The God of Yes David Edwards,2010-06-15 Your journey toward a life of yes begins as you open the pages of this powerful book How we view God affects our whole world including our view of ourselves Many see God as The Great Restrictor saying no to our every move But the God of the Bible is a God of yes empowering us with confidence hope and expectancy Speaking with boldness and clarity to the post modern generation David Edwards reveals the God of yes as he explores subjects like the four agreements God has made with humankind God's agreement with Adam to remove sin God's agreement with Abraham to release blessings God's agreement with David to reign with authority God's agreement with Jeremiah to redeem nations Are you ready to look past the static religiosity of our day and peer deeply into the God of yes to find a life that truly works The choice is yours

Right Now David Levister,2015-07-06 Did the cross of Calvary truly remove every form of the curse Did Jesus really make everything right for those who put their trust in Him Or do we await another day when God will add to the work of the cross in order to complete our salvation The truth contained in this treatise is the simplest of all truths This book is not a study on the mysterious depths of the gospel but rather on the foundational principles upon which the church is to be built Although foundational the truth contained herein is one in which the church at large is unfamiliar Though simple this truth is simply profound and contains power to bring forth a new and radical perspective This new perspective contains the ability to connect the believer to supernatural possibilities This radical perspective of which I speak is a simple and honest look at the redemptive work of the cross Could it be that Jesus death resurrection and seating at the Father's right hand has totally and completely rectified the human condition Is it possible that as believers we can experience and enjoy the bountiful and unlimited blessings of heaven by merely agreeing with what the Father has already accomplished through His Son It has often been said that every believer has a right to be blessed healed favored etc The truth is we have far more than a mere right to these blessings We have Jesus Right which guarantees that these blessings are not only ours but they are irrevocably ours Because of the redemptive work of Calvary every believer is as much in the right with the Father as Jesus Himself The moment we believe in Jesus His righteousness is accredited to our account Thus Jesus Right is NOW upon us Truly there has been a great exchange He has taken all of our wrong and given us all of His RIGHT

Thomas,2022-04-19 If anyone is thirsty let him come to Me and drink He who believes in Me as the Scripture said From his innermost being will flow rivers of living water Angela Thomas s personal journey has taught her one thing that breathing underwater isn t for the faint of heart It is in these times that God is revealing the mysteries of the kingdom We as believers are instructed to surrender submit and submerge so that we can be filled with the living water of God God s divine spirit takes us to a depth in Him that causes us to experience his peace supernaturally From the sweet whisper of his voice we as believers say yes Yet through the raging waters of adversity we sometimes forget how to be still and know that harmony is still in our reach Surrendering to truth can be pulverizing It can cause you to have conversations with your private realities yet you will learn to jump off that cliff of faith into your destiny as your external surroundings give way to your inner peace Because we are overcomers by the blood of the Lamb and the Word of our testimonies Tumeeka Brown s life lessons caused radical encounters that changed her life all because of her submission Each trial produced deeper evidence of God s faithfulness Go

And, He Will Gladly "Lend a Hand" When You or I Need It "...Down Here."** Egils R. Lapainis, *Yes God Really Is Up There* provides answers for many of life's questions It has been written by a man whose earliest childhood memory is of shivering in the winter cold while trying to sleep on a bale of hay in a drafty barn somewhere in war torn WWII Europe His Mother was doing her best to comfort him all the while listening to the bombers roaring over head and wondering what had happened to her husband the boy's Father It later came to light that he had been captured by Russian soldiers and was bound for the labor camps of Siberia How the Father escaped found his wife and child and once reunited they came to the United States is a story for another day Suffice it to say that bringing only their clothes and old pots and pans upon arrival they began to live the American Dream For more read About The Author at the end of the book The American Dream abounds with opportunities and obstacles for the native born and immigrant alike the author has been no exception he encountered both Amidst the victories and defeats he came to realize that God Almighty really was and is up there ever vigilant and always looking out for him That very God can do the same for you If you're not sure that God really is up there or you are going through tough times you need to read this book [Give Like God](#) Stephen Charles Durkee, 2018-06-26 To tithe or not to tithe That is the question heard in churches across the land Because churches depend on the generosity of their members there are many sermons and many books that encourage Christians to be generous and use tithing as the standard for their generosity Yet other voices in the church object to tithing claiming that the practice is ambiguous outdated or misunderstood Give Like God starts with a careful examination of what the Bible teaches about tithing before discussing what it says about giving and generosity in the teachings of Jesus and his followers We learn that God is extraordinarily generous and that he is our example and the source of supply for our generosity Author Stephen

Charles Durkee considers the connection between generosity and what we do for work how we do outreach how we help people in need and even how we take on debts In the end he shows us the joy we should experience through giving When we put God s priorities first in our lives we discover that he is a good provider and that our lives can be free of financial worries Money and generosity play an important and truly pivotal role in God s purposes for his people and so to have blessings and transformation in our lives we must learn to give like God **Our Day** ,1891 A Dictionary of Hymnology John Julian,1892
