## **Out In The Midday Sun Singapore 1941 45:**

**Out in the Midday Sun** Kate Caffrey,1977      **Out in the Midday Sun** Margaret Shennan,2015-11-01 The story of British Malaya and Singapore from the days of Victorian pioneers to the denouement of independence is a momentous episode in Britain s colonial past Through memoirs letters and interviews Margaret Shennan chronicles its halcyon years the two World Wars economic depression and diaspora revealing the attitudes of the diverse quixotic characters of this now quite vanished world The British came as fortune seekers to exploit Asian trade shipped through Penang and Singapore They found a mature Asian culture in a land of palm fringed shores and primeval jungle Like modern Romans they built townships defences communications and hill stations they spurred a rivalry between the fledgling commercial centres of Singapore Penang and Kuala Lumpur and they superimposed their law and established an idiosyncratic political system They also developed the tin and rubber of the Malay States encouraging Chinese and Indian immigrants by their open door policy The outcome was a vibrant multi racial society the most cosmopolitan in the East      **The Japanese Occupation of Malaya and Singapore, 1941-45** Paul H. Kratoska,2018-04-30 Japanese forces invaded Malaya on 8 December 1941 and British forces surrendered in Singapore 70 days later Japan would rule the territory for the next 3 years Early efforts to maintain pre war standards of comfort gave way to a grim struggle for survival as the vibrant economy ground to a halt and residents struggled to deal with unemployment shortages of consumer goods sharp price rises a thriving black market and widespread corruption People were hungry dressed in rags and falling victim to treatable diseases for which medicines were unavailable and there was little reason to hope for better in the future Using surviving administrative papers oral materials intelligence reports and post war accounts by Japanese officers this book presents a picture of life in occupied Malaya and Singapore It shows the impact of war and occupation on a non belligerent population and creates a new understanding of the changes and the continuities that underlay the post war economy and society The book was first published in 1998 and is now re issued in new edition that incorporates information from newly translated Japanese documents and other recent discoveries      *Men Who Lost Singapore, 1938-1942* Ronald McCrum,2018-04-27 The British military failure against the Japanese invasion of Singapore in 1942 is a well documented and closely examined episode While attention is frequently drawn to the role of the Colonial Governor and his staff during this period the participation of the civil authorities has not been subjected to the same rigorous scrutiny In this book Ronald McCrum undertakes a close examination of the role and the responsibilities of the colonial authorities both in the lead up to the war and during it He contends that the colonial government by pursuing different priorities needlessly created distraction and confusion Additionally the poor even hostile relations that developed between the local government and the British military hierarchy impeded a joint approach to the growing threat and affected the course of this campaign McCrum displays how the tawdry management of civil defence matters led to unnecessary loss of civilian life      *Historical Dictionary of Singapore* Justin Corfield,2010-12-02 In spite of Singapore s small size it has long had

a major impact on the world because of its geographical location and its wealth The British initially made the island a major port for the shipping of goods and later as an airline hub for the region These factors along with a steady government have helped to contribute to the country's affluence This multicultural multiracial and multi religious island nation is the envy of many countries in the world which have tried to emulate the economic success of Singapore The new edition of the Historical Dictionary of Singapore has been completely rewritten since the first edition was released 20 years ago It relates the history of this country through a chronology an introductory essay an expansive bibliography and over 500 cross referenced dictionary entries on significant persons events places organizations and other aspects of Singapore history from the earliest times to the present

**World War II in Asia and the Pacific and the War's Aftermath, with General Themes** Loyd Lee, 1998-10-23 A companion to World War II in Europe Africa and the Americas this volume reevaluates the most enduring literature on basic aspects of the war in Asia and the Pacific It also covers themes pertaining to societies at war culture the arts and science and technology as well as international relations and the postwar world Included are not only grand strategy military and naval campaigns and matters of diplomacy but also resistance collaboration prisoners of war and broad topics of the home front including chapters on gender issues film literature popular culture and propaganda This volume and its companion provide the first comprehensive historiographic reference work on the war Each chapter describes the state of knowledge on the topic relating each bibliographic reference to the chapter's themes and issues and concludes with a bibliography Recent original scholarship is included when it aids new understanding and older works of enduring value also find a place The essays in this volume will interest scholars and college teachers as well as advanced students and serious amateurs seeking insight into the history of the war and its literature

**Tragic Orphans** Carl Vadivella Belle, 2016-05-13 In 1938 noting that the bulk of the Indian population formed a landless proletariat and despairing of the ability of the factionalized Indian community to unite in pursuit of common objectives activist K A Neelakanda Ayer forecast that the fate of Indians in Malaya would be to become the Tragic orphanage of whom India has forgotten and Malaya looks down upon with contempt Ayer's words continue to resonate as a minority group in a nation dominated politically by colonially derived narratives of race and ethnicity and riven by the imperatives of religion the general trajectory of the economically and politically impotent Indian community has been one of increasing irrelevance This book explores the history of the modern Indian presence in Malaysia and traces the vital role played by the Indian community in the construction of contemporary Malaysia In this comprehensive new study Carl Vadivella Belle offers fresh insights on the Indian experience spanning the period from the colonial recruitment of Indian labour to the post Merdeka political economic and social marginalization of Indians While recent Indian challenges to the political status quo a regime described as that of the benign neglect promoted Indian hopes of reform change and uplift the author concludes that the dictates of political discourse permeated by the ideologies of communalism offer limited prospects for meaningful change

*The Japanese Occupation of Malaya* Paul H.

Kratoska,1997-01-01 Japan attacked British ruled Malaya on 8 December 1941 as part of a wave of military actions that toppled the British Dutch and American colonial regimes in Southeast Asia Within seventy days the conquest of Malaya was complete and British forces in Singapore surrendered on 15 February 1942 The three and a half years of Japanese rule are generally considered to mark a profound transition in the history of the Malay peninsula but little is known about this period This book uses the limited administrative papers that survived in Malaya oral sources and accounts written by Japanese officers involved in the Malayan campaign to flesh out the story **Out in the Midday Sun** Kate Caffrey,1973 **The China-Burma-India Campaign, 1931-1945** Eugene L. Rasor,1998-03-19 The China Burma India campaign of the Asian Pacific war of World War II was the most complex if not the most controversial theater of the entire war Guerrilla warfare commando and special intelligence operations and air tactics originated here The literature is extensive and this book provides an evaluative survey of that vast literature A comprehensive compilation of some 1 500 titles the work includes a narrative historiographical overview and an annotated bibliography of the titles covered in the historiographical section Following an introductory historical essay and a chronology the historiographical narrative covers land water underwater air and combined operations intelligence matters diplomacy and logistics and supply It also examines the memoirs diaries autobiographies and biographies of the personnel involved Such cultural topics as journalism fiction film and art are analyzed and existing gaps in the literature are looked at The bibliography provides both descriptive and evaluative annotations

**Wartime Kitchen** Hong Suen Wong,2009 Wartime Kitchen Food And Eating In Singapore 1942 1950 Captures The Resilience And Adaptability Of A People Faced With Limited Resources And Shortages During The Japanese Occupation And In Post War Singapore Never Before Examined In Detail **Singapore** Philippe Régnier,1991-01-01 [Yamashita's Ghost](#) Allan A. Ryan,2014-10-17 I don't blame my executioners I will pray God bless them So said General Tomoyuki Yamashita Japan's most accomplished military commander as he stood on the scaffold in Manila in 1946 His stoic dignity typified the man his U S Army defense lawyers had come to deeply respect in the first war crimes trial of World War II Moments later he was dead But had justice been served Allan A Ryan reopens the case against Yamashita to illuminate crucial questions and controversies that have surrounded his trial and conviction but also to deepen our understanding of broader contemporary issues especially the limits of command accountability The atrocities of 1944 and 1945 in the Philippines rape murder torture beheadings and starvation the victims often women and children were horrific They were committed by Japanese troops as General Douglas MacArthur's army tried to recapture the islands Yamashita commanded Japan's dispersed and besieged Philippine forces in that final year of the war But the prosecution conceded that he had neither ordered nor committed these crimes MacArthur charged him instead with the crime if it was one of having failed to control his troops and convened a military commission of five American generals none of them trained in the law It was the first prosecution in history of a military commander on such a charge In a turbulent and disturbing trial marked by disregard of the Army's own rules the

generals delivered the verdict they knew MacArthur wanted Yamashita's lawyers appealed to the U S Supreme Court whose controversial decision upheld the conviction over the passionate dissents of two justices who invoked for the first time in U S legal history the concept of international human rights Drawing from the tribunal's transcripts Ryan vividly chronicles this tragic tale and its personalities His trenchant analysis of the case's lingering question should a commander be held accountable for the crimes of his troops even if he has no knowledge of them has profound implications for all military commanders

**Long Night's Journey into Day** Charles G. Roland, 2010-10-30 Sickness starvation brutality and forced labour plagued the existence of tens of thousands of Allied POWs in World War II More than a quarter of these POWs died in captivity Long Night's Journey into Day centres on the lives of Canadian British Indian and Hong Kong POWs captured at Hong Kong in December 1941 and incarcerated in camps in Hong Kong and the Japanese Home Islands Experiences of American POWs in the Philippines and British and Australians POWs in Singapore are interwoven throughout the book Starvation and diseases such as diphtheria beriberi dysentery and tuberculosis afflicted all these unfortunate men affecting their lives not only in the camps during the war but after they returned home Yet despite the dispiriting circumstances of their captivity these men found ways to improve their existence keeping up their morale with such events as musical concerts and entertainments created entirely within the various camps Based largely on hundreds of interviews with former POWs as well as material culled from archives around the world Professor Roland details the extremes the prisoners endured from having to eat fattened maggots in order to live to choosing starvation by trading away their skimpy rations for cigarettes No previous book has shown the essential relationship between almost universal ill health and POW life and death or provides such a complete and unbiased account of POW life in the Far East in the 1940s

**Indomitable Will** Charles Kupfer, 2012-04-05 Some of the worst military disasters in U S history occurred between Pearl Harbor on December 7 1941 and the Battle of Midway in June 1942 During this period the American people faced a barrage of bad news and accounts of defeats and retreats Yet if they were shocked and dismayed they showed little panic Indomitable Will resurrects the legacy of this first half year of American combat during WWII a legacy of pain but not of woe Historian Charles Kupfer recounts the story of the war's early defeats Bataan Corregidor Wake Island and the Java Sea Some of these battles remain evocative today others are obscure all were catastrophes for American arms Kupfer asserts however that later victories were made inevitable by the steeling effect of those initial disasters Weaving together military journalistic political and cultural histories this engaging book shows that by setting their collective will on victory Americans in and out of uniform gained strength from their setbacks Indomitable Will spells out how the nation turned early defeat into ultimate victory

Ian W. Shaw,2010-09-01 When Singapore fell dramatically to the Japanese on 15 February 1942 hundreds of people scrambled to leave Amongst the evacuees were 65 Australian nurses who boarded coastal freighter Vyner Brooke which Japanese bombers sank The largest group of nurses that made it to shore gathered at Radji Beach Eventually the shipwreck survivors surrendered to the Japanese rather than slowly starve to death The Japanese did not accept their surrender and divided the Europeans into three groups and killed all in turn The Australian nurses were in the third group and 21 of them died in a hail of bullets as they walked into the waters off the beach There was one survivor Vivian Bullwinkel and she went on to survive the various camps and diseases that took away several of her friends
