Out Of Our Depth:

Essays in Analytic Theology Michael C. Rea, 2020-12-10 This book is the second of two volumes collecting together Michael C Rea s most substantial work in analytic theology The first volume focuses on the nature of God and our ability to talk and discover truths about God whereas this volume contains essays focused more on questions about humanity the human condition and how human beings relate to God Part one of Volume II considers on the doctrines of the incarnation original sin and atonement Part two examines the problem of evil the problem of divine hiddenness and a theological problem that arises in connection with the idea God not only tolerates but validates a response of angry protest in the face of these problems

Wincent Johnnie Ssen, 2017-11-13 In a federal prison in Polk County Texas Winston Butang sits on death row awaiting lethal injection for his brutal murder and desecration of a pedophilic priest Butang better known in the media as the Stigmata Killer has no reason to believe that anyone will give the eventual outcome much thought Someone however has thought about it a great deal and Winston is surprised when one of his guards springs him and whisks him off to a secret bunker in the woods Stranger still is the fact that his liberator Vincent Veselli is none other than the illegitimate son of the murdered priest Veselli it turns out had witnessed the butchery of his father and got his job as a death row guard as part of a long quest to free the man who did what he could not Things take a further unexpected twist when a catastrophic firestorm sweeps the area portending some form of Armageddon that has engulfed the continental US The two emerge from their secret bunker and together make their way north across a surreal landscape of death and devastation but they still make time for a series of explicit intimate encounters that push and pull the plot line

Visitor, 1844 **Arguing about Gods**

Graham Oppy, 2006-09-04 In this book Graham Oppy examines arguments for and against the existence of God He shows that none of these arguments is powerful enough to change the minds of reasonable participants in debates on the question of the existence of God His conclusion is supported by detailed analyses of the arguments as well as by the development of a theory about the purpose of arguments and the criteria that should be used in judging whether or not arguments are successful Oppy discusses the work of a wide array of philosophers including Anselm Aquinas Descartes Locke Leibniz Kant Hume and more recently Plantinga Dembski White Dawkins Bergman Gale and Pruss

Being Human Rowan Williams, 2018-09-04 What is consciousness Is the mind a machine What makes each of us a person How do our bodies relate to our minds In this deeply engaging exploration of what it means to be human Rowan Williams addresses these frequently asked questions with lucid meditations that draw from findings in neuroscience philosophy psychology and literature Then he presses on to ask Might faith be necessary to human flourishing If so why And how can a traditional Christian practice namely silence help us advance on the path to human maturity The book ends with a brief but profound meditation on Christ s ascension inviting readers to consider how through Jesus our humanity in all its variety and vulnerability has been transfigured and taken into the heart of the divine life Being Human is a book that readers of all religious persuasions will find both challenging and

Approved Inspired by the explosive events of our polarized political climate Burner is an all too plausible contemporary
thriller that examines the social and personal consequences of the lost sense of identity trust and truth itself that
characterizes our technology obsessed culture Shane Stoller has just been arrested for domestic terrorism accused of being
the mastermind behind the online profile Burner_911 the anonymous leader of a massive populist movement Chloe Corbin
has just been abducted by Burner_911 s followers in a lawless uprising on the streets of San Francisco targeted as the
socialite daughter of a tech billionaire What nobody knows is that Shane and Chloe are secretly in love despite coming from
opposite worlds Plagued with regret but unable to communicate with his followers from prison Shane tries desperately to
find a way to save Chloe from the forces he has unleashed From her own captivity Chloe becomes more sympathetic to
Burner_911 s cause and transitions from victim to conspirator in an effort to free herself and exonerate Shane Part tragic
love story part mind bending psychological thriller Burner dives headfirst into the modern zeitgeist of politically motivated
