C. Santangelo,2019-06-07 In 1917 women won the vote in New York State Suffrage and the City explores how activists in New York City were instrumental in achieving this milestone Santangelo uncovers the ways in which the demand for women s rights intersected with the history politics and culture of New York City in the Gilded Age and Progressive Era The fight for the vote in the nation s largest metropolis demanded that suffragists both mobilize and contest urban etiquette as they worked to gain visibility and underscore their cause s respectability From the Polo Grounds to the Lower East Side organizers championed political equality to anyone who would listen in the early twentieth century Their Fifth Avenue parades showcased the various Manhattan subcultures including industrial laborers teachers nurses and even socialites that they transformed into a broad coalition by the 1910s Films and newspapers broadcasted their tactics to rest of the country just as the national suffrage organization decided to draw on Gotham s resources by moving its own headquarters to midtown and thereby turning Manhattan into the movement s capital The city s mores rhythms and physical layout helped to shape what was possible for organizers campaigning within it At the same time suffragists helped to redefine the urban experience

for white middle class women Combining urban studies geography and gender and political history Suffrage and the City demonstrates that the Big Apple was more than just a stage for suffrage action it was part of the drama As much as enfranchisement was a political victory in New York State it was also a uniquely urban and cultural one **New York Magazine** ,1971-11-29 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine s consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea **New York Musical Review and Choral Advocate** ,1856 **New York Magazine** ,1977-04-18 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine s consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea **New York Magazine** ,1991-06-24 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine s consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea New York Magazine ,1974-03-25 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine s consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea **New York Magazine** ,1977-11-28 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine s consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea **The President's 1978 Tax Reduction and Reform Proposals** United States.
