Second Language Learning and Language Teaching Vivian Cook, 2016-05-05 Second Language Learning and Language Teaching provides an introduction to the application of second language acquisition research to language teaching. Assuming no previous background in second language acquisition or language teaching methods, this text starts by introducing readers to the basic issues of second language acquisition research. It then examines how people learn particular aspects of the second language, such as grammar, vocabulary, pronunciation, and the writing system, and the strategies they adopt in their learning and the differences between individuals. Final chapters look at second language learning in a broader context, the goals of language teaching, and how teaching methods relate to SLA research. This newly updated fifth edition builds on the comprehensive scope of earlier editions while also addressing more recent developments in the field, particularly multilingual approaches to language teaching.

Rising Son Hank Reineke, 2023-11-07 One of America's most beloved folk singers, Arlo Guthrie, was at the pinnacle of his fame in the late 1960s and early 1970s with his best-selling album *Alice's Restaurant* and his iconic appearance at Woodstock. Yet Guthrie's career as a musician, humorist, and storyteller extends far beyond his years in the celebrity spotlight. *Rising Son: The Life and Music of Arlo Guthrie*, written by award-winning author Hank Reineke, recounts the veteran musician's second act from the early 1980s to the present. Featuring extensive reflections and commentary from Guthrie himself, this book is the only authorized biography of the renowned folk singer. As a modern-day troubadour drawn to experimentation, Arlo Guthrie has also carried forward the traditions inherited from his legendary father, Woody Guthrie. *Rising Son* examines Arlo's role in preserving Woody's legacy of social protest and examines his collaborations with his father's friend Pete Seeger. The book also highlights the contributions of Guthrie's mother, Marjorie Mazia Guthrie, a dancer with the Martha Graham Company, and the Guthrie family's first archivist. Drawing on substantial research, the author traces Guthrie's efforts to free himself from corporate oversight of his music and art. In 1983, Guthrie created his own label, Rising Son Records, to reissue titles from his back catalog and create new music. Guthrie speaks frankly about record company blues and music industry tangles, offering lively accounts of the people he met and the places he performed. The narrative takes several detours, with Guthrie sharing memories written in the spirit of his signature shaggy dog storytelling style. *Rising Son* also illuminates the spiritual journey of a restless pilgrim, a man devoted to exploring and synthesizing the most benevolent principles of charity and kindness as practiced by different religious traditions. What I've tried to do, Guthrie has reflected, is to use live music to change people's lives. This definitive biography invites new appreciation for Arlo Guthrie's remarkable career as a musician, storyteller, and humanitarian activist.
