Nelson, 2009-05 Kalif Brown is an inspiring basketball star who has what it takes to make it to the NBA He's a high school senior with big dreams But his off the court lifestyle of drugs and guns may land him in jail or dead Growing up in a drug infested neighborhood filled with junkies and criminals doesn't make his situation any better And like most young black men and women he's living in a single parent home with his mother He doesn't have a father figure therefore he turns to a local dealer to fill that image of a father Kalif must make a choice Will it be Hustling or Hooping And he must make this decision fast because his dreams and life may depend on it Many young inner city athletes and those not into sports deal with the pressures of everyday life And many find it hard to deal with especially if they don't have anyone to talk to Hustling or Hooping may be a fictional book but there is a Kalif Brown in every urban city in the U.S Many young black men grow up fatherless and turn to the streets for a family The outcome is usually negative But many do make it out of their situations This book is highly recommended for any young man or woman who is growing up in a negative environment and feels as though he or she cannot make that change for the good This book can be a tool to make that negative situation a positive one But also this book reveals the consequences of not making that change for the better *Step Dancing in Ireland* Catherine E. Gaelic Cape Breton Step-Dancing John G. Gibson, 2017-07-04 The step dancing of the Scotch Gaels in Nova Scotia is the last living example of a form of dance that waned following the great emigrations to Canada that ended in 1845 The Scotch Gael has been reported as loving dance but step dancing in Scotland had all but disappeared by 1945 One must look to Gaelic Nova Scotia Cape Breton and Antigonish County to find this

tradition Gaelic Cape Breton Step Dancing the first study of its kind gives this art form and the people and culture associated with it the prominence they have long deserved Gaelic Scotland's cultural record is by and large pre literate and references to dance have had to be sought in Gaelic songs many of which were transcribed on paper by those who knew their culture might be lost with the decline of their language The improved Scottish culture depended proudly on the teaching of dancing and the literate learning and transmission of music in accompaniment Relying on fieldwork in Nova Scotia and on mentions of dance in Gaelic song and verse in Scotland and Nova Scotia John Gibson traces the historical roots of step dancing particularly the older forms of dancing originating in the Gaelic speaking Scottish Highlands He also places the current tradition as a development and part of the much larger British and European percussive dance tradition With insight collected through written sources tales songs manuscripts book references interviews and conversations Gaelic Cape Breton Step Dancing brings an important aspect of Gaelic history to the forefront of cultural debate
