## **Our Ocean Home:**

Our Ocean Home Robert Lyn Nelson, 1997-06-01 Uses the perspective of a sea turtle to introduce many sea creatures and the importance of conserving the oceans of the world      **The vocal class-book; containing a series of scales and exercises in the various major and minor keys, and a Collection of favorite songs** Vocal, 1846      **Tales of the Dominion** K. R. Elliott, 2011 I looked down upon her beautiful innocent face That was when I made the decision which would change my life forever Welcome to the magical world we dreamt of as little girls filled with the excitement teenagers crave and the romantic love women long to inspire After an impassioned run in with Nicholas the handsome young successor to the aquarium where she works Amelia's body reacts in a way she never dreamt possible Their new romance is filled with an intensity that threatens to consume them as their destinies become entwined Nicholas untold secret of being a merman as well as being heir to the Southern Dominion is merely a ripple on the ocean of mysteries he holds His sudden departure leaves Amelia alone and vulnerable to the cunning wiles of Nathaniel Nicholas cousin adversary and well known playboy Amelia's comforting workplace is turned upside down the day she meets Athan AKA Nathaniel This smug conceited guy is not only the Aquarium's newly employed Marine Biologist but her new boss She is soon confused by the back flip in his demeanor and worse the changes in her own emotions and desires If only Nicholas would return her life would be so much easier Little does she know life with Nicholas could never be simple He changed her life long before they ever met setting forth a turbulent wave that hasn't even hit her yet With a fresh insight into this mythical world this new portrayal will have you believing the impossible and wanting more after the final page is turned      The Choice Hannah James Packard, 1832

Water Norm Habel, Peter Trudinger, 2011-02-28 This volume of essays explores the significance of water and the current ecological crisis and examines this from both scientific and theological insights It also examines the relevance of key biblical passages relating to water as a positive and a negative force Contributors to this volume come from Australia South Africa and the USA and a variety of disciplines The cover design is an indigenous Australian artist's depiction of the biblical theme of the Transfiguration in terms of local water traditions of life and death cycles of the lotus flower      The British Minstrel, and Musical and Literary Miscellany, 1843      *Pacific Literatures as World Literature* Hsinya Huang, Chia-hua Yvonne Lin, 2023-05-04 *Pacific Literatures as World Literature* is a conjuration of trans Pacific poets and writers whose work enacts forces of becoming oceanic and suggests a different mode of understanding viewing and belonging to the world The Pacific past and present remains uneasily amenable to territorial demarcations of national or marine sovereignty At the same time as a planetary element necessary to sustaining life and well being the Pacific could become the means to envisioning ecological solidarity if compellingly framed in terms that elicit consent and inspire an imagination of co belonging and care The Pacific can signify a bioregional site of coalitional promise as much as a danger zone of antagonistic peril With ground breaking writings from authors based in North America Japan Taiwan Korea Hawaii and Guam and new modes of research including

multispecies ethnography and practice ecopoetics and indigenous cosmopolitics authors explore the socio political significance of the Pacific and contribute to the development of a collective effort of comparative Pacific studies covering a refreshingly broad ethnographically grounded range of research themes This volume aims to decenter continental land poetics as such via long standing transnational Pacific ties re worlding Pacific literature as world literature **Jack Ariel,**
