Black & Decker Build Your Own Custom Closet Gillett Cole, 2007-08-15 There s almost nothing in the modern home that can delight us more than an intelligently organized nicely featured closet a place where things are organized in pleasing geometry here we can find and retrieve that perfect tie or that just right sweater instantly And there s nothing more disheartening and irritating than that murky closet from the netherworld where boxes tumble down on our heads whenever the door opens where the sheer clutter makes it impossible to identify what s inside much less retrieve the item you need Consumer desperation is why entire companies have sprung up devoted to closet organizing it s the reason homeowners sometimes spend literally thousands of dollars to have a custom closet organizer designed and installed Or they can buy this book and do it themselves for a fraction of the cost Today virtually all the materials and hardware used by custom closet fabricators is available to consumers on the racks of home centers and hardware stores Build Your Own Custom Closet is the first book to show consumers all the inside tips on designing a custom closet and how to install it using materials they can buy themselves This is the book that will lift readers from closet purgatory into the heaven of the well organized closet without selling their souls

Think of a Garden and Other Plays John Kneubuhl, 1997-04-01 By his own reckoning John Kneubuhl was the world s greatest Swiss Welsh Samoan playwright The son of a Samoan mother and an American father Kneubuhl s multicultural heritage produced a distinctive artistic vision that formed the basis of his most powerful dramatic work Born and raised in Samoa Kneubuhl attended school in Honolulu and studied under Thornton Wilder at Yale Returning to Hawai i in the mid 1940s Kneubuhl won acclaim as a playwright with the Honolulu Community Theater then moved on to Los Angeles to write for television Twenty years later he was back in Samoa lecturing on Polynesian history and culture and writing plays including the trilogy offered here Unlike much of Kneubuhl s earlier work these plays are touchingly personal in their exploration of alienation and cultural identity Think of a Garden the first play of the trilogy and the last written before the playwright s death in 1992 has been called the most Samoan of Kneubuhl s plays a candid look at the writer s bicultural upbringing that artfully weaves together family memory history and mysticism Think of a Garden makes the work of one of the Pacific s preeminent playwrights available for the first time to a wide audience of theatre enthusiasts literature specialists and others interested in Pacific themes
