Out-of-Doors in the Holy Land Henry van Dyke, 2016-06-21 Excerpt from Out of Doors in the Holy Land Impressions of Travel in Body and Spirit For a long time in the hopefulness and confidence of youth I dreamed of going to Palestine But that dream was denied for want of money and leisure Then for a long time in the hardening strain of early manhood I was afraid to go to Palestine lest the journey should prove a disenchantment and some of my religious beliefs be rudely shaken per haps destroyed But that fear was removed by a little voyage to the gates of death where it was made clear to me that no belief is worth keeping unless it can bear the touch of reality In that year of pain and sorrow through a full surrender to the Divine Will the hopefulness and confidence of youth came back to me Since then it has been possible once more to wake in the morning with the feeling that the day might bring something new and wonderful and welcome and to travel into the future with a whole and happy heart About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www forgottenbooks com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works The History of Galilee, 1538-1949 M. M. Silver, 2022-01-28 This study of Galilee in modern times reaches back to the region s Biblical roots and points to future challenges in the Arab Jewish conflict Israel s development and inter faith relations This volume covers an array of subjects

including Kabbalah the rise of Palestinian nationalism modern Christian approaches to Galilee's past and present Zionist pioneering the roots of the Arab Jewish dispute and the conflict's eruption in Galilee in 1948 The book shows how the modernization of Galilee intertwined with mystical belief and practice developing in its own grassroots way among Palestinians Orthodox Jews Christians and Druze rather than being a byproduct of Western intervention In doing so The History of Galilee 1538 1949 Mysticism Modernization and War offers fresh challenging perspectives for scholars in the history of religion military history theology world politics middle eastern studies and other disciplines Holy Land Henry Van Dyke, 2014-10-16 For a long time in the hopefulness and confidence of youth I dreamed of going to Palestine But that dream was denied for want of money and leisure Then for a long time in the hardening strain of early manhood I was afraid to go to Palestine lest the journey should prove a disenchantment and some of my religious beliefs be rudely shaken perhaps destroyed But that fear was removed by a little voyage to the gates of death where it was made clear to me that no belief is worth keeping unless it can bear the touch of reality In that year of pain and sorrow through a full surrender to the Divine Will the hopefulness and confidence of youth came back to me Since then it has been possible once more to wake in the morning with the feeling that the day might bring something new and wonderful and welcome and to travel into the future with a whole and happy heart Luther League Review ,1918 The Seekers Jessie E. Sampter, 2021-05-19 In The Seekers Jessie E Sampter delves into the nuanced exploration of the guest for truth and meaning in a rapidly changing world This compelling narrative weaves together vivid characterization and lyrical prose encapsulating the struggles of individuals caught between tradition and modernity Set against a backdrop of societal upheaval the novel s philosophical musings reflect the existential dilemmas of its protagonists embodying themes of spiritual seeking and the quest for identity Sampter's unique literary style resonates with readers merging elements of mysticism with poignant realism making this work stand out in early 20th century American literature where conventional boundaries were often tested and redefined Jessie E Sampter an influential figure in early Jewish American literature drew upon her rich cultural heritage and personal experiences with spirituality and social justice to craft The Seekers Her commitment to progressive ideals and her exploration of themes such as faith and personal growth are deeply rooted in her own life as an activist and a seeker of knowledge Sampter's background helps illuminate her characters journeys infusing the narrative with authenticity and depth This thought provoking novel is highly recommended for readers who are fascinated by introspective literature that questions the fabric of societal norms The Seekers serves as an invitation to reflect on one s own quest for understanding making it not just an enjoyable read but a transformative experience as well The United States Catalog ,1909 The Last Historian in Galilee M. M. Silver, 2025-04-17 What do the history and cultures of Judaism and Christianity have to say about the most urgent and complicated problems and crises of our times Is it a logical outcome of relations between these faiths that Israel is increasingly accused of colonialism or genocide and also vociferously defended

against these charges by Christians and Jews in America and elsewhere Is the widespread sense that truth in politics and public life has become an endangered species also a logical outcome of how Jewish and Christian relations and affairs have evolved since the period of Jesus and the Second Temple through to the start of the twentieth century and up to today And what about these religions and their histories and the glaringly unequal distribution of wealth in democracies today The three essays in The Last Historian in Galilee examine the three broad issues laden within such questions money truth and power Branching out from the Galilee region of Jesus youth where fracture between the two religions first erupted these readable lively essays survey how the two religions have related to these topics for two thousand years They end with a no holds barred discussion of the three topics contemporary expressions as in debates about Zionist colonialism
