Subcommittee on the Environment and the Atmosphere, 1978 Toward a Healthier Garden State Michael R. Greenberg, Dona Schneider, 2023-04-22 While New Jersey now frequently appears near the top in listings of America's healthiest states this has not always been the case The fluctuations in the state's overall levels of health have less to do with the lifestyle choices of individual residents and more to do with broader structural issues ranging from pollution to urban design to the consolidation of the health care industry This book uses the past fifty years of New Jersey history as a case study to illustrate just how much public policy decisions and other upstream factors can affect the health of a state's citizens It reveals how economic and racial disparities in health care were exacerbated by bad policies regarding everything from zoning to education to environmental regulation The study further chronicles how New Jersey struggled to deal with public health crises like the AIDS epidemic and the crack epidemic Yet it also explores how the state has developed some of the nation's most innovative responses to public health challenges and then provides policy suggestions for how we might build an even healthier New Jersey New Jersey Governor Brendan Byrne Donald Linky, 2014-10-13 Known by mobsters as the

man who couldn't be bought Brendan Byrne led New Jersey into a new era when he won the state's gubernatorial election by a landslide in the wake of political corruption scandals A former prosecutor and judge Byrne was soon condemned as one term Byrne the inept politician who few thought would risk the humiliation of standing for a second term Yet Byrne surprised both friend and foe alike by pulling off the state's most remarkable political comeback winning re election and leaving a legacy of preserving the vast resources of the Pinelands enacting the state's first income tax and comprehensive school financing reform developing the Meadowlands approving casino gambling in Atlantic City and initiating strong environmental controls to combat pollution
