## **Out Of My Time:**

**Lawyering from the Inside Out** Nathalie Martin, 2018-06-07 Law is a varied powerful and highly rewarding profession. Studies show however that lawyers have higher rates of alcoholism, divorce and even suicide than the general population. Stress creates these poor outcomes including the stress of dealing with other people's problems all day, the stress of spending excessive amounts of time at work and the stress of being disconnected to what is most meaningful in life. Through mindfulness and emotional intelligence training, lawyers can improve focus, get more work done in less time, improve their interpersonal skills and seek and find work that will make their lives more meaningful. This book is designed to help law students and lawyers of all experience levels find a sustainable and meaningful life in the field of law. This book includes journaling and other interactive exercises that can help lawyers find peace, focus, meaning and happiness over a lifetime of practicing law.

*Run, Don't Walk* Adele Levine, 2014-04-10 M A S H meets *Scrubs* in a sharply observant, darkly funny and totally unique debut memoir from physical therapist Adele Levine. In her six years at Walter Reed Army Medical Center, Adele Levine rehabilitated soldiers admitted in worse and worse shape. As body armor and advanced trauma care helped save the lives of not the limbs of American soldiers fighting in Afghanistan and Iraq, Walter Reed quickly became the world leader in amputee rehabilitation. But no matter the injury, physical therapy began the moment the soldiers emerged from surgery. Days at Walter Reed were intense, chaotic, consuming and heartbreaking, but they were also filled with camaraderie and humor. Working in a glassed-in fishbowl gymnasium, Levine, her colleagues and their combat-injured patients were on display at every moment to tour groups, politicians and celebrities. Some would shudder openly at the sight, but inside the glass and out of earshot, the PTs and the patients cracked jokes, played pranks and compared stumps. With dazzling storytelling, *Run Don't Walk* introduces a motley array of oddball characters, including Jim, a retired lieutenant colonel who stays up late at night baking cake after cake, and the militant dietitian who is always after him, a surgeon who only speaks in farm analogies, a therapy dog gone rogue and Levine's toughest patient, the wild, defiant Cosmo, who comes in with one leg amputated and his other leg shattered. Entertaining, engrossing and ultimately inspiring, *Run Don't Walk* is a fascinating look into a hidden world.
