Michael Luick-Thrams

Out Of Hitlers Reach The Scattergood Hostel For European Refugees 193943:

Out of Hitler's Reach Michael Luick-Thrams,1996 *Out of Hitler's Reach* Michael Luick-Thrams,1996 **Hoover vs. Roosevelt** Hal Elliott Wert,2023-01-01 Herbert Hoover out of office since his defeat in 1932 by Franklin Roosevelt maintained a strong international reputation due to his achievements as an engineer and his success during World War I and beyond in organizing aid for the starving millions of Europe And yet in nearly all accounts of the ferocious debate over American aid to Europe before the United States entered World War II Hoover s role has been overlooked Hoover vs Roosevelt tells the story of American efforts to stay out of war following the German invasion of Poland Historian Arthur Schlesinger Jr called it the most savage political debate of my lifetime Both men fiercely disagreed on how to respond but the heart of their disagreement was over aid for the huge numbers of Polish refugees flooding into neighboring countries and those that were left behind Hoover found Roosevelt s policy of limited emergency aid unacceptable countering by rapidly assembling teams comprised of talented people who had served in prior Hoover relief organizations Here for the first time are the courageous stories of those that achieved that success in Romania Hungary and Lithuania When the Soviets invaded Finland on November 30 Hoover assisted the Finns by conducting a Hollywood star studded campaign spearheading nation wide support for this small country But Hoover s relief efforts were complicated by his burning ambition to obtain the Republican presidential nomination a second opportunity to defeat Roosevelt For Roosevelt Hoover s relief successes threatened to derail his limited aid policy which aimed to conserve resources to assist Britain and France and could also cost the president votes Politics aside Hoover wars in the first year of the war succeeded in forcing Roosevelt to provide far more aid than intended Hoover s victory the only one achieved in his battles with Roosevelt accomplished relief for hundreds of thousands in need Widely and deeply researched in an array of rarely used secondary and primary sources both domestic and international Hoover vs Roosevelt reveals the story of the two contenders battles over feeding Europe and going to war

Nothing Stays Put Willard Spiegelman,2023-02-28 A NEW YORKER BEST BOOK OF THE YEAR LONGLISTED FOR THE 2024 PLUTARCH AWARD An evocative portrait of the beloved and acclaimed poet whose late in life success took the literary world by storm Clampitt comes to life here Spiegelman s *Nothing Stays Put* embodies a different kind of investigation not surveillance but a thoughtful examination that at times still spins off into a kind of awe The Washington Post With the publication of her first book of poems in her sixty third year Amy Clampitt rose meteorically to fame launching herself from obscurity to the upper ranks of American poetry all but overnight and living a whirlwind eleven years until her death in 1994 Years later as renowned poetry scholar Willard Spiegelman wades into her papers and poems he discovers a woman of dazzling intellect staunch progressive politics and an inexhaustible sense of wonder for the world and the words we ve invented to describe it Giving equal weight to the life and the poetry Spiegelman untangles Clampitt s famously allusive lines to reveal the experiences they emerged from pulling the curtain back on her nearly four decades of artistic anonymity and in

doing so assembling a rich period piece of Manhattan during the days in which Clampitt worked for Oxford University Press and the National Audubon Society writing cheery discursive office memos and two novels that never got published before hitting her stride in verse *Nothing Stays Put* is a gift to poetry fans an inspiration to artists striving at any age and an ode to this most unlikely of literary celebrities who would publish five acclaimed books and win a MacArthur Genius Grant nearly all in the final decade of her life

Quaker Brotherhood Allan W. Austin, 2012-08-15 The Religious Society of Friends and its service organization the American Friends Service Committee AFSC have long been known for their peace and justice activism The abolitionist work of Friends during the antebellum era has been well documented and their contemporary anti war and anti racism work is familiar to activists around the world *Quaker Brotherhood* is the first extensive study of the AFSC's interracial activism in the first half of the twentieth century filling a major gap in scholarship on the Quakers race relations work from the AFSC's founding in 1917 to the beginnings of the civil rights movement in the early 1950s Allan W Austin tracks the evolution of key AFSC projects such as the Interracial Section and the American Interracial Peace Committee which demonstrate the tentativeness of the Friends activism in the 1920s as well as efforts in the 1930s to make scholarly ideas and activist work more theologically relevant for Friends Documenting the AFSC's efforts to help European and Japanese American refugees during World War II Austin shows that by 1950 Quakers in the AFSC had honed a distinctly Friendly approach to interracial relations that combined scholarly understandings of race with their religious views In tracing the transformation of one of the most influential social activist groups in the United States over the first half of the twentieth century *Quaker Brotherhood* presents Friends in a thoughtful thorough and even handed manner Austin portrays the history of the AFSC and race highlighting the organization's boldness in some aspects and its timidity in others as an ongoing struggle that provides a foundation for understanding how shared agency might function in an imperfect and often racist world Highlighting the complicated and sometimes controversial connections between Quakers and race during this era Austin uncovers important aspects of the history of Friends pacifism feminism American religion immigration ethnicity and the early roots of multiculturalism

Annals of Iowa, 2005 [The People Are Kind](#) Bill R. Douglas, 2024-12-30 What religion the newly opened recently indigenous territory of Iowa would become was a matter of concern to German Lutherans Austrian and French Catholics and New England Congregationalists But their funding proved no match for the myriad of choices Iowans had Methodists were everywhere and Inspirationists Freethinkers and Meskwakis all added to the chorus suggesting that hegemony was not a possibility and cooperation a better strategy Religious Iowans Black Hawk Amelia Bloomer Annie Wittenmeyer James B Weaver Billy Sunday John R Mott Luigi Ligutti Henry A Wallace Ann Landers Harold Hughes and Robert Ray all make appearances How did Sioux City pastor George Haddock get his name on streets in California How did Rev George Slater contribute to civil rights Which state was the go to for journalists looking for an American religious consensus How did Dubuque seminary professors feel about nuclear weapons How did Sr Pat Farrell

parry Vatican accusations of heresy The answers to those and many other questions the reader never thought to ask lie within With humor incisive analysis and sympathy Douglas paints a tapestry that contributes not just to religious history but argues for its importance to the history of Iowa

The 1996 Genealogy Annual Thomas Jay Kemp,1997-12 The Genealogy Annual is a comprehensive bibliography of the year s genealogies handbooks and source materials It is divided into three main sections p liFAMILY HISTORIES licites American and international single and multifamily genealogies listed alphabetically by major surnames included in each book p liGUIDES AND HANDBOOKS liincludes reference and how to books for doing research on specific record groups or areas of the U S or the world p liGENEALOGICAL SOURCES BY STATE liconsists of entries for genealogical data organized alphabetically by state and then by city or county p The Genealogy Annual the core reference book of published local histories and genealogies makes finding the latest information easy Because the information is compiled annually it is always up to date No other book offers as many citations as The Genealogy Annual all works are included You can be assured that fees were not required to be listed

A Biography of Lillian and George Willoughby Gregory Allen Barnes,2007 This work offers an authorized biography of Lillian and George Willoughby Quaker peace activists who have been at the forefront of many movements over the last century Lillian and George Willoughby resettled European refugees in the late 1930s relocated interned Japanese Americans when World War II broke out and served as conscientious objectors during the war They protested nuclear weapons in the 1950s They promoted integration of the races preservation of open spaces and new ways of communal living They opposed the Vietnam War participated in peace walks one of which reached Moscow and developed nonviolence training workshops based on Gandhian principles which they took to India and other countries in Asia In the new millennium they have engaged in the new social issues nonviolent peacekeeping in Central America and Sri Lanka protection of open spaces and opposition to the violence of the War on Drugs as well as the real war on Iraq
