Student's Book with iTutor Pack (Germany & Switzerland)**, 2014-10 **Grammar in ELT and ELT Materials** Graham Burton, 2023-06-06 This book investigates the content of the grammar syllabus typically employed in mainstream English Language Teaching Using a mixed methods approach the author examines how the syllabuses used in coursebooks are actually constructed how they evolved and how valid their contents are as a basis for teaching The research reported consists of a broad exploration of primary sources in order to outline the evolution of ELT pedagogical grammar ten interviews with key ELT authors and publishing professionals which allows for the investigation of the decision making processes underlying the choice of grammar content in ELT teaching materials and finally the presentation of case studies which examine three areas of grammar analysing the evolution of their treatment in ELT materials both historical and contemporary and comparing their current treatment to data on real learner use This book contributes to the literature on syllabus design and pedagogical grammar and builds on existing research into materials design It will be of interest to researchers and professionals working in the fields of applied linguistics pedagogical grammar curriculum design and materials design **New Headway** John Soars, 2014 *New Headway* John Soars, Liz Soars, 2014-09 This product combines the New Headway Upper Intermediate Student's Book iTutor resources and an Online Practice Pack to equip students for learning *New Headway: Upper-Intermediate Third Edition: Teacher's Book* Liz Soars, John Soars, 2005-05-26 Notes with hints suggestions and possible problems feature Photocopiable activities for every unit Stop and Check sections Progress Tests **New Headway: Upper-Intermediate Third Edition: Student's Book A** Liz Soars, John Soars, 2005-10-13 Clear focus on grammar Balanced integrated skills syllabus Real world speaking skills Everyday English Spoken English Music of English Full teacher support resources photocopiables tests and more in print and online Hot words and Hot verbs present and practise vital collocations **Neoliberalism and Applied Linguistics** David Block, John Gray, Marnie Holborow, 2013-03-01 This book explores neoliberalism a view of the world that puts the market at its centre from the perspective of applied linguistics Neoliberalism and Applied Linguistics argues that while applied linguistics has become more interdisciplinary in orientation it has ignored or downplayed the role of political economy namely the way in which social political and economic factors relate to one another within the context of a capitalist economy The authors take

the view that engagement with political economy is central to any fully rounded analysis of language and language related issues in the world today and their collaboration in this volume represents an initial attempt to redress what they perceive to be an imbalance in the field The book begins with a discussion of neoliberalism and an analysis of the ways in which neoliberal ideology impacts on language This is followed by a discussion of how globalization and identity have been conceptualised in applied linguistics in ways which have ignored the political centrality of class a concept which the authors see as integral to their perspective The book concludes with an analysis of the ways in which neoliberal ideology plays out in two key areas of applied linguistics language teaching and language teacher education Neoliberalism and Applied Linguistics is essential reading for advanced undergraduates postgraduates and researchers in applied linguistics [UZRT 2014](#) Stela Letica Krevelj, Jelena Mihaljevic Djigunovic, 2015-04-08 [Headway](#) Liz Soars, John Soars, Jo McCaul, 2019-07-11 Trusted worldwide Inspired by you Updated with new texts topics and themes Headway fifth edition provides fresh and relevant English instruction that is tailored to your students needs NEW TO THIS EDITION Teach practical real life English that is relevant to your students lives with new topics and themes grounded in today s reality Bring unit topics to life with the new unit opener page which includes inspiring photographs and accompanying video introductions to engage students with the topic Download and adapt material for your students with the Teacher s Resource Centre which provides all your Headway resources stored in one place Online practice enables students to revisit activities from previous lessons do extra skills practice and check their progress with instant feedback Find out more here **New Headway english course upper-intermediate.** Liz Soars, John Soars, 2000 New Headway English Course takes the successful Headway series into an exciting new era It introduces new features to challenge adult and young adult students and ensure that learning English is interesting and motivating The course combines the best of traditional methods with more recent approaches to help students use English both accurately and fluently Learners at the upper intermediate level require a different approach It is no longer appropriate to examine language items in isolation In New Headway Upper intermediate grammatical areas are treated in greater depth so that students begin to perceive the systems that underlie the language This new upper intermediate course provides around 120 hours of language learning It follows on from New Headway Intermediate and together with Headway Elementary Headway Pre intermediate and Headway Advanced provides a fully comprehensive language teaching series Key features New universal topics selected from a wide variety of sources including authentic listening texts In depth treatment of grammar Each unit starts with a Test your grammar section followed by Language in context where students work out rules through Grammar questions The Practice Bank provides a choice of wide ranging exercises and the Grammar Reference gives detailed rules of form and use The grammar of spoken English is examined with work on areas such as being polite linking and commenting adverbs exaggeration and understatement and lexis in discourse Thorough skills syllabus All four skills are developed systematically and integrated through related tasks Well defined lexical
