WANTED BACK-BENCHER AND LAST-RANKER TEACHER KAVITA BHUPTA GHOSH, 19-11-15 When indiscipline at Roderick International School Mussoorie becomes an alarming issue for members of the Board educators and parents alike CEO Jacob Roderick decided to bring in an experimental teacher Roma Mathur against the wishes of the Board of Directors to curb the growing aggression hostility and vandalism Will someone like Roma Mathur written off by her teachers as a Moron and Good for nothing be able to inspire learning in students who loath studying and sitting in classrooms Will this maverick academic who had been extremely mischievous as a student herself be able to instill values and discipline in her students Is there any place for someone as unconventional as Roma Mathur among the esteemed and sophisticated faculty at the prestigious International School Has Jacob Roderick made a grave mistake in recruiting someone who plays drums watches Tom and Jerry beat up Goons in the pub and rides a sports bike over the gold medalist experienced teachers who had applied What was it the school needed at this desperate hour It is time for the students of RIS to take a call on what kind of teachers they need in their classrooms

The Elephant in the Classroom Stumpf, 2014-11-04

So the other day I was talking with Ashley toward the end of class and mentioned she d been absent a lot so I asked if she had been ill She said No We ve been getting the place ready for my parents They re coming home Really I was a bit puzzled Yeah she said I pick dad up from prison on Monday and mom on Wednesday When a kid walks into class he or she is carrying

baggage This is the reality The most important thing for teachers to teach kids is that learning is fun and that they can do it If they don't learn this it doesn't matter what else is taught Someone Else's Problem just walked in your classroom With apologies to Douglas Adams's The Hitchhiker's Guide to the Galaxy They don't cover this kind of thing in education classes in college and they also don't tell you about students coming to school hungry for food or love To assume that your job as a teacher is just to teach subject matter is like a blind man describing an elephant The Elephant in the Classroom was walking the halls of Columbine

Entrepreneurship in Africa Stewart Chibanda, 2010-02-25 Entrepreneurship in Africa explores how our mindset and attitudes affect our enterprises It offers a 3 Dimensional approach to entrepreneurship managerial financial and spiritual The book clearly demonstrates that entrepreneurship is a journey full of joy trials and tribulations It demystifies the paradoxical side of entrepreneurship by offering hope to the entrepreneurship journey It offers a hand holding approach to real life situations The book offers hope in seemingly hopeless situations in which all odds are against you It underscores the importance of having an unshakable vision and how your personal experiences are signposts on the journey to success To survive in business you have to ask questions the right questions Questions like What is money How does sin affect my business Does positive thinking really help in this situation If I get a lot of money what business venture should I pursue This book answers these questions and a lot more It argues that there is great hope for African businesses to excel if only Africans can change their mindsets if only they have positive internal dialogues and if only we can learn from others that have gone before us both in Africa and beyond It is time to unlock Africa's wealth through entrepreneurship It starts by removing some strongholds in our minds These are more internal than external Let us start planning today once these barriers are removed It is often said that it was not raining when Noah started building the ark Noah had some serious planning and preparations before the flood came This is what this book seeks to achieve It hopes to prepare you and give you hope in your entrepreneurship journey

No More Bananas Jeroen Kraaijenbrink, 2019-06-21 Feel better get done more and become a nicer person In this age of social media fake news individualism and information overload the certainties we relied on in the past are gone In our quest for assurance and support the only seemingly dependable pillar left is other people So we look to them But they are unsettled too And by looking to them we create and perpetuate our own vicious stress cycle As a result we lose our sensible selves And we go bananas But there is good news If we look around us there are people who withstand the collective lunacy and stay grounded They do something that most of us have a hard time doing they stay themselves And the best news is that what they can do you can do too It doesn't require any special talents or supernatural powers It only requires doing In this amiable open and accessible book Jeroen Kraaijenbrink takes you on his personal journey out of Bananaland Drawing from cognitive psychology martial arts Saint Benedict personal experience and a wide range of other sources the book offers a nine step approach with some remarkably practical advice for keeping a cool head in the collective lunacy Free yourself from the collective lunacy and reclaim your calm and sensible self
