Out Of The Woodshed A Portrait Of Stella Gibbons:

Out of the Woodshed Reggie Oliver, 1998 *Out of the Woodshed* Reggie Oliver, 1998 *Out of the Woodshed* is the first biography of the author of *Cold Comfort Farm* but also offers the reader an inside view of literary London from the 1930s until Stella's death in 1989 **The Brontë Myth** Lucasta Miller, 2007-12-18 In a brilliant combination of biography literary criticism and history *The Brontë Myth* shows how Charlotte Emily and Anne Brontë became cultural icons whose ever changing reputations reflected the obsessions of various eras When literary London learned that *Jane Eyre* and *Wuthering Heights* had been written by young rural spinsters the Brontës instantly became as famous as their shockingly passionate books Soon after their deaths their first biographer spun the sisters into a picturesque myth of family tragedies and Yorkshire moors Ever since these enigmatic figures have tempted generations of readers Victorian Freudian feminist to reinterpret them casting them as everything from domestic saints to sex starved hysterics In her bewitching metabiography Lucasta Miller follows the twists and turns of the phenomenon of Brontë mania and rescues these three fiercely original geniuses from the distortions of legend **Women, Celebrity, and Literary Culture between the Wars** Faye Hammill, 2009-12-03 As mass media burgeoned in the years between the first and second world wars so did another phenomenon celebrity Beginning in Hollywood with the studio orchestrated transformation of uncredited actors into brand name stars celebrity also spread to writers whose personal appearances and private lives came to fascinate readers as much as their work *Women Celebrity and Literary Culture between the Wars* profiles seven American Canadian and British women writers Dorothy Parker Anita Loos Mae West L M Montgomery Margaret Kennedy Stella Gibbons and E M Delafield who achieved literary celebrity in the 1920s and 1930s and whose work remains popular even today Faye Hammill investigates how the fame and commercial success of these writers as well as their gender affected the literary reception of their work She explores how women writers sought to fashion their own celebrity images through various kinds of public performance and how the media appropriated these writers for particular cultural discourses She also reassesses the relationship between celebrity culture and literary culture demonstrating how the commercial success of these writers caused literary elites to denigrate their writing as middlebrow despite the fact that their work often challenged middle class ideals of marriage home and family and complicated class categories and lines of social discrimination The first comparative study of North American and British literary celebrity *Women Celebrity and Literary Culture between the Wars* offers a nuanced appreciation of the middlebrow in relation to modernism and popular culture **Biography**, 1999 An interdisciplinary quarterly **El gabinete de las hermanas Brontë** Deborah Lutz, 2017-11-08 Este íntimo retrato de las hermanas Brontë construido a partir de sus objetos personales aporta un nuevo y original enfoque en la inagotable tarea de conocer más sobre su extraordinario legado literario En esta biografía íntima y detallada de una familia literaria que ha cautivado a los lectores durante casi dos siglos la experta en literatura victoriana Deborah Lutz arroja una nueva luz sobre las vidas complejas y fascinantes de las Brontë a partir de

Jane Austen Maggie Lane,David Selwyn,2000 Jane Austen in Time offers glimpses of the lasting effects on many and various people of Jane Austen s work There are letters excerpts from diaries and books as well as solicited responses to questions **Arts & Humanities Citation Index** ,1998 A People's Tragedy Eamon Duffy,2020-11-26 As an authority on the religion of medieval and early modern England Professor Eamon Duffy is preeminent In his revisionist masterpiece *The Stripping of the Altars* Duffy opened up new areas of research and entirely fresh perspectives on the origin and progress of the English Reformation Duffy s focus has always been on the practices and institutions through which ordinary people lived and experienced their religion but which the Protestant reformers abolished as idolatry and superstition The first part of *A People s Tragedy* examines the two most important of these institutions the rise and fall of pilgrimage to the cathedral shrines of England and the destruction of the monasteries under Henry VIII as exemplified by the dissolution of the ancient Anglo Saxon monastery of Ely In the title essay of the volume Duffy tells the harrowing story of the Elizabethan regime s savage suppression of the last Catholic rebellion against the Reformation the Rising of the Northern Earls in 1569 In the second half of the book Duffy considers the changing ways in which the Reformation has been thought and written about the evolution of Catholic portrayals of Martin Luther from hostile caricature to partial approval the role of historians of the Reformation in the emergence of English national identity and the improbable story of the twentieth century revival of Anglican and Catholic pilgrimage to the medieval Marian shrine of Walsingham Finally he considers the changing ways in which attitudes to the Reformation have been reflected in fiction culminating with Hilary Mantel s gripping trilogy on the rise and fall of Henry VIII s political and religious fixer Thomas Cromwell and her controversial portrayal of Cromwell s Catholic opponent and victim Sir Thomas More **Uneasy Partners** Janice Stein,David Robertson Cameron,John Ibbitson,Will Kymlicka,John Meisel,Haroon Siddiqui,Michael Valpy,2007-05-15 After decades of extraordinary successes as a multicultural society new debates are bubbling to the surface in Canada The contributors to this volume examine the conflict between equality rights as embedded in the Charter and multiculturalism as policy and practice and ask which charter value should trump which and under what circumstances The opening essay deliberately sharpens the conflict among religion culture and equality rights and proposes to shift some of the existing boundaries Other contributors disagree strongly arguing that this position might seek to limit freedoms in the name of justice that the problem is badly framed or that silence is a virtue in rebalancing norms The contributors not only debate the analytic arguments but infuse their discussion with their personal experiences which have shaped their perspectives on multiculturalism in Canada This volume is a highly personal as well as strongly analytic discussion of multiculturalism in Canada today *Crrritic!* John Schad,Oliver Tearle,2011 Oscar Wilde famously spoke of the critic as artist whilst Terry Eagleton once celebrated the critic as clown This exciting new volume

brings together a range of writings that seek to radically re imagine the often pale figure of the literary critic In doing so we here glimpse a host of unfamiliar figures from the critic as pedestrian to the critic as suicide through the critic as revivalist and even the critic as bodger The result is a book that seeks to locate the truly critical critic or to be paradoxical the critic as critic the critic who is a critic of criticism as conventionally understood This is the final volume of the immensely successful Critical Inventions series Poetry Review Stephen Phillips, Galloway Kyle, 1969 **Problems of Communism** , 1965
 Plays and Players , 1965 *The Film Weekly* , 1951 Time & Tide , 1965
