Dreher, 2008-01-10 *Dancing on the White Page* examines the popular autobiographies of six well known Black women entertainers Diahann Carroll Dorothy Dandridge Lena Horne Eartha Kitt Whoopi Goldberg and Mary Wilson and makes a case for adding Black celebrity autobiography to the African American literary canon As she explores these women s fascinating stories Kwakiutl L

Dreher reveals how each one improvises the choreography of her life to survive and thrive in the film television and music industries as well as the politically charged environment of the Black community most specifically represented by the NAACP Reading each autobiography as a site of self revelation Dreher discovers stories of Black self determination along with the fight for liberation from oppression and racial and gender discrimination She explores each woman s full meaning in American culture at large and in American entertainment culture in particular The Struggles After the Struggle David Kaulemu,2008 **Susan Sontag** Leland Poague,Kathy A. Helmers,1994-11-22 This is a book about the usual teacher student relationship in composition courses It disrupts and rewrites the commonplace conception of the relationship by revealing the uneven ways in which power is deployed in and around the classroom And it offers a responsible alternative The author not only offers teachers a way of learning about power relations at their own specific sites but also works towards a more equitable redistribution Drawing from testimonials about teaching practice published in the journal College Composition and Communication Helmers explores conventions in this form of writing that portray students in a negative light and show the teacher to be powerfully triumphant in his or her creative pedagogy Several prevalent modes of representation are discussed in the book all of which define the students as distinctly different from the teachers in other words as an other The texture of the work is rich because Helmers takes an enormous amount of post structuralist theory and recasts it in the sphere of the teacher student relationship itself an underexplored realm **Recording for the Blind & Dyslexic, ...
