Geocentricity might well be egocentricity the phenomenon of retrograde motion is based on our Earth centered view of the solar system but the movement and cycles of retrograde planets are based entirely on the apparent motion of the Sun through the zodiac Sullivan organizes and explains retrograde motion from a systems view point the system of the Sun and planets and interprets retrograde planets natally by progression and in transit      **Way of the Warrior Priestess** Raven Woman Aya,1998 A woman who struggles on the spiritual path needs validation guidance inspiration and practical advice This handbook is to help her survive the transition of the past several centuries and come to her full empowerment This is especially for she who needs to reprogram herself as the Warrior Priestess in what is still a mans world It is for the one who seeks to understand her place as the embodiment of the Divine Feminine Spirit because now it is time to uplift the wounded feminine consciousness to its rightful power to transmute the negative results of ignorance and subjugation This book is a call and a guide for the neophyte on the Path as well as for all the extraordinary women who are searching for a Friend in the dark when they are feeling most damned and abandoned because of their Vision It is for all the Spiritual Warrior Priestesses who have forgotten some of the pitfalls as well as the joys of their Journey This book will serve as an inspiration for those who have lost that Sight In the playing field of womens spirituality no one book or resource offers such a clear picture of the magical destiny of the Woman of Tomorrow especially for those with eclectic beliefs THE WAY OF THE WARRIOR PRIESTESS addresses this need for self transformation by inspiring the reader with important quotations as well as the authors guidance step by step direction affirmations useful astrological insights as well as a section that asks questions that will push the reader into changing some tired perceptions It is written to fire up the spirit of the sleeping Feminine Spirit in both women and men It is a handbook and empowerment manual for the growing army of individuals born at this special time in Mother Earths history to help rebalance Her during certain changes for all of those brave souls willing to go in an exciting new direction WHY THE READER SHOULD READ THIS BOOK This is not another book about the womens spirituality movement or about why women are goddesses Rather it is a bridge between traditional magickal wisdom and the everyday challenges of the woman of the 90s It is a call to transformation and will answer the intense desire for women of all ages and colors to heal their lives It will give them permission and purpose to become what they really are perfected beings It will also bring on an almost instant wakeup call for men It embraces no particular theology religion or mythology and is not a psychological treatise It does not advocate any one path to take nor is it anti anything except ignorance It does come from a spacious metaphysical vision that many will relate to with a sigh of relief The average woman is still rather paralyzed and in partial ignorance of her power as a Magical Being because she does not even have the voice or words to help herself And most books on this subject are still either too academic or beyond the average womans experiences This book will serve as a tool and a light to help her see herself The Talking Stick section at the end of each chapter is to jumpstart some profound self

questioning as well as a handy starting point in teaching situations ideal to teach self empowerment workshops all over the world The extensive Resources section at the back of the book is to help locate the key material for the process This book will be appropriate for several markets Feminist Goddess Spiritual Metaphysical Womens Self Help It should be in metaphysical centers universities feminist study groups and womens conferences and gatherings It is for women ages 16 90 who seek inspiration and practical advice It is for men who are trying to align with the female spirit both in Astrology and Aptitude Kim Falconer,2005-07 Joseph Campbell advised everyone to live authentically by following our bliss but how many of us do Somewhere along the way we lose sight of our aims We forget the myths that guide us and end up lost in the dark This book is a light in that darkness a guide to our own natural talents aptitudes and potential With Astrology and Aptitude you will Explore abilities related to the planets signs and houses Discover over 30 minor asteroids linked to career and creativity Follow practical delineations and chart examples Learn about talents hidden in the fixed stars Vertex and Aries Point Become the person you are most capable of being Focusing on the symbolic meaning of the signs houses planetary aspects and transits this book describes ways to identify and boost the natural modes of expression bringing them out into the open Included are delineations of asteroid gods and goddesses fixed stars Arabic parts the Vertex Aries Point midpoints and Lunar Nodes Also included is a reference guide to vocational rulerships and a comprehensive index Astrology and Aptitude is a must read for everyone serious about becoming everything they can possibly be and supporting others to do the same

*The Mythic Tarot* Juliet Sharman-Burke,Liz Greene,2001-10-02 With a striking new cover design a durable deck of cards and a reinforced book binding this new edition of The Mythic Tarot gives beginning and experienced readers a kit they can use and cherish for years Illustrations Full deck of cards The Gospel & the Zodiac Bill Darlison,2008-02-14 Darlison elucidates the zodiac s significant place in the Gospels most specifically in the Book of Mark An intriguing leap into faith Kirkus Reviews For millennia the world has been driven by the differences between the great patriarchal religions Western civilization or Christendom as it was once called received its values and its confidence from a belief in God the Father and Jesus his only son But what if this conviction were founded on an error Who is the man in the factually inconsistent Gospel stories And who is the man who makes a brief appearance carrying a jar of water This extraordinary study by a Unitarian minister suggests that Jesus never existed historically he was simply a representation of an astrological theology a representation simply put of the zodiac sign of Aquarius In The Gospel the Zodiac Rev Bill Darlison demonstrates that all the other signs are present too in perfect zodiacal order The Gospel story is not the product of historians or eyewitnesses but an older mystical text produced by an ancient esoteric school as a guide to the Age of Pisces Every bit as revelatory and controversial as it sounds The Gospel the Zodiac will shake up the religious status quo and in doing so provide both a new look at a religious icon and a deeper understanding of the faith that binds millions together Darlison begins by looking at different scholarly approaches to the gospels then outlines his astrological interpretation logically and lucidly matching the

Moody,2019-11-04 Astrology provides intelligence to forecast and plan our actions in all manner of day to day concerns and I believe that major collective concerns like seasons in the economy and war benefit from the same treatment I am an astrologer who has practiced Mundane astrology the astrology of countries and their leaders for three decades This book has deep roots Purposeful action towards a book began with an interview published February March 2014 in the Dartmouth Alumni Magazine During that interview I pointed to specific Earth geography 35 North latitude 50 East longitude where the U S would face major concerns up through 2022 when events peak for U S foreign interests A look at a map of these map coordinates and knowledge of the recent history of American focus on the region since my Dartmouth interview speaks volumes My project introduces an astrologically derived pattern which I discovered and named a War Impulse Pattern WIP in 2014 This International WIP pattern has eighteen astrologically determined branches some major others minor I unpack the logic of my WIP branches and lay them out in map form Within designated zones of the branches of the WIP I make the case that all the major U S military conflicts from 1776 to 2018 have been fought on geography marked by the WIP Furthermore in addition to accurately forecasting where events will occur the three planets making up the WIP serve as timekeepers for when U S military forces will deploy I have applied my innovations with Astro Carto Graphy a lens of relocation astrology to banks hurricanes man made disasters national security and war My research journey over the past 4 years has lead me from one surprise to another For example I have discovered that the entire U S Global Positioning Satellite GPS structure a critical component of modern U S warfare was set up within the WIP branches some mere specks of land in the middle of vast oceans This first of three books prepares the WIP Book Two now in the final stages gives chronological compelling examples of U S

wars from 1776 to 2018 noting that the battlefields aligned to the WIP and were susceptible to astrological timing My vision for Book Three is an over sized book of annotated and creatively presented maps supporting creative thinking and exercising the reader s spatial intelligence I offer this War Impulse Pattern WIP Primer to Not on the Map book for those seeking a more sophisticated understanding of America at war I offer practical but strategic intelligence not on the map of orthodox views of reality How and why the WIP works is demonstrated Most of the facts of the WIP are grounded in mainstream understanding While I have taken years to prepare these books the need for the WIP intelligence is urgent A look at what s been happening all along 35 North a belt wrapped around the Earth sweeping today s conflict zones in Syria Iraq Iran particularly Tehran near 50 East Kurdistan Afghanistan Pakistan China Korea and Japan reveal that my WIP lens has been brought to a sharp focus to mastery

*Alchemy* Clare Martin,2021-02-05 An alchemical approach seeks to release the latent potential which resides within the individual and within the cosmos There was never any question that the work of the alchemists depended upon a knowledge of the planets and their cycles since alchemical transformations could only be successful if carried out at the astrologically appropriate times This book has been steadily fermenting and evolving for over twenty five years and as such it represents a true alchemical process It has gone from being an idea to a passion and then a project and now it is a fully fledged book Learn firstly about the mystical process of alchemy and then discover how it deepens our understanding of the transits of the outer planets to the natal chart A fascinating book that deserves a place in every astrologer s library Clare Martin has an MA in Integrative Psychotherapy and has been a practising astrologer and teacher since 1990 working in London for the Faculty of Astrological Studies of which she was President for nine years and at the Centre for Psychological Astrology Her personal approach to astrological interpretation is fundamentally Jungian and evolved during a long period of studying with a variety of teachers in the western mystery traditions Clare now lives in Dorset where she continues her writing and consultancy work and is a tutor on the Mercury Internet School of Psychological Astrology

Zürich 95: Open Questions in Analytical Psychology Mary Ann Mattoon,1997 The Zurich Congress marked a return to the origins of Analytical Psychology here it was that C G Jung lived for the first six decades of this century and developed the school of psychology he came to be known for Here too is where many of today s Jungian analysts from all over the world received their training and their initiation into the profession As this collection of the complete proceedings attests the theme of open questions drew a bountiful array of intriguing responses and this to the largest gathering of Jungian analysts ever more than 800 in all
