alternative to an outmoded and currently inadequate just war model Case studies of Hitler and Bonhoeffer tentatively establish the model s ability to steer humanity away from unnecessary destruction toward justice compassion and peace

The Corporation Joel Bakan, 2019-09-03 The inspiration for the film that won the 2004 Sundance Film Festival Audience Award for Best Documentary The Corporation contends that the corporation is created by law to function much like a psychopathic personality whose destructive behavior if unchecked leads to scandal and ruin Over the last 150 years the corporation has risen from relative obscurity to become the world's dominant economic institution Eminent Canadian law professor and legal theorist Joel Bakan contends that today s corporation is a pathological institution a dangerous possessor of the great power it wields over people and societies In this revolutionary assessment of the history character and globalization of the modern business corporation Bakan backs his premise with the following observations. The corporation s legally defined mandate is to pursue relentlessly and without exception its own economic self interest regardless of the harmful consequences it might cause to others The corporation's unbridled self interest victimizes individuals society and when it goes awry even shareholders and can cause corporations to self destruct as recent Wall Street scandals reveal Governments have freed the corporation despite its flawed character from legal constraints through deregulation and granted it ever greater authority over society through privatization But Bakan believes change is possible and he outlines a far reaching program of achievable reforms through legal regulation and democratic control Featuring in depth interviews with such wide ranging figures as Nobel Prize winner Milton Friedman business guru Peter Drucker and cultural critic Noam Chomsky The Corporation is an extraordinary work that will educate and enlighten students CEOs whistle blowers power brokers pawns pundits and politicians alike The New Lexicon Webster's Dictionary of the English Language Lexicon Publications (Firm), 1987 Newly Revised Edition Learning at Home Marty Layne, 2007-07 Just starting to homeschool unschool learn at home For 21 years Learning At Home A Mother's Guide To Homeschooling has been helping parents make the transition from brick and mortar schools to a family based way of learning In the words of reviewers and readers This
