America is a struggle for a lifetime It is not just a struggle for a moment a day a month a year A moral voice must be heard for the quest for equality and must be relevant to an entire new generation of Americans Black White Asians Latinos and Native Americans There is no such thing as perfection for all situations because the challenges are too great Many unforeseen things are coming but with the Creator s help we will prevail we will not fail Our Creator has given us air to breathe love and substance to live by and our very existence is a gift Our talents are based on our faith and willingness to let God s power work in us We must make a concerted effort to value each other as we all have the Creator s finger print on us We are a community a nation America **Atkinson's Evening Post, and Philadelphia Saturday News** ,1928 *The Country Gentleman* ,1927 ANOTHER LOOK: Growing up in The Jim Crow South Betsy Bunn,2015-12-10 These writings are portraits of light and dark and the bittersweet realities of childhood and adolescence Stories reveal how the joy of black white friendships gives way to larger cultural forces and the necessary secrets and behaviors that keep the scaffolding of everyday life from toppling A trip to see her father late in his life opens long buried wounds and questions about the family childhood experiences and the corrosiveness of secrets and denials Her essays dare to look at the past in sweet and unsweet ways careful to let go of nostalgia when trumped by later insights She holds on to what she finds true and though the costs of truth seeking are great we come to see the mirror of her life constantly changing as she adds insight to inform what she sees reflected back to her Would that we could do the same and stand before a mirror that more accurately reveals what we dare to learn Kendall Dudley *That Knock at the Door* Holly S. Fenelon,2012 A blue star for each family member serving in America s military a gold star if that life was lost in defense of the nation s freedom IN WORLD WAR I the American tradition of the service flag began Families displayed a simple fabric banner with a blue star for each family member serving in the U S Armed Forces If a family member died in the nation s service a gold star covered that individual s blue star on the family service flag Not a symbol of mourning the gold star represented the family s pride and the honor and glory accorded to that individual for making the supreme sacrifice in defense of the America s freedom Soon the term gold star mother came to be used to identify and honor women who had lost a son or daughter in wartime military service Following the war as the nation focused its attention on those veterans who had returned whole in mind and body gold star mothers served as a constant reminder of the true cost of war In 1928 a group of these women formed American Gold Star Mothers Inc an organization created to honor those who had died by being of service to veterans and their families in need supporting gold star families and caring for veterans who had returned with physical emotional and psychological wounds From that humble beginning American Gold Star Mothers Inc has become an icon of national service opening its membership time and again to gold star mothers of later wars and conflicts including Iraq and Afghanistan Their amazing legacy of service is an important yet largely unknown chapter in American history This book presents the story of gold star mothers in America and the first comprehensive history of American Gold Star Mothers Inc drawn from nearly a century of archival materials The fascinating
