**Sabine Zange**

## **New Intensive Japanese:**

New Intensive Japanese 新 intensive Japanese, 1984      **New Intensive Japanese. Revised [and] Enlarged** Kenji Ogawa, 1970

**Spanning Japan's Modern Century** Hugh Borton, 2002-01-01 In 1942 Hugh Borton then a 39 year old assistant professor of Japanese history was called to serve in the State Department Here he rose rapidly to become one of the principal architects of United States policy toward post war Japan Drawn from Borton s personal papers this work provides a fresh and intimate picture of the man who played a pivotal role in defining the meaning of unconditional surrender for Japan retaining the Emperor and designing Japan s post war constitution It sheds fascinating new light on the development of the United States post war Japanese policy and the often fractious relationships between the various agencies tasked with its creation and implementation The author of Japan s Modern Century director of Columbia University s East Asian Institute and later president of the Association for Asian Studies Hugh Borton dedicated his life to strengthening the academic cultural and humanitarian ties between Japan and the United States      Nipponalia Kyōto Gaikokugo Daigaku. Toshokan, 1980      **The**

**Return of Ainu** Katarina Sjöberg, 2013-10-31 First Published in 1993 This book is the outcome of a project called Intercultural Relations in Japan with Special Reference to the Integration of the Ainu The author s main concern is the phenomenon called Fourth World Populations After having read a book entitled Aina by the French linguist Pierre Naert she decided to investigate further the Ainu people and their integration into the Japanese nation state      *The Beatles in Japan* Carolyn S. Stevens, 2017-11-22 Following their first tour to Japan in 1966 the Beatles would become an important part of Japan s postwar cultural development and its deepening relationship with the West By the 1960s Japan s dramatic rise in prosperity and the self confidence of the country s economic miracle period were yet to come it was not at this stage considered a fully fledged partner of the West All these potential developments were consolidating around the time of the 1966 tour The Beatles concerts in Tokyo contributed to the construction of a new Japanese national identity and introduced Japan as a new potential market to UK and US music producers broadening the country s transnational cultural links This book explores the Beatles engagement with Japan within the larger context of the country s increased global connection and large scale economic social and cultural change It describes the great impact of the Beatles contentious 1966 tour which took place amid public displays of both euphoric Beatlemania and angry protests and discusses the lasting impression of this tour on Japanese culture and identity to the present day The Beatles relationship with Japan did not end after their departure this book also examines the Beatles subsequent contacts with Japan including John Lennon s marriage and artistic partnership with Yoko Ono and Paul McCartney s later Japanese tours and the warm reception the ex Beatles and their musical legacy have received over the years      The Japanese Administration of Guam, 1941-1944 Wakako Higuchi, 2013-02-01 During World War II Guam was the only American territory where Japan administered the occupied local people Organic integration was the purpose and goal of the Japanese Navy s two and a half year administration of the local Chamorro people but the

navy's attempts failed before U.S. reinvasion in July 1944. By emphasizing the extent of Japan's Mandate in Micronesia, this book examines the Japanese Navy's social, economic, and cultural approaches to organic integration. Using abundant primary data, the author gives a clear and verifiable picture of the whole occupation period and the Japanese ruling ideology for not only Guam but the entire region and finds new ways to consider just why Japan went to war. Personal testimonies and documents are included to illustrate the Japanese mentality of war as it unfolded.

**Japanese Investment in the World Economy** Roger Farrell, 2008-01-01. As the title suggests, this is an ambitious book. Broad in scope and rich in detail, it examines the rise and fall of Japanese foreign direct investment (FDI) in nearly two dozen industries from electronics and automobile manufacturing to real estate and construction services in almost every region of the world over the past half century or more. The result is an encyclopedic volume, 459 pages with index, useful for East Asian business scholars or those interested in the overseas activities of Japanese firms. Farrell has written a sweeping survey of Japanese FDI. *Walter Hach*, *Journal of Japanese Studies*. Roger Farrell has written a weighty compendium on Japanese direct foreign investment. At over 450 pages, it covers the full array of Japan's diverse industries and sectors from fisheries and lumber to steel and automobiles and in the service industries from banking to telecommunications. Apart from the breadth of coverage, this work is even more remarkable considering that Japanese multinationals and their overseas investments have been largely under the radar of social scientists of late, especially so since the ascent of China in the early years of the present decade. *David W. Edgington*, *Growth and Change*. Enhanced with indexes, appendixes, and editorial opinions on the subject, *Japanese Investment in the World Economy* is a complete and comprehensive scholarly reference ideal for college and community library economics collections. *Midwest Book Review: The Economics Shelf*. This book examines Japanese Foreign Direct Investment (FDI) in the world economy over more than five decades. It provides a unique focus on the internationalisation experience of selected industries such as forestry, textiles, electronics, motor vehicles, steel, and services, as well as case studies of individual firms. Roger Farrell considers the theoretical explanations for Japanese FDI and particular motivations which have been an ongoing rationale for FDI, including energy and resource security, the theme of retaining market access, the relocation of manufacturing to retain international competitiveness, withdrawal after the bubble economy, the new phase of investment in the 2000s. *Japanese Investment in the World Economy* is distinctive in that it examines overseas investment by firms in the primary manufacturing and services sectors over the period in which the Japanese economy became the second largest in the world. The book provides a succinct overview of Japanese FDI of interest to professionals and students of business, economics, international relations, politics, and Japanese culture.

**The Other Powers** Ronald P. Barston, 2024-05-01. Originally published in 1972, this book examines the scope and possibilities for small states in the conduct of their foreign policies. In the introduction, the editor discusses the problem of defining the term small state and outlines the restraints they face and the type of international roles they play. The subsequent chapters analyse the foreign policies of Norway, the Netherlands,

Switzerland Zambia Israel Cyprus Cuba Singapore and New Zealand In each study the author examines the factors which shape that country's foreign policy objectives the organizational structures employed to formulate and implement foreign policy the type and level of international involvement and the methods used to deal with the political economic and security issues which make up and stem from the external policies The book will be of interest to specialists and students of government foreign policy analysis and other branches of international relations *Japanese Tourists* K.S. Chon, 2020-12-19 Find out how to entertain all types of Japanese tourists from student groups to retirees Would a Japanese traveler rather see pictures of beautiful landscapes or smiling Japanese couples in a tourist brochure Will you attract more Japanese tour groups by promising them independence and adventure or excellent food Given the importance of Japanese tourists to the global travel industry understanding their travel related behavior has become an essential item in the tourism research agenda *Japanese Tourists Socio Economic Marketing and Psychological Analysis* investigates the specific needs behaviors and desires of this growing segment of the international tourism market Japanese tourists spend billions of dollars abroad every year and travel destinations as far apart as Australia and Manhattan compete fiercely for their custom By taking cultural traits into account travel industry professionals can better understand exactly what kinds of amenities accommodations service and total experience Japanese travelers are looking for This volume of original research and well grounded theory elucidates the specific factors that go into Japanese travel and buying decisions whether the travelers are Japanese office ladies seeking bargains in Hong Kong or a group of senior citizens hoping to see the Northern Lights *Japanese Tourists Socio Economic Marketing and Psychological Analysis* discusses a full range of issues crucial to attracting Japanese tourism including how stage of life affects travel behavior why Japanese people book overseas weddings and group honeymoon tours whether legalized gambling would increase or discourage Japanese tourism in Hawaii how issues of perceived safety affect choice of travel destinations what souvenirs mean in Japanese culture which travel images are most likely to attract Japanese tourists what sources of information Japanese travelers use to help them select destinations *Japanese Tourists* offers the most up to date international studies on the socioeconomic marketing and psychological factors affecting Japanese people traveling abroad This volume is an invaluable resource for travel professionals seeking to break into the tough but lucrative Japanese outbound tourism market *Exploring Japanese Culture: Not Inscrutable After All* Nicos Rossides, 2025-03-28 Dr Nicos Rossides spent seven unforgettable years in Japan from the late 1970s witnessing the country's emergence as a major player on the world stage From a humbled post war nation Japan transformed into an economic powerhouse Rossides observed this staggering growth the subsequent lost decade and Japan's rebound as a significant global player wielding soft power through its cultural exports while maintaining substantial economic influence Rossides eventually married into a Japanese family and developed a network of close Japanese friends and associates Through a series of insightful analyses and personal anecdotes the author offers readers multiple perspectives on Japanese culture and society He presents a vivid

portrayal based on his first hand experiences which he later processed into a layered narrative of cultural insights and observations This new edition builds upon the original work offering fresh chapters and updated content that reflect the ongoing evolution of Japanese society It showcases the author s multifaceted exploration of the complexities of Japanese cultural and social practices     *The Agricultural Review* ,1914     **Languages and Identities in a Transitional Japan** Ikuko Nakane,Emi Otsuji,William S. Armour,2015-08-20 This book explores the transition from the era of internationalization into the era of globalization of Japan by focusing on language and identity as its central themes By taking an interdisciplinary approach covering education cultural studies linguistics and policy making the chapters in this book raise certain questions of what constitutes contemporary Japanese culture Japanese identity and multilingualism and what they mean to local people including those who do not reside in Japan but are engaged with Japan in some way within the global community Topics include the role of technology in the spread of Japanese language and culture hybrid language use in an urban context the Japanese language as a lingua franca in China and the identity construction of heritage Japanese language speakers in Australia The authors do not limit themselves to examining only the Japanese language or the Japanese national cultural identity but also explore multilingual practices and multiple fluid identities in a transitional Japan Overall the book responds to the basic need for better accounts of language and identity of Japan particularly in the context of increased migration and mobility     **The Economics of Take-Off into Sustained Growth** W. Rostow,R. Baker Jr,2016-04-30     *Systemic Changes in the German and Japanese Economies* Werner Pascha,2004-08-05 Where will systemic change lead This book offers fresh insights by collecting Japanese and German contributions to this scholarly discussion both from theoretical and empirical viewpoints     *Current History and Forum ...* ,1924     **Japan's Quest** Warren S. Hunsberger,1996-12-23 An international team of ten specialists in Japanese and American foreign relations address the crucial question what role should Japan play in international affairs This question has not found a fully satisfactory answer since the forced opening to foreign contacts in the mid nineteenth century Having copied foreign models and achieved a series of stunning successes and some failures in many aspects of private and public life Japan today stands at a pinnacle of economic power and affluence Despite this both economics and politics are undergoing major strains and changes during the 1990s and the quest for true internationalization is fraught with problems and only partially fulfilled This book is a joint project of the American University in Washington and Ritsumeikan University in Kyoto     *Locating Southeast Asia* H.G.C. Schulte Nordholt,R. Raben,2020-06-22 Southeast Asia calls to mind a wide range of images tropical forests and mountains islands and seas and a multitude of languages cultures and religions The area has never formed a unified political realm nor has it ever developed a cultural or civilisational unity Many academics have defined Southeast Asia over the years as what is left after subtracting Australia the South Pacific islands and China and India Others have pointed at diversity the variety and fluidity of the cultures wide ranging forms of economic activity and openness to external influences as the defining feature of the region

But with area studies out of fashion is Southeast Asia even relevant any longer This volume considers Southeast Asia drawn from a number of regional and disciplinary perspectives The authors look at the region from the standpoint of Thailand and the Philippines Singapore and Hong Kong Japan and the Asian mainland the South China Sea and the seacoasts of the region They also discuss the significance of borders monetary networks transnational flows of people goods and information and knowledge in shaping Southeast Asia both for its residents for the scholars who study it and for the wider world

**Japanese Modality** B. Pizziconi, M. Kizu, 2009-10-15 This book explores the nature and scope of modality in Japanese It contains a review of the history of Japanese modality studies as well as theoretical and empirical research and is the first collection of studies on Japanese modality written in English and offers a stimulating contrast to existing studies on Western languages     *The Russo-Japanese War, 1904-5* Ian Nish, 2022-08-15 An in depth look at reports documents etc describing one of the most important conflicts of the twentieth century It was the first time that the East Japan fought and defeated the West Russia It has been described as the first step on the way to the First and Second World Wars The print edition is available as a set of eight volumes 9781901903065
