Our Three Selves A Life Of Radclyffe Hall:

Our Three Selves Michael Baker, 1985 This biography of Radclyffe Hall the woman who broke the literary taboo against lesbianism with the 1928 publication of *The Well of Loneliness* is based in part on the previously unavailable diaries and letters of her two female lovers *A History of Homosexuality in Europe Vol. II* Florence Tamagne, 2004 Just crawling out from under the Victorian blanket Europe was devastated by a gruesome war that consumed the flower of its youth Tamagne examines the currents of nostalgia and yearning euphoria rebellion and exploration in the post war era and the b

Women's Experience of Modernity, 1875-1945 Ann L. Ardis, Leslie W. Lewis, 2003-05-22 A collection of essays on women s history and literary production at the turn of the twentieth century that centers the feminine phenomena Analyzing such cultural practices as selling and shopping political and social activism urban field work and rural labor radical discourses on feminine sexuality and literary and artistic experimentation this volume contributes to the rich vein of current feminist scholarship on the gender of modernism and challenges the assumption that modernism rose naturally or inevitably to the forefront of the cultural landscape at the turn of the twentieth century During this period women s experience was a rallying cry for feminists a unifying cause that allowed women to work together to effect social change and make claims for women s rights However it also proved to be a source of great divisiveness among women for claims about its universality quickly unraveled to reveal the classism racism and Eurocentrism of various feminist activities and organizations The essays in this volume examine both literary and non literary writings of Jane Addams Djuna Barnes Toru Dutt Radclyffe Hall H D Pauline Hopkins Emma Dunham Kelley Amy Levy Alice Meynell Bram Stoker Ida B Wells Rebecca West and others Instead of focusing exclusively or even centrally on modernism and literature these essays address a broad array of textual materials from political pamphlets to gynecology textbooks as they investigate women s responses to the rise of commodity capitalism middle class women s entrance into the labor force the welfare state s invasion of the working class home and the intensified eroticization of racial and class differences

Modernism and the Theater of Censorship Adam Parkes, 1996-02-22 Adam Parkes investigates the literary and cultural implications of the censorship encountered by several modern novelists in the early twentieth century He situates modernism in the context of this censorship examining the relations between such authors as D H Lawrence James Joyce Radclyffe Hall and Virginia Woolf and the public controversies generated by their fictional explorations of modern sexual themes These authors located obscenity at the level of stylistic and formal experiment *The Rainbow* *Lady Chatterley s Lover* *Ulysses* and *Orlando* dramatized problems of sexuality and expression in ways that subverted the moral political and aesthetic premises on which their censors operated In showing how modernism evolved within a culture of censorship *Modernism and the Theater of Censorship* suggests that modern novelists while shaped by their culture attempted to reshape it **Historical Dictionary of Lesbian Literature** Meredith Miller, 2006 This Historical Dictionary of Lesbian Literature serves two primary functions to provide further information to those already familiar with

the field and to explain it to those discovering it for the first time A chronology provides a historical perspective an introduction gives a general yet detailed overview and the dictionary contains several hundred cross referenced entries on important writers such as Sappho Colette and Mary Wollstonecraft styles themes literary movement publishers and outstanding works of the genre Completed by an extensive bibliography this book examines the factors influencing the development of the lesbian identity as an interaction between readers and writers of all kinds of literature BOOK JACKET

Routledge Revivals: Homosexuality: A Research Guide (1987) Wayne R. Dynes, 2017-02-17 First published in 1987 this book encompasses a broad range interdisciplinary research into homosexuality displaying a full spectrum of points of view and given that the major traditions of modern homosexual research began in Europe is not restricted to works in English In general topics that are densely covered in the literature are presented in this guide selectively with some less studied topics such as Economics and Music fleshed out with signposts to more comprehensive research It seeks to not only mirror existing publications but also to stimulate new work by pinpointing neglected themes and methods This book will be of interest to students of sociology

The Dictionary of Homophobia Louis-Georges Tin, 2008-11-01 Tin s Dictionary of Homophobia is so sweeping in its scope that one can dip into it again and again and learn something or confront an idea in which even the most well read queer will find fresh intellectual nourishment and historical illumination Gay City News Based on the work of seventy researchers in fifteen countries The Dictionary of Homophobia is a mammoth encyclopedic book that documents the history of homosexuality and various cultural responses to it in all regions of the world a masterful engaged and wholly relevant study that traces the political and social emancipation of a culture The book is the first English translation of Dictionnaire de L Homophobie published in France in 2003 to worldwide acclaim its editor Louis Georges Tin launched the first International Day Against Homophobia in 2005 now celebrated in more than fifty countries around the world The Dictionary of Homophobia includes over 175 essays on various aspects of gay rights and homophobia as experienced in all regions in Africa the Americas Asia Europe and the South Pacific from the earliest epochs to present day Subjects include religious and ideological forces such as the Bible Communism Judaism Hinduism and Islam historical subjects events and personalities such as AIDS Stonewall J Edgar Hoover Matthew Shepard Oscar Wilde Pat Buchanan Joseph McCarthy Pope John Paul II and Anita Bryant and other topics such as coming out adoption deportation ex gays lesbiphobia and bi phobia In a world where gay marriage remains a hot button political issue and where adults and even teens are still being executed by authorities for the crime of homosexuality The Dictionary of Homophobia is a both a revealing and necessary history lesson for us all

The Cambridge Companion to E. M. Forster David Bradshaw, 2007-04-12 This collection of essays each one by a recognized expert provides lively and innovative readings of every aspect of Forster s wide ranging career It includes substantial chapters dedicated to his two major novels Howards End and A Passage to India and further chapters focus on A Room With a View and Maurice Forster s connections with the values

of Bloomsbury and the lure of Greece and Italy in his work are assessed as is his vexed relationship with Modernism Other essays investigate his role as a literary critic the status of his work within the genres of the novel and the short story his treatment of sexuality and his attitude to and representation of women This was the most comprehensive study of Forster's work to be published for many years providing an invaluable source of comment on and insight into his writings *The Legal Exhibitionist* Joel Silverman, 2022-04-27 Born to a Jewish immigrant shopkeeper in a small Alabama town Morris Ernst used aggressive self promotion and exaggeration what he called exhibitionism to transcend his insecurities and his part time legal training to become one of America's most famous lawyers During the first half of the twentieth century Ernst championed free speech sexual education birth control and reproductive health and his landmark defense of James Joyce's *Ulysses* in 1933 cemented Ernst's reputation as the top progressive attorney of the era To promote himself Ernst befriended newspaper writers authors actors politicians and practically anyone whose work carried some weight in popular culture But his hunger for respect and recognition together with his need for excitement led Ernst to lavish praise on J Edgar Hoover and to publicly defend and profit from a Dominican dictator In the process Ernst undermined his own credibility and largely fell out of favor with the public By examining key moments of his life and career *The Legal Exhibitionist* Morris Ernst Jewish Identity and the Modern Celebrity Lawyer describes how Ernst's exhibitionism led to his rise and fall and suggests how his strategy of exaggeration anticipated the emergence of today's celebrity lawyers *The Lesbian Index* Kim Emery, 2002-01-01 Adds historical and philosophical perspectives to current debates over whether lesbian identity is socially constructed or genetically based *Palatable Poison* Laura L. Doan, Jay Prosser, 2001 *The Well of Loneliness* was released in Britain in 1928 and was immediately controversial This text gathers together classic essays on the book to provide an understanding of how views have changed **The Things She Carried** Kathleen B. Casey, 2025 *The Things She Carried* provides a thorough and surprising examination of the purse an object that generations of Americans have used to achieve a host of social cultural and political objectives over the last two centuries Kathleen Casey examines a variety of sources and finds purses at fraught historical moments where they serve important symbolic psychological or economic functions for their users *Dolphin Square* Terry Gourvish, Terence Richard Gourvish, 2014-09-25 *Dolphin Square* the large imposing red brick building on the North bank of the Thames was and is no ordinary block of flats Created for MPs peers and entertainers required to work in London the Square was built on a massive scale to a high density in the mid 1930s It was a pioneering example of concrete design and when built was the largest single residential building in Europe This book tells the story of the project and captures what it has been like to live in the square for figures including Sir Menzies Campbell Alistair Darling William Hague Mo Mowlam Sir David Steel Christine Keeler Sid James Barbara Windsor and Princess Anne Beginning with the antecedents of the seven acre site the book charts the square's changing ownership and eventual creation of the Dolphin Square Trust which managed the flats on a non profit making basis for 40 years Its unique blend of quasi charitable purpose

and commercial management enabled long standing tenants to enjoy below market rentals before the Trust came under immense pressure to realise the value of the existing leases and sell them off in 2006 provide s a detailed examination of a major example of urban property speculation and management Publisher s description [A History of Homosexuality in Europe, Vol. I & II](#) Florence Tamagne,2006 Just crawling out from under the Victorian blanket Europe was devastated by a gruesome war that consumed the flower of its youth Tamagne examines the currents of nostalgia and yearning euphoria rebellion and exploration in the post war era and the b **Lesbian Scandal and the Culture of Modernism** Jodie Medd,2012-09-10 Before lesbianism became a specific identity category in the West its mere suggestion functioned as a powerful source of scandal in early twentieth century British and Anglo American culture Reconsidering notions of the invisible or apparitional lesbian Jodie Medd argues that lesbianism s representational instability and the scandals it generated rendered it an influential force within modern politics law art and the literature of modernist writers like James Joyce Ezra Pound and Virginia Woolf Medd s analysis draws on legal proceedings and parliamentary debates as well as crises within modern literary production patronage relations literary obscenity and cultural authority to reveal how lesbian suggestion forced modern political cultural and literary institutions to negotiate their own identities ideals and limits Medd s text will be of great interest to scholars and graduate students in gender and women s studies modernist literary studies and English literature **The Poison at the Source** P. Brown,1992-03-10 An examination of a number of English women novelists who portrayed the crises and conflicts in the development of the female consciousness as a response to the anomalies of the rapidly changing world of the early twentieth century when opportunities for self expression and fulfilment were beginning to open up for women but nineteenth century values and prejudices still widely prevailed May Sinclair Radclyffe Hall Rosamond Lehmann Antonia White and Dorothy Richardson are seen as outspoken and innovative writers often marginalised or ignored by serious criticism **Borderlines** Billie Melman,2013-01-11 Borderlines weaves together the study of gender with that of the evolution of nationalism and colonialism Its broad comparative perspective will rechart the war experiences and identities of women and men during this period of transformation from peace to war and again to peace Drawing on a wide range of materials from government policy and propaganda to subversive trench journalism and performance from fiction drama and film to the record of activists in various movements and in various countries Borderlines weaves together the study of gender with that of the evolution of nationalism and colonialism Its broad comparative perspective will rechart the war experiences and identities of women and men during this period of transformation from peace to war and again to peace *Literature and the Politics of Post-Victorian Decadence* Kristin Mahoney,2015-06-09 In *Literature and the Politics of Post Victorian Decadence* Kristin Mahoney argues that the early twentieth century was a period in which the specters of the fin de si cle exercised a remarkable draw on the modern cultural imagination and troubled emergent avant gardistes These authors and artists refused to assimilate to the aesthetic and political ethos of the era

representing themselves instead as time travellers from the previous century for whom twentieth century modernity was both baffling and disappointing. However they did not turn entirely from the modern moment but rather relied on decadent strategies to participate in conversations concerning the most highly vexed issues of the period including war, the rise of the Labour Party, the question of women's sexual freedom and changing conceptions of sexual and gender identities.

The Street of Wonderful Possibilities Devon Cox, 2022-02-01. A beautifully illustrated art history and cultural biography. The Street of Wonderful Possibilities focuses on one of the most influential artistic quarters in the late nineteenth and early twentieth centuries, London's Tite Street, where a staggering amount of talent thrived, including James Abbott McNeill Whistler, Oscar Wilde, and John Singer Sargent. For Wilde, the street was full of wonderful possibilities, while for Whistler, it was the birthplace of art, where a new brand of aestheticism was nurtured. In his controversial White House, modern masterpieces in art and literature flowed from the studios and houses of Tite Street, but this bohemian enclave had a dark side as well. Here Whistler was bankrupted, Frank Miles was sent to an asylum, Wilde was imprisoned, and Peter Warlock was gassed to death. Throughout its turbulent existence, Tite Street mirrored the world around it. From the Aesthetic movement and its challenge to Victorian values through the Edwardian struggle for women's suffrage to the bombs of the Blitz in the 1940s, it remained home to innumerable artists and writers, socialites and suffragettes, musicians and madmen. The Street of Wonderful Possibilities reveals this complex history, tying together private and professional lives to form a colourful tapestry of art and intrigue, illuminating their relationships to each other, to Tite Street, and to a rapidly modernising London at the fin de siècle.

Women, Writing, and Fetishism, 1890-1950 Clare L. Taylor, 2003. Clare L. Taylor investigates the problematic question of female fetishism within modernist women's writing, 1890-1950. Drawing on gender and psychoanalytic theory, she re-examines the works of Sarah Grand, Radclyffe Hall, H. D., Djuna Barnes, and Anaïs Nin in the context of clinical discourses of sexology and psychoanalysis to present an alternative theory of female fetishism, challenging the perspective that denies the existence of the perversion in women.
