eyes dark circled his beloved face pale and drawn Oh she breathed as she touched the taut skin beneath his eyes Oh you're here She led him into the room and into her bed and to the magical place of peace that was their love He had believed that gentle fragile place was gone trampled by the monstrous emotions that raged within him But for one night of exquisite intimacy the monsters were still and the churning restlessness was calmed and there was only the tenderness of their love Alexandra and Catherine Taylor are sisters and strangers Each longs for the closeness they have never had never knowing how to reach out to the other and discovering when at last they decide to try that it's almost too late for shocking secrets inner demons and tragic loves stand in their way As the star of Pennsylvania Avenue TV's hottest prime time drama Alexa has it all beauty fame and fortune Her off screen life is even more dramatic She's in love with a powerful man who cannot promise her more than their secret nights of pleasure Alexa accepts this compromise without question not knowing that her clandestine passion will drive a deeper wedge between herself and Catherine Gifted concert pianist Catherine has always let her music shield her from the world But even her magnificent gift and her beloved music cannot shield her from the devastating truth of who she is and who she is not Catherine hides the terrible secret even as she searches for answers Her courageous journey will take her to a glittering Mediterranean isle and into the arms of a man who will make her whole Desire and heartbreak passion and love Alexa and Catherine must travel those perilous journeys of the heart before they can be the sisters they want to be and find the happiness that awaits them both at the end of their rainbows David Goodis: Five Noir Novels of the 1940s & 50s (LOA #225) Robert
