Russell, In different ways Judaism Christianity and Islam all trace their beginnings to Abraham His wives Hagar and Sarah though also pivotal in the story have received far less attention In this book however noted Jewish Christian and Muslim scholars focus on Hagar Sarah and their children from Ishmael and Isaac to their many descendents through the centuries Moving from ancient and medieval sources to contemporary appropriations of the Sarah and Hagar story the authors begin with an overview of the three religions from their scriptural beginnings to their contemporary questions They then explore how the story was developed after its canonization in rabbinic interpretations in the stories of Islam and in the teachings of the early church fathers They also present contemporary womanist and feminist perspectives

Timely relevant and provocative this book provides an entree into interreligious discussion and understanding A Life Outside 4: More Stories from the Outdoors Matt Artz, 2013-08-24 From the wilds of Africa to local trails and boulders the fourth installment in the A Life Outside series is the perfect companion for those unfortunate times when you can't do what you really want to do get outside and enjoy the natural world An American myth perpetuated in the Botswana wilderness Wildlife in the wild and even wilder wildlife in wild dreams Interviews with rock climbing royalty Bouldering Bikes Beer Injuries More Bouldering More bikes And more beer Compassion Love Death It's all here In the end A Life Outside 4 is about finding your place in the outdoors the place that defines you the place where you could spend your life and the place where you could die Return to Me: The Unconditional Love Story of Hosea Reba Bowman, 2012 When God does his work in the heart and life of a person his intent is radical change Jesus did not die on the cross so that we could be improved versions of our old selves Instead he came to give us a new heart and a new life Do you see yourself in need of radical change From the first chapter of Hosea we are drawn into an amazing love story unlike any other in Scripture With every twist and turn God's love is revealed as unconditional faithful and true This in depth study of Hosea looks closely at the unusual story of Hosea and Gomer and reveals the truths God wants his chosen people to understand From the pagan groves to the back alleys you will marvel as God seeks call and longs for the return of the one he loves The narrative of Hosea and its depiction of Israel is far from being just an ancient love story The themes of redemption reconciliation and revival are as relevant today as they were in the times of Hosea This eleven week study includes a weekly lesson and daily assignments It is formatted to be used in a group setting or individually Search for a Common Language Melody Graulich, Paul Crumbley, 2005-07-30 A stellar group of writers scientists and educators illuminate the intersections between environmental science creative writing and education considering ways to strengthen communication between differing fields with common interests The contributing authors include Ken Brewer Dan Flores Hartmut Grassl Carolyn Tanner Irish Ted Kerasote William Kittredge Ellen Meloy Louis Owens Jennifer Price Robert Michael Pyle Kent C Ryden Annick Smith Craig B Stanford Susan J Tweit and Keith Wilson How to Find Yourself Brian S. Rosner, 2022-05-05 A Christian Answer to the Identity Angst of Our Culture In the 21st century West identity is everything Never has it been more important culturally speaking to know who you are and remain true to yourself Expressive individualism the belief that looking inward is the way to find yourself has become the primary approach to identity formation and questioning anyone's self made self is often considered a threat or attack Prompted by his own past crisis of identity Brian Rosner challenges the status quo by arguing that while knowing yourself is of some value it cannot be the sole basis for one's identity He provides an approach to identity formation that leads to a more stable and satisfying sense of self This approach looks outward to others acknowledging that we are social beings and looks upward to God to find a self who is intimately known and loved by him How to Find Yourself equips readers from a variety of backgrounds to engage sympathetically with some of the most pressing questions of our day Challenges the Status Quo

Examines and critiques expressive individualism the leading strategy for identity formation Gospel Centered Identifies an approach to identity formation in Jesus s life story and God s personal knowledge of his children Accessible Helpful for a wide audience of laypeople students and church leaders Foreword by Carl R Trueman Opens with a message from the author of The Rise and Triumph of the Modern Self *Book Review Digest* ,1910 Science John Michels (Journalist),1910
