Free, Howard Frederic Vos, 1992 Using Bible history as the unifying element rather than a topical approach this book shows how archaeological discoveries in Bible lands have helped to confirm the accuracy of Scripture The authors also deal with issues of Biblical interpretation and criticism not strictly archaeological in nature Free's text has been updated and revised by Vos *The Archaeologist*, 1894 The Field Diary of an Archaeological Collector Warren King Moorehead, 1904 Historical and Archaeological Truths of the Bible J.W. rigorous historical investigation shows that all those major events really took place at the dates and places indicated
