Ranging from works that delve into the fervent personal spirituality of St. Teresa of Avila to the grand theological explorations reminiscent of Thomas Aquinas, this collection celebrates the rich diversity inherent in Christian thought and writing. The contributions hail from a spectrum of renowned thinkers and writers, each lending unique insight into the historical and cultural milieu that shaped their works. From the Reformation's indomitable spirit exemplified by Martin Luther to the existential musings of Dostoevsky set against the backdrop of Imperial Russia, each voice represents a facet of the ongoing discourse on faith through time. The anthology's assembly of such diverse voices through history not only highlights the evolution of Christian thought but also presents a convergence of literary, philosophical, and theological ideals that define various movements in Western literature and belief. We Are at War Book 5 Vitalis Chi Nwaneri, 2012-11-14 OUR MISSION Over the past century, the world has been witnessing a gradual decline in the state of global peace. At a recent conference of World Religious Leaders in Assisi, on the invitation of Pope Benedict XVI, these leaders expressed the concern that the declining state of world peace is partly fueled by growing religious crises like terrorism across the globe. Accordingly, it was resolved that global religious leaders should strive to contribute to the recovery in global peace. Pope Benedict followed up the resolution with his establishment of the Pontifical Council on the New Evangelization (PCNE) to stem the growing de-Christianization in most advanced countries and enhance the effectiveness of the weapon of evangelization as a means of contributing to global peace and religious freedom. The Pope called on all the lay members of the Catholic Church to rise up and contribute to the mission of the PCNE. Our Mission is a humble response to the Pope's call. In Book 1, the author surveyed the teaching and history of the Church through a military perspective. He concluded that WE ARE AT WAR WITH SATAN, the only enemy of God and man. That war started from the Garden of Eden after man's creation. It has been going on ever since. The author therefore reminds the world that its wars and crises, from the family to the global levels, are rooted in this war against Satan fighting us as it did to Adam and Eve to commit sins by disobeying God's commandments. Through our disobedience and sins, we bring as Adam did, wars and crises.

from our families to the global levels Accordingly the Author concludes that we cannot avoid sins if we do not understand the Teaching of Christ Our Only Leader and recognize the voice language and strategies of His enemy Satan in tempting us to sin The Author views the teaching of Christ as the Pillars that sustain our lives and modern governance against the attacks of the enemy He therefore warns that driving God out of our private and public lives can only move us faster on the path to wars crises and declining global peace He therefore provides in these Books his views on how to avoid sins by recognizing the ways that the enemy Satan lures us to sin Through such recognition we can learn how to avoid its temptations In the world of today most sins arise from our denial or lack of knowledge of these sins at all levels of our activities and lives The principle of the Separation of State and Religion is being misinterpreted to mean denying sins in our political economic and social lives In Books 2 and 3 the Author continues his surveys of the enemys strategies to cause wars between Christianity and Secularity and shows how the two can cooperate to fi ght back and reduce our wars and enhance global peace In Book 4 he shows how the enemy uses us in our various professions to be its agents to cause wars that lead to a decline in peace from our family to the gobal levels Finally in Book 5 he surveys the on going Warfront against our Religious Freedom to obey Gods Commandments in all our Religious and Secular activities He concludes with strong Recommendations on building the Knights of The Cross Mission of warriors from our Grass root parish levels of the church to the global leve
