Out Of The Class Closet Lebiens Speak:

Out of the Class Closet Julia Penelope, 1994 **The Story of Sexual Identity** Phillip L. Hammack, Bertram J.

Cohler, 2009-03-06 This book assembles a diverse group of scholars working within a new pathbreaking paradigm of sexual science fusing perspectives from history sociology and psychology The contributors are united in their commitment to the idea of narrative as central to the study of sexual identity offering an analytic approach to social science inquiry on sexual identity that restores the voices of sexual subjects The result is a rich examination of lives in context with an eye toward multiplicity and meaning across the life course Central to the chapters in this volume is the significance of history generation and narrative in the provision of a workable and meaningful configuration of identity *Lesbians in Academia* Beth

Mintz, Esther D. Rothblum, 2013-10-31 How can being closeted or out affect the personal and professional life of a lesbian in academia This volume a collection of over thirty personal narratives explores what it s like to be a lesbian working in a college or university setting Along with the stories are in depth analyses of the narratives by other academics Issues such as race class and age and how these factors distinguish each individual s place in the academy are examined The contributors have written from a wide range of experiences different degrees of outness various academic disciplines many geographic locations and several types of academic settings **Lesbian and Gay Parenting** Y. Taylor, 2009-07-30 This book explores

the intersections between class and sexuality in lesbians and gay men s experiences of parenting and the everyday pathways navigated therein from initial routes into parenting to location preferences schooling choice and community supports

Working-Class Lesbian Life Yvette Taylor, 2007-07-13 This is an original study of women self identified as working class and lesbian showing the significance of class and sexuality in their biographies everyday lives and identities It provides insight a critique of queer theory and an empirical interrogation of the embodied spatial and material intersection of class and sexuality **Out in the Union** Miriam Frank, 2014-06-13 Out in the Union tells the continuous story of queer American

workers from the mid 1960s through 2013 Miriam Frank shrewdly chronicles the evolution of labor politics with queer activism and identity formation showing how unions began affirming the rights of lesbian gay bisexual and transgender workers in the 1970s and 1980s She documents coming out on the job and in the union as well as issues of discrimination and harassment and the creation of alliances between unions and LGBT communities Featuring in depth interviews with LGBT and labor activists Frank provides an inclusive history of the convergence of labor and LGBT interests She carefully details how queer caucuses in local unions introduced domestic partner benefits and union based AIDS education for health care workers innovations that have been influential across the U S workforce Out in the Union also examines organizing drives at queer workplaces campaigns for marriage equality and other gay civil rights issues to show the enduring power of LGBT workers *Lesbians and Lesbian Families* Joan Laird, 1999 This cutting edge collection of articles examines the sociocultural context of the lives of lesbians and lesbian families and reveals how new insights about lesbian identities

experiences and relationships can be integrated into clinical theory and practice A family therapist Joan Laird presents several clinical approaches to working with lesbians as individuals and in couple and parenting relationships and to viewing sexual orientation in its full complexity of race class gender and cultural identity Rich with clinical case studies and research on the everyday lives of lesbian families this book includes chapters on the strategic language of self disclosure the family lives of lesbian mothers and lesbian mothers who come out to their adolescent children Class Matters Pat Mahony,Christine Zmroczek,2005-08-19 This text focuses on the theory of class as it relates to women It debates questions such as how do women define themselves in terms of social class and why is definition important or not what part does education play in our understanding of class and how does class affect relationships **Califia Women** Clark A. Pomerleau,2013-11-15 Launched in 1975 the Califia Community organized activist educational camps and other programs in southern California until its dissolution in 1987 An alternative to mainstream academia s attempts to tie feminism to university courses Califia blended aspects of feminism that spanned the labels second wave and radical attracting women from a range of gender expressions sexual orientations class backgrounds and races or ethnicities Califia Women captures the history of the organization through oral history interviews archives and other forms of primary research The result is a lens for re reading trends in feminist and social justice activism of the time period contextualized against a growing conservative backlash Throughout each chapter readers learn about the triumphs and frictions feminists encountered as they attempted to build on the achievements of the postwar Civil Rights movement With its backdrop of southern California the book emphasizes a region that has often been overlooked in studies of East Coast or San Francisco Bay area activism Califia Women also counters the notions that radical and lesbian feminists were unwilling to address intersectional identities generally and that they withdrew from political activism after 1975 Instead the Califia Community shows evidence that these and other feminists intentionally created an educational forum that embraced oppositional consciousness and sought to serve a variety of women including radical Christian reformers Wiccans scholars of color and GLBT activists **The Family Silver** Susan Krieger,1996-10-21 A magnificent read a profoundly personal narrative The Family Silver is on the cutting edge of feminist scholarship Verta Taylor coeditor of Feminist Frontiers Just as Krieger s The Mirror Dance was the first to describe the lesbian community The Family Silver is the first book to blend the personal familial relational professional and political roles of lesbians in today s society I loved reading it Esther Rothblum editor of Journal of Lesbian Studies Render Me, Gender Me Kath Weston,1998-04-07 In day to day life people often act as if they know exactly what they mean by boys and girls masculine and feminine butch and femme Render Me Gender Me challenges comfortable assumptions about gender by weaving Kath Weston s own thought provoking commentary together with the voices of lesbians from a variety of race and class backgrounds *Homecoming Queers* Marivel T. Danielson,2009-08-24 Homecoming Queers provides a critical discussion of the multiple strategies used by queer Latina authors and artists in the United States to challenge silence and

invisibility within mainstream media literary canons and theater spaces Marivel T Danielson's analysis reveals the extensive legacy of these cultural artists including novelists filmmakers students and activists comedians performers and playwrights By clearly discussing the complexities and universalities of ethnic racial sexual gender and class intersections between queer Chicana and U S Latinas Danielson explores the multiple ways identity shapes and shades creative expression Weaknesses and gaps are revealed in the treatment of difference as a whole within dominant and marginalized communities Spanning multiple genres and forms and including scholarly theory alongside performances films narratives and testimonials *Homecoming Queers* leads readers along a crucial path toward understanding and overcoming the silences that previously existed across these fields

Radically Speaking Diane Bell, Renate Klein, 1996 The contributors to *Radically Speaking* show that a radical feminist analysis cuts across class race sexuality region religion and across the generations It is essential reading for Women's Studies sociology cultural studies and anyone interested in processes of social change The collection reveals the global reach of radical feminism and analyzes the causes and solutions to patriarchal oppression Seventy writers discuss their ideas and practice of contemporary feminism

Labeling Glenn Hudak, Paul Kihn, 2014-04-04 Impressive collection of contributors although many from US International appeal labeling is an international phenomenon Hudak delivers more than just a theoretical examination he also includes some personal accounts the topic is explored from a diverse range of subject areas including philosophy psychology and cultural studies

Who Cares? Michele J. Eliason, 1996 The health care professions take pride in the philosophy that all persons receive equal treatment Yet prejudice fears and stereotyping are so deeply ingrained in our society that discrimination is widespread Gay lesbian and bisexual persons are often harassed mistreated or misunderstood in our health care systems This book explores how prejudices have become institutionalized and offers viable solutions for real change Essential for educators students nurses health care professionals community activists all those interested in combating prejudice

Collecting and the Internet Susan Koppelman, Alison Franks, 2014-10-01 The Internet has had a profound effect on collecting because of the Web collectibles are now more readily available collections more easily displayed for a wider audience and collectors online communities are larger and often quite intimate In addition the Web has added new items to the pantheon of collectibles including digital bits that whether considered virtual or material are nevertheless collectible In this work essays discuss the age old habit of collecting and its modern relationship with the Internet Topics include individually authored websites online auctions watches eyewear Kelly dolls the gambler's rush of online acquisition mp3s collecting friends via online social networking sites and online museums among others

Encyclopedia of Lesbian and Gay Histories and Cultures George Haggerty, Bonnie Zimmerman, 2003-09-02 Beginning in 1869 when the study of homosexuality can be said to have begun with the establishment of sexology this Encyclopedia offers accounts of the most important international developments in an area that now occupies a critical place in many fields of academic endeavours While gays and lesbians have shared many aspects of life

their histories and cultures developed in profoundly different ways To reflect this crucial fact the Encyclopedia has been prepared in two separate volumes assuring that both histories receive full unbiased attention and that a broad range of human experience is covered Written by some of the most famous names in the field as well as new researchers this is intended as a reference for students and scholars in all areas of study as well as the general public **Lesbians in Print** Margaret Gillon,1995 **Rethinking Sexuality** Diane Richardson,2000-10-26 This thoughtful and accessible book provides a critical examination of the central debates attached to conceptualizing sexuality as a site of knowledge and politics These are explored in chapters on the meaning of heterosexuality sexual citizenship and the associated notions of sexual rights and obligations queer theory and its relationship with feminisms both new and old Also included is discussion of responses to the HIV AIDS epidemic and the implications for understandings of gender and sexuality **Desperately Seeking Sisterhood** Magdalene Ang-Lygate,Chris Corrin,Millsom S.
