Our Responsibility To One Another:

Sin and the Church Crystal Maria Scott, 2014-06-05 Sin and the Church Perspectives and Principles for Powerful Christian Living is a timely message for today This book is born out of Crystal Scott's own personal Christian experience and journey and is a reflection of God's grace patience and providence she discloses that while forever a work in progress she has received revelation and understanding through her relationship with God that affords her the opportunity to enlighten others as she has been enlightened WHAT YOU DON'T KNOW CAN HURT As related to the issue of Sin and the Church I consider this more than a mere cliché what you don't know can indeed hurt you and this hurt is more and more apparent in the Church which is the body of Christ His believers and followers There is a rapid increase of spiritual decline in the Church that is quite alarming and its impact is far reaching All too often there seems to be very little difference between Church people and those who do not claim to be followers of Christ I contend without apology that there is an expectation of the Church that God has which is not being carried out as it should be In the face of what seems gloom and doom for the Church God raises a word of enlightenment and encouragement God knows there are some who are innocently led astray by erroneous doctrine and confused and He cares He also cares about those who innocently or deceptively lead others astray and He offers grace forgiveness and restoration to the repentant heart Included in this book are the following True Christian Doctrine Lifestyles that are not indicative of Christianity and holiness Essential keys for powerful Christian living Statistical Data Personal testimonies and interviews and much more SIN and the CHURCH PERSPECTIVES and PRINCIPLES for POWERFUL CHRISTIAN LIVING GOOD NEWS in confusing and troubled times

GENTLE SHEPHERD MINISTRIES DISCIPLESHIP AND SUPPLEMENTATION COURSES Rayola Kelley,2013-07-30 In your hands you hold the combination of the works of Rayola Kelley and Jeannette Haley Co founders of Gentle shepherd Ministries in 1989 they have striven to make the glorious truth of Jesus Christ and His redemption a living reality to the hearts of His followers Included in this book are the Gentle Shepherd Ministries Discipleship Course that has been requested and used by people throughout the world along with Bible Studies excerpts from sermons and articles Every bit of material in this resource of information has been compiled with one goal in mind and that is to build up and nurture the life of Christ in the members of His Body the Church Although some information will seem repetitious one must remember the subjects and themes are eternal truths that can and must be approached from different angles to ensure a sound spiritual foundation and a sturdy structure that clearly expresses the new creation mentioned in 2 Corinthians 5 17 The information and challenges put forth in this book will not only nurture the serious disciple of Jesus but it will bring a well rounded understanding as to the fundamental beliefs that make up the Christian faith **Thirty Shades of Grace** Alfred Chapman,2017-11-10 Love the Lord your God with all your heart and with all your soul and with all your mind This is the first and greatest commandment

And the second is like it Love your neighbor as yourself All the Law and the Prophets hang on these two commandments This book of short sermons is grounded in that belief It is also grounded in the advice my father gave me Son dont make them happy twice Happy when you get up and happy when you sit down Building Up One Another Gene A. Getz,2002 Building Up One Another focuses on significant actions that Christians are called to take toward one another to help build up the body of Christ The author explores 12 specific one another Bible commands and gives practical steps for developing them This new updated version contains a personal and group study guide Women's Activism, Feminism, and Social Justice Margaret A. McLaren,2019 A wide range of issues besieges women globally including economic exploitation sexist oppression racial ethnic and caste oppression and cultural imperialism This book builds a feminist social justice framework from practices of women s activism in India to understand and work to overcome these injustices The feminist social justice framework provides an alternative to mainstream philosophical frameworks that promote global gender justice for example universal human rights economic projects such as microfinance and cosmopolitanism McLaren demonstrates that these frameworks are bound by a commitment to individualism and an abstract sense of universalism that belies their root neo liberalism Arguing that these frameworks emphasize individualism over interdependence similarity over diversity and individual success over collective capacity McLaren draws on the work of Rabindranath Tagore to develop the concept of relational cosmopolitanism Relational cosmopolitanism prioritizes our connections while crucially acknowledging the reality of power differences Extending Iris Young s theory of political responsibility McLaren shows how Fair Trade connects to the economic solidarity movement The Self Employed Women s Association and MarketPlace India empower women through access to livelihoods as well as fostering leadership capabilities that allow them to challenge structural injustice through political and social activism Their struggles to resist economic exploitation and gender oppression through collective action show the vital importance of challenging individualist approaches to achieving gender justice The book is a rallying call for a shift in our thinking and practice towards re imagining the possibilities for justice from a relational framework from independence to interdependence from identity to intersectionality and from interest to socio political imagination The Christ Letter Douglas D. Webster,2012-10-09 The Christ Letter is a conversation partner for pastors and students of the Bible who want to wrestle with the meaning of the biblical text for Christian living today Scholarly commentaries perform an essential task but they often leave today s believers on their own when it comes to making Paul s letter come alive Doug Webster weaves together deep biblical insights penetrating cultural perspectives and stories of transformation into a pastoral commentary that promises to release the powerful message of Ephesians This commentary offers lines of thought illustrations and applications that carry the gospel into the present situation Webster draws out the personal and practical impact of Paul s spiritual direction for today The Christ Letter gives pastors a fresh perspective and a better handle on how to preach Ephesians effectively Webster inspires and guides faithful disciples in what it means to follow Jesus in a Christ
