Out On A Limb American Autobiography:

American Women's Autobiography Margo Culley,1992 Focus on the works of Harriet Jacobs Elizabeth Cady Stanton Gertrude Stein Mary McCarthy Maxine Hong Kingston and others **Out on a Limb** Louise Baker,2013-03-01 Bonded Leather binding **African American Autobiography and the Quest for Freedom** Roland Leander Williams,2000-01-30 Slave narratives were one of the earliest forms of African American writing These works autobiographical in nature later fostered other pieces of African American autobiography Since the rise of Black Studies in the late 1960s leading critics have constructed black lives and letters as antitheses of the ways and writings of mainstream American culture According to such thinking black writing stems from a set of experiences very different from the world of whites and black autobiography must therefore differ radically from heroic white American tales But in pointing to differences between black and white autobiographical works these critics have overlooked the similarities This volume argues that the African American autobiography is a continuation of the epic tradition much as the prose narratives of voyage by white Americans in the nineteenth century likewise represent the evolution of the epic genre The book makes clear that the writers of black autobiography have shared and shaped American culture and that their works are very much a part of American literature An introductory essay provides a theoretical framework for the chapters that follow It discusses the origins of African American autobiography and the larger themes of the epic tradition that are common to the works of both black and white authors The book then pairs representative African American autobiographies with similar works by white writers Thus the volume matches Olaudah Equiano's slave narrative with The Autobiography of Benjamin Franklin the Narrative of the Life of Frederick Douglass An American Slave with Richard Henry Dana's Two Years Before the Mast and Harriet Jacobs Incidents in the Life of a Slave Girl with Fanny Fern's Ruth Hall The study indicates that these various works all recognize the importance of learning as a means for attaining freedom The final chapter provides a broad survey of the African American autobiography **The Haunting of Twenty-First-Century America** William J. Birnes,Joel Martin,2013-12-17 In this sequel to The Haunting of America and The Haunting of Twentieth Century America national bestselling authors Joel Martin and William J Birnes set the stage for one of the great intellectual and spiritual awakenings that is currently challenging traditional belief systems Reaching back into events that rocked the twentieth century the authors show that though denying the importance of a spiritual component in national policy even the most conservative of governments have based social and financial policy decisions on a profound belief in the existence of the paranormal The Haunting of Twenty First Century America is unlike any American history you will ever read it posits that not only is the paranormal more normal than most people think but that it is driving current events to a new Fourth Culture of the twenty first century **Paranormal America (second Edition)** Christopher D. Bader,Joseph O. Baker,F. Carson Mencken,2017-04-18 Based on extensive research and their own unique personal experiences the authors reveal that a significant number of Americans hold these

beliefs and that for better or worse we undoubtedly live in a paranormal America Readers will join the authors as they participate in psychic and palm readings and have their auras photographed join a Bigfoot hunt follow a group of celebrity ghost hunters as they investigate claims of a haunted classroom and visit a support group for alien abductees Provided by publisher *Classic American Autobiographies* William L. Andrews,2014-12-02 The true diversity of the American experience comes to life in this superlative collection of autobiographies including those of Benjamin Franklin Frederick Douglas Mark Twain and more A True History of the Captivity and Restoration of Mrs Mary Rowlandson 1682 perhaps the first American bestseller recounts this thirty nine year old woman s harrowing months as the captive of Narragansett Indians The Autobiography of Benjamin Franklin 1771 1789 the most famous of all American autobiographies gives a lively portrait of a chandler s son who became a scientist inventor educator diplomat humorist and a Founding Father of this land Narrative of the Life of Frederick Douglass 1845 the gripping slave narrative that helped change the course of American history reveals the true nature of the black experience in slavery Old Times on the Mississippi 1875 Mark Twain s unforgettable account of a riverboat pilot s life established his signature style and shows us the metamorphosis of a man into a writer Four Autobiographical Narratives 1900 1902 published in the Atlantic Monthly by Zitkala Sa Red Bird also known as Gertrude Bonnin provide us with a voice too seldom heard a Native American woman fighting for her culture in the white man s world Edited and with an Introduction by William L Andrews and an Afterword by Paul John Eakin **Encyclopedia of Film Themes, Settings and Series** Richard B. Armstrong,Mary Willems Armstrong,2015-07-11 The first editon was called the most valuable film reference in several years by Library Journal The new edition published in hardcover in 2001 includes more than 670 entries The current work is a paperback reprint of that edition Each entry contains a mini essay that defines the topic followed by a chronological list of representative films From the Abominable Snowman to Zorro this encyclopedia provides film scholars and fans with an easy to use reference for researching film themes or tracking down obscure movies on subjects such as suspended animation viral epidemics robots submarines reincarnation ventriloquists and the Olympics Excellent said Cult Movies The volume also contains an extensive list of film characters and series including B movie detectives Western heroes made for television film series and foreign film heroes and villains **Mark Twain for Cat Lovers** Mark Dawidziak,2016-09-01 America is cat crazy and Mark Twain may have been the American writer most crazy about cats From his boyhood in Hannibal Missouri to his last years in Connecticut Mark Twain spent much of his life surrounded by cats and they stalk through many of his best known books including The Innocents Aboard Roughing It The Adventures of Tom Sawyer A Connecticut Yankee in King Arthur s Court and Puddn head Wilson In this lighthearted book Twain scholar Mark Dawidziak explores the writer s lifelong devotion to cats through stories excerpts quotes photos and illustrations illuminating a little known side of this famous writer s life that will appeal to Twain aficionados and cat lovers alike The National Cyclopaedia of American Biography ,1927 **True Life Stories: The Greatest Native American**
