Firearms in American History ... Charles Winthrop Sawyer,1920 **OUR RIFLES** Charles Winthrop 1868 Sawyer,2016-08-26

The Band Never Played for Us Ronald G. Goddard,2017 When his troop transport ship left for Vietnam there were no patriotic farewells It would continue to be so for the marines of Golf Company 2nd Platoon 2nd Battalion 4th Marines as Goddard recounts their experiences in the rice paddies and jungles from DaNang to the DMZ

A British Rifle Man George Simmons, George Simmons the writer of the following letters and journals was born on 2nd May 1785 His parents resided at Beverley in Yorkshire The family consisted of nine sons and three daughters Since some of their names constantly recur in Simmons s letters a brief account of them will be useful Maud the second son obtained a commission in the 34th Foot in 1809 The third Joseph after beginning life as an attorney s clerk joined his eldest brother s corps the 95th Rifles as a Volunteer in 1812 and shortly afterwards was granted a commission in it All three brothers served in the Peninsular War The fourth brother John appears to have been a source of some trouble to his parents and eventually ran away from home and entered the Mercantile Marine His career at sea was a brief one His ship was very

soon attacked and captured by a French privateer and he was killed in the engagement The daughters especially the second Ann My dear Ann of many a letter were the object of constant solicitude to George and of much good advice and many anxious forebodings These details of the family are rendered necessary by the fact that for some cause or other the eldest brother appears to have constituted himself as the adviser and protector and to some extent the supporter of his parents His father seems to have been in extremely straitened circumstances and to have lacked the capability of looking after his family George was evidently a very steady young fellow and realising that his father was unable to fight the battle of life he set to work and studied medicine with a view to being able to support his parents In 1805 when Napoleon s threatened invasion had caused all the manhood of England to enrol themselves for the defence of the country George was given a commission as Assistant Surgeon in the Royal South Lincolnshire Militia commanded by Colonel Waldo Sibthorp M P In this corps he served for nearly four years and during that time gained the friendship of his Colonel who subsequently assisted him in various ways The Lincoln Militia were quartered in Hythe Barracks in the spring of 1809 as were both Battalions of the 95th Rifles The latter were in a very shattered condition having only recently returned from the disastrous campaign of Coru a In order to fill up their depleted ranks volunteers were called for from the Militia and every Militia officer who could induce a hundred men to join the service was granted a commission No difficulty however was experienced in obtaining recruits for The Rifles as they were styled Although a very young regiment having been raised only nine years previously the peculiar nature of their arm the rifle and their exceptionally active employment coupled with the fact that they had already made their name at Copenhagen under Lord Nelson at Monte Video and only recently at Roli a Vimeiro and Coru a caused many more to volunteer for service in their ranks than could be taken In the words of Sir William Cope the historian of the Rifle Brigade The regiment had already become so famous and popular that not only were the deficiencies filled up in a very short time but more than a thousand volunteers presented themselves beyond the numbers required It was therefore resolved by the Authorities to add a 3rd Battalion to the regiment George Simmons partly for reasons already given but no doubt also owing to strong military instincts and a true British desire to fight the French easily induced a number of his Militiamen to volunteer for the Rifles and thereby became entitled to a second lieutenant s commission himself there were no ensigns in the Rifles in those days It was at this juncture that his friend and benefactor Colonel Sibthorp unwilling to lose his Assistant Surgeon and doubting the wisdom of his going out to Portugal amid the circumstances made use of influence at the Horse Guards to cause the issue **The American Rifle** Townsend Whelen,1918 Negroes with Guns Robert F. Williams,2022-10-03 The Quintessential Exploration of the Role of Violence in Protecting Civil Rights This enhanced edition includes an index I do not advocate violence for its own sake or for the sake of reprisals against whites Nor am I against the passive resistance advocated by the Reverend Martin Luther King Robert F Williams wrote in his prologue to Negroes with Guns But where there is a breakdown of the law the individual citizen has a right to protect his person his family his home

and his property In 1961 Mr Williams led his Monroe North Carolina community to arm themselves in the face of racist violence This book spells out his belief that the ability to defend oneself is a legal right which could prevent racist incidents from occurring and that self defense compelled law enforcement agencies into action The lawful authorities of Monroe and North Carolina acted to enforce order as a direct result of us being armed As a result of his movement Williams was vilified and framed and subsequently fled the country but his account of his struggle for the rights White America takes for granted remains a searing testimony to the racism which continues to plague the nation to this day This book vividly captures effect of the debate in the Black community between non violent and violent defense of civil rights as it played out in the 1960s Williams graphically details his ongoing struggle with the Ku Klux Klan and the black community s attempt at armed defense Framing this struggle in a wider context are essays on non violence by the Reverend Martin Luther King Jr and abolitionist scholar Truman Nelson who discusses the divergent views of King and Williams *Newcomers* Mark Norvil,2017-03-20 To whoever may read this journal my name is Adam Fowler Im writing to keep not only track of my sanity but also the war They came so fast we never had time to prepare And now these things are pushing us closer to the brink of extinction We dont know how many there are why they are here or who they even are But to us they are the newcomers *The Pennsylvania-Kentucky Rifle* Henry J. Kauffman,2005-01-01 Read about the rifle that was made in America by gunsmiths who migrated to Lancaster Co Pa from central Europe in the first half of the 18th century This intensive study and exacting research by Kauffman has brought to light a tremendous amount of information on America s first great rifle First printed in 1960 this book has an extensive listing of gunsmiths and the stylized work of the makers Various rifles are identified with many photos and sketches and documentary data 374pp illus index Masthof Press 2005 reprint *The Springfield 1903 Rifles* William S. Brophy,1985 The lifetime work of the rifle s premier authority Exhaustive research has taken Brophy into some of the rarest collections in existence **Of Guns and Mules** David Lawrence-Young,2010 When eighteen year old David Levi is arrested together with his father and friends and deported from their home in Palestine by the Turks none of them knows what the future holds But their spirits soar when they are offered the chance to enlist with the newly formed Zion Mule Corps a service unit of Jewish soldiers commanded by the legendary ex Russian war hero Joseph Trumpeldor Their orders to help the British army in its WWI Gallipoli offensive David and his friends grow to manhood in the trenches fighting first in the Zion Mule Corps and later with Zev Jabotinsky s dream unit the Jewish Legion Fighting from the Jerusalem Hills to Es Salt and from Es Salt to Um Es Shert near the Dead Sea the Jewish Legion makes a significant contribution to General Allenby s successful drive to expel the Turks from Palestine This eminently readable historical novel takes us on a journey to the dawning of the modern State of Israel leading up to the days of the British Mandate for Palestine Narrated with humour gripping battle scenes and a touching love story **Of Guns Mules** makes the history of pre state Israel come alive **The Johnson Semiautomatic Rifle** United States. Congress. Senate. Committee on Military Affairs,1940 Discusses a bill to

provide for the adoption of the Johnson semiautomatic rifle as a standard arm of the military and naval forces which will later become known as the United States semiautomatic rifle M2 caliber 30 The Lee-Enfield Rifle Martin Pegler,2012-01-20

The Lee Enfield is one of the 20th century s most recognisable and longest serving military rifles It was adopted by the British Army in 1895 and only replaced by the L1A1 SLR in 1957 It saw combat from the Boer War onwards and thousands are still in use today it is estimated that 17 million have been produced Soldier s recollections of the rifle are overwhelmingly affectionate it was known as the Smellie today it remains a very popular target rifle for competitive shooting and modern copies are being manufactured to meet demand Featuring first hand accounts brand new full colour artwork and close up photographs this is the story of the Lee Enfield the innovative reliable and long lived rifle that equipped British and other forces through the world wars and beyond **Frank and Me at Mundung-Ni** Joseph Donohue,2012-03-28

It was 1937 when Joseph Donohue first met Frank Milisits in grammar school As they grew up together on the Upper East Side of New York City the two boys kept scrapbooks on World War II became junior aid raid wardens and attended block parties for returning veterans But little did Joseph and Frank know that their fascination with war would eventually lead them one day to fight in a hostile climate thousands of miles away In his Korean War memoir Joseph Donohue chronicles the captivating story of how two naive twenty year old kids made a full circle journey from draftees to basic training recruits to airborne troopers who somehow summoned the courage to jump out of the first planet they ever set foot in As the young men arrived in Korea during a time of uncertainty and chaos Donohue details how the two men quickly moved from days of complete boredom to hair raising moments as the crawled in the rat infested trenches dodged booby traps and minefields and risked their lives to keep hordes of enemy soldiers at bay One year later they returned home as combat veterans who has somehow survived terrifying battles and a one in nine chance of becoming a war casualty Frank and Me at Mundung ni provided an eye opening glimpse into the realities of The Forgotten War and the compelling personal memories of two childhood pals who shared an impassioned journey to a war neither would ever forget **Marlin Firearms** William S. Brophy USAR,1989-05-01

From 1863 to the present the company and the men who made it successful the details of all models of rifles and the many other Marlin products Unbecoming Anuradha Bhagwati,2020-03-03

Brimming with the ebullient Bhagwati s fierce humanism seething humor and change maker righteousness Shelf Awareness a raw unflinching memoir by a former US Marine Captain chronicling her journey from dutiful daughter of immigrants to radical activist fighting for historic policy reform After a lifetime of buckling to the demands of her strict Indian parents Anuradha Bhagwati abandons grad school in the Ivy League to join the Marines the fiercest most violent most masculine branch of the military determined to prove herself there in ways she couldn t before Yet once training begins Anuradha s GI Jane fantasy is punctured As a bisexual woman of color in the military she faces underestimation at every stage confronting misogyny racism sexual violence and astonishing injustice perpetrated by those in power Pushing herself beyond her limits she also wrestles with what drove her

to pursue such punishment in the first place Once her service concludes in 2004 Anuradha courageously vows to take to task the very leaders and traditions that cast such a dark cloud over her time in the Marines Her efforts result in historic change including the lifting of the ban on women from pursuing combat roles in the military Bhagwati s fight is both incensing and inspiring Booklist in this tale of heroic resilience and grapples with the timely question of what exactly America stands for showing how one woman learned to believe in herself in spite of everything
