Out West Stories About Persons And Places On The Canadian Prairies:

Saskatchewan Agriculture Brian Mlazgar, University of Regina. Canadian Plains Research Center, 2006 In this province known as the bread basket of the world agriculture is the culture which for over a century has provided the context for life in Saskatchewan In this volume are over 200 biographies of men and women who have made significant contributions to the field of agriculture in Saskatchewan Farmers and ranchers researchers teachers and inventors leaders in 4 H and the cooperative movement home economists and agriculture extension workers journalists politicians and activists whatever the individual endeavour all worked with the goal of improving farming and ultimately improving the lives of those who farmed The common denominator here is the concern for the good of the community whether local national or international a concern that has come to characterize the province itself Catalogue of the Public Archives Library Public Archives of Canada. Library, 1979 Out West Bob Phillips, 1977 In Search of Canadian Materials, 1979 *Canadian Books in Print*, 2000 **The Canadian Prairies** Gerald Friesen, 1987-01-01 A history of the Canadian prairie provinces from the days of Native European contact to the 1980s **Canadian Book Review Annual**, 1978 **Peel's Bibliography of the Canadian Prairies to 1953** Ernest Boyce Ingles, Bruce Braden Peel, Norman Merrill Distad, 2003-01-01 The Prairie Provinces cover Alberta Saskatchewan and Manitoba *The Canadian Historical Review*, 1978 Includes section Recent publications relating to Canada **Canadians**, 1987 *The Prairie Provinces of Canada* Henry J. Boam, 1914 History. Literature and the Writing of the Canadian Prairies Alison Calder, Robert Wardhaugh, 2005-05-16 The Canadian Prairie has long been represented as a timeless and unchanging location defined by settlement and landscape Now a new generation of writers and historians challenge that perception and argue instead that it is a region with an evolving culture and history In a collection of ten essays History Literature and the Writing of the Canadian Prairies explores a more contemporary prairie identity and reconfigures the prairie as a construct that is non linear and diverse responding to the impact of geographical historical and political currents These writers explore the connections between document and imagination between history and culture and between geography and time The subjects of the essays range widely the non linear structure of Carol Shields *The Stone Diaries* the impact of Aberhart's Social Credit Marshall McLuhan and Mesopotamian myth on Robert Kroetsch's prairie postmodernism the role of document in long prairie poems the connection between cultural tourism and heritage the theme of regeneration in Margaret Laurence's *Manawaka* writing the influence of imagination on geography in Thomas Wharton's *Icefields* and the effects on an alpine climber of pre WWII ideological concepts of time and individualism

Interrupting the Legal Person Austin Sarat, 2022-03-28 This special issue is part one of a two part edited collection on interrupting the legal person and what this means The chapters in this volume interrogate the role of the person and personhood in different contexts jurisdictions and legal traditions **People and Place** Jonathan Swainger, Constance Backhouse, 2011-11-01 *People and Place* presents a path breaking collection of essays demonstrating the fascinating ways in

which personalities interact with physical locale in shaping the law Examining law through the framework of history this anthology presents a mixture of innovative articles produced by established scholars as well as representatives of the next generation The collection represents a rich array of interdisciplinary expertise with authors who are law professors historians sociologists and criminologists Their essays include studies into the lives of judges and lawyers rape victims prostitutes religious sect leaders and common criminals The geographic scope touches Canada the United States and Australia The essays explore how one individual or small self identified groups were able to make a difference in how law was understood applied and interpreted They also probe the degree to which locale and location influenced legal culture history The essays offer snapshots of human history capturing the centrality of law as individuals located themselves in relation to others and to the places and times in which they lived Accessible to academics students and general readers interested in the formation of law within a social context this collection offers a compelling perspective of this subtle relationship The close examination of people and place will allow readers to unpack law s various meanings across communities and time and to move closer to a more profound awareness of the complexity of human society

Prairie Fairies Valerie J. Korinek, 2018-06-26

Prairie Fairies draws upon a wealth of oral archival and cultural histories to recover the experiences of queer urban and rural people in the prairies Focusing on five major urban centres Winnipeg Saskatoon Regina Edmonton and Calgary *Prairie Fairies* explores the regional experiences and activism of queer men and women by looking at the community centres newsletters magazines and organizations that they created from 1930 to 1985 Challenging the preconceived narratives of queer history Valerie J Korinek argues that the LGBTIQ community has a long history in the prairie west and that its history previously marginalized or omitted deserves attention Korinek pays tribute to the prairie activists and actors who were responsible for creating spaces for socializing politicizing and organizing this community both in cities and rural areas Far from the stereotype of the isolated insular Canadian prairies of small towns and farming communities populated by faithful farm families *Prairie Fairies* historicizes the transformation of prairie cities and ultimately the region itself into a predominantly urban and diverse place

From Nursery Rhymes to Nationhood Elizabeth Galway, 2010-12-22

As Canada came to terms with its role as an independent nation following Confederation in 1867 there was a call for a literary voice to express the needs and desires of a new country Children s literature was one of the means through which this new voice found expression Seen as a tool for both entertaining and educating children this material is often overtly propagandistic and nationalistic and addresses some of the key political economic and social concerns of Canada as it struggled to maintain national unity during this time *From Nursery Rhymes to Nationhood* studies a large variety of children s literature written in English between 1867 and 1911 revealing a distinct interest in questions of national unity and identity among children s writers of the day and exploring the influence of American and British authors on the shaping of Canadian identity The visions of Canada expressed in this material are often in competition with one another but together they illuminate the
