

Retailing Trends

- **Out of town (OOT) shopping centres** – now found on the outskirts of most major towns as they have good infrastructure and free car parking
- **Hypermarkets and Superstores** – these sell many goods and services all under the one roof (sell petrol, pharmacy, post office)
- **Convenience supermarkets** – changing work patterns and lifestyle changes, growth of smaller supermarkets in convenient locations
- **Online retailers** – rather than setting up their own e-commerce site, some manufacturers will sell through sites such as Amazon (dubbed e-tailer – the largest online retailer)
- **Discount stores** – in response to the recession, discount stores have become popular in the UK
- **Extended opening hours 24/7**
