Out Of Steam The Beeching Years In Hindsight:

Out of Steam Robert Adley,1990-01-01 Government, the Railways and the Modernization of Britain Charles Loft,2006-09-27 This work explains the background to and politics behind the infamous Beeching Report which recommended the closure of a third of Britain's railways Last Trains Charles Loft,2013-03-27 The debate about Dr Richard Beeching will rage until the Second Coming and probably beyond But in Charles Loft's careful examination of the Beeching Report we have as fine a study as we are going to possess in the meantime Peter Hennessy Loft's great strength is his judiciousness He understands the political processes and assesses them fairly minded And his verdict will I suspect hold up better than any of Beeching's judgements Matthew Engel Financial Times Prepare to be impressed shocked and saddened This is undoubtedly one of the best books of the year a riveting read Railways Illustrated Lucid to the point thought provoking at every turn Last Trains is a volume that everyone should read before making judgements about the rail closures of the Sixties Heritage Railway Thoughtful and well researched analysis Edinburgh Evening News During the course of the 1950s England lost confidence in its rulers and convinced itself it must modernise The failing steam powered local railways run by Colonel Blimp symbolised everything that was wrong with the country surely the future lay in motorways and high speed express trains Along came Dr Beeching with his diagnosis and suddenly branch line Britain was gone for ever The debate about the Beeching cuts has raged ever since In this superbly researched examination Charles Loft exposes the political failures that bankrupted the railways and lays bare the increasing alienation of bureaucrats from the public they were trying to serve The result is a fascinating study of a nation grappling to come to terms with modernity **Diverging Mobilities** Danny MacKinnon,Jon Shaw,Iain Docherty,2008-02-18 This book presents an academic investigation into the impact of devolution on the formulation and delivery of transport policy in the UK Using interviews with key policy makers transport providers business organisations and user groups this book draws upon concepts and ideas from across the social sciences to inform their analysis *The Railway Magazine* ,2004-01 *Railways in Britain* Roy E. H. Mellor,1994 *Car Wars* Chris Mosey,2000 In *Car Wars* author Chris Mosey offers a provocative and challenging investigation into the invention and development of the car In doing so he traces its turbulent history and the equally controversial developments of British Transport policy asking if we are heading on a road to nowhere **Ottley's Bibliography of British Railway History. Second Supplement 12957-19605** ,1998 **Tensions et conflits autour des chemins de fer britanniques au 20e siècle** Marc Nussbaumer,2000 British Book News ,1990 **British Book News** British Council,1990 Includes no 53a British wartime books for young people Electric Railway Society Journal ,1989 **The Cumulative Book Index** ,1991 A world list of books in the English language **The British National Bibliography** Arthur James Wells,1968 **Fire and Steam** Christian Wolmar,2008-05-01 Now in paperback *Fire and Steam* tells the dramatic story of the people and events that shaped the world's first railway network one of the most impressive engineering achievements in history The opening of the

pioneering Liverpool and Manchester Railway in 1830 marked the beginning of the railways vital role in changing the face of Britain Fire and Steam celebrates the vision and determination of the ambitious Victorian pioneers who developed this revolutionary transport system and the navvies who cut through the land to enable a country wide network to emerge The rise of the steam train allowed goods and people to circulate around Britain as never before stimulating the growth of towns and industry as well many of the facets of modern life from fish and chips to professional football From the early days of steam to electrification via the railways magnificent contribution in two world wars the checkered history of British Rail and the buoyant future of the train Fire and Steam examines the social and economical importance of the railway and how it helped to form the Britain of today *Trelawny's Cornwall* Petroc Trelawny,2024-08-15 It would be hard to think of a more thoroughly Cornish name than Petroc Trelawny His first name is shared with one of Cornwall's most celebrated saints his second is the name of its unofficial national anthem But when a stranger challenges the Radio 3 presenter on his ancestry he is inspired to return to the lands of his boyhood to rediscover the place where he grew up and attempt to confirm if he still belongs there Part history part memoir this is a deeply felt exploration of Cornwall past present and future Petroc embarks on a slow journey that sees him visit old mine workings ancient churches sites where new technology was forged and places where poets musicians architects and film makers have worked to shape Cornwall's cultural identity He explores the Tamar the river that marks out the Cornish frontier and holds a finger up to winds of change exploring the collapse of Methodism the decline of the Cornish language and the complex sometimes lucrative sometimes destructive relationship with tourism As he travels by road rail and foot he conjures marvellously vivid figures and scenes from memory telling the stories of a loving family full of mysteries and a landscape still redolent of Cornish otherness *Ernest Marples* David Brandon,Martin Upham,2022-01-12 This biography examines the life and career of the conservative politician who led the charge to reshape British Railways in the mid twentieth century Ernest Marples was one of the most influential and controversial British politicians of the mid twentieth century As the Minister of Transport 1959 1964 he appointed Dr Beeching chairman of British Railways and commissioned him to produce his infamous Beeching Report Earlier as Postmaster General 1957 1959 he reformed Post Office accounting systems and launched postcodes and Subscriber Trunk Dialing Though Marples evaded implicated in the Profumo Affair which rocked the Conservative Party his political career was over soon afterwards Questionable business practices and a 1975 flight to Monaco drew scrutiny from Inland Revenue Beeching unhappy under a Labour government returned to private industry This biography of Marples draws on newly available archives to examine Marples's career as well as public and private transport policy the growing power of the pro road lobby and the successful campaign to identify personal freedom with driving **The Great Western Steam Retreat** Keith Widdowson,2022-01-06 In mid 1964 Keith Widdowson got wind that the Western Region was hell bent on being the first to eliminate the steam locomotive on its tracks by December 1965 The 17 year old hurriedly homed in on train services still in the hands of GWR

steam power aiming to catch runs with the last examples before their premature annihilation The Great Western Steam Retreat recalls Widdowson's teenage exploits soundtrack by hits from the Beatles the Kinks and the Rolling Stones throughout the Western Region and former Great Western Railway lines He documents the extreme disorder that resulted from that decision paying tribute to the train crews who managed to meet demanding timings in the face of declining cleanliness the poor quality of coal and the major problem of recruiting both footplate and shed staff This book completes the author's Steam Chase series and provides a snapshot into the comradery that characterised the final years of steam alongside the long gone journeys that can never be recreated

Midland Main Lines to St Pancras and Cross Country

John Palmer, 2017-02-28 The history of British Railways in the late 1950s early 1960s is characterized by change massive change as its management attempted to meet statutory obligations against a background of social economic and political influences The Modernisation Plan of 1955 paved the way for the electrification of the route from Manchester to London Euston with a consequential effect of the Midland route services via Derby needing to be enhanced and improved That eventually resulted in the arrival of class 7 steam motive power and later also benefitted the cross country Midland route This book details year by year the changes that took place and provides an insight into the reasons why decisions were taken and how the railway management was faced with a vast range of technological natural socioeconomic challenges to be overcome whilst also trying to meet the day to day needs of the operational railway In addition to tracing the history of the routes the book includes performance logs of typical journeys along difficult sections recollections of railway men working in various departments and for enthusiasts a list of rare and unusual locomotive workings The book is profusely illustrated with black and white as well as color photographs and also includes a comprehensive range of maps
