## **Outlaw Gulch:**

**Outlaw Gulch** Ramsey Montgomery,1992 The reader embarks on a trip to the Wild West in 1892 By choosing specific pages the reader determines the outcome of the plot in finding his friend and may encounter a steamship to New Orleans silver mines of Carson City the notorious Butch Cassidy gang or a buffalo stampede *Outlaw Gulch* Adele Read,Ramsey Montgomery,1992-01-01 When Prince Northmond of Aggar disappears from his boarding school without a trace the reader must make decisions that will locate the prince in the wild and dangerous American West of 1892 **Outlaw Gulch** Eric Leyland,1952 **The Story of the Outlaw** Emerson Hough,1907 **Outlaw Express** Gillian F Taylor,2017-01-03 Sheriff Alec Lawson had never robbed a train before He d infiltrated a band of outlaws to help capture them but when they kidnapped Lacey Fry from the Leadville express he had no choice but to try and rescue the young woman alone Alec Lawson didn t know the territory and he didn t know the girl He had to fight his way through the snowy mountains trying to stay one step ahead of the pursuing outlaws Bill Alcott the gang s leader felt he had been fooled and then betrayed by Lawson He had to kill him to avenge his brother and keep the respect of his men Lacey Fry had to ride as she d never ridden before and travel with a man she didn t know who was her only hope of escaping a fate worse than death So the chase was on through snow and bloodshed until one of them could run no further and hunter and hunted finally came face to face **Humbug Mountain** Sid Fleischman,2012-07-01 Welcome to Humbug Mountain Little did Wiley the son of a traveling newspaperman imagine that the search for his grandfather would lead him into the hands of those nasty villains of the West Shagnasty John and the Fool Killer Using their newspaper The Humbug Mountain Hoorah Wiley and his sister and mother go about outwitting the outlaws in their scheme to ambush Grandfather s new boat and its cargo of gold **The Story of the Outlaw: A Study of the Western Desperado** Emerson Hough,2020-09-28 Energy and action may be of two sorts good or bad this being as well as we can phrase it in human affairs The live wires that net our streets are more dangerous than all the bad men the country ever knew but we call electricity on the whole good in its action We lay it under law but sometimes it breaks out and has its own way These outbreaks will occur until the end of time in live wires and vital men Each land in the world produces its own men individually bad and in time other bad men who kill them for the general good There are bad Chinamen bad Filipinos bad Mexicans and Indians and negroes and bad white men The white bad man is the worst bad man of the world and the prize taking bad man of the lot is the Western white bad man Turn the white man loose in a land free of restraint such as was always that Golden Fleece land vague shifting and transitory known as the American West and he simply reverts to the ways of Teutonic and Gothic forests The civilized empire of the West has grown in spite of this because of that other strange germ the love of law anciently implanted in the soul of the Anglo Saxon That there was little difference between the bad man and the good man who went out after him was frequently demonstrated in the early roaring days of the West The religion of progress and civilization meant very little to the Western town marshal who sometimes or often was a

peace officer chiefly because he was a good fighting man We band together and elect political representatives who do not represent us at all We elect executive officers who execute nothing but their own wishes We pay innumerable policemen to take from our shoulders the burden of self protection and the policemen do not do this thing Back of all the law is the undelegated personal right that vague thing which none the less is recognized in all the laws and charters of the world as England and France of old and Russia to day may show This undelegated personal right is in each of us or ought to be If there is in you no hot blood to break into flame and set you arbiter for yourself in some sharp crucial moment then God pity you for no woman ever loved you if she could find anything else to love and you are fit neither as man nor citizen As the individual retains an undelegated right so does the body social We employ politicians but at heart most of us despise politicians and love fighting men Society and law are not absolutely wise nor absolutely right but only as a compromise relatively wise and right The bad man so called may have been in large part relatively bad This much we may say scientifically and without the slightest cheapness It does not mean that we shall waste any maudlin sentiment over a desperado and certainly it does not mean that we shall have anything but contempt for the pretender at desperadoism Who and what was the bad man Scientifically and historically he was even as you and I Whence did he come From any and all places What did he look like He came in all sorts and shapes all colors and sizes just as cowards do As to knowing him the only way was by trying him His reputation true or false just or unjust became of course the herald of the bad man in due time The killer of a Western town might be known throughout the state or in several states His reputation might long outlast that of able statesmen and public benefactors

Outlaw Pass Charles G. West,2011-10-04 Desperate times calls for deadly measures in this action packed western Adam Blain was always content to stay on his family s cattle ranch on the Yellowstone Unlike his brother Jake who never could resist the open road or the prospect of gold But when Jake doesn t return home Adam sets off looking for him never expecting to find the hell waiting for

**ON THE CUSP: A Jewish Girl's Very, Very, Very Long Journey to Jesus** Shai Blumberg,2023-04-20 On the Cusp is a combination of the author s testimony and memoirs leading the reader through her innocence in the sixties and seventies the tumultuous eighties and nineties and the turning towards Jesus Christ Yeshua as Lord and Savior in the new century of the two thousands There is an undercurrent of love and acceptance portraying an undeniable part of the Lord s patience and grace throughout the work combined with His just nature Growing up Jewish in the sixties and seventies in the shadow of J F State Park off Bond Boulevard in Southern California there is a horsey element to the book as well including Shai s s behind the scenes life as a polo girl her aspirations to show jump and the privilege of having a beautiful off the track Thoroughbred in her suburban backyard Also reflected here are the struggles of growing up Jewish in a decidedly non Jewish world When Grandma Lizzie tells Shai about Jesus as a six year old the seed is planted despite Shai s mother covering Shai s s ears and begging Grandma Lizzie to stop Later as an unhappy thirteen year old Shai tries to connect with God on Christmas day galloping her horse to Heaven s Point with Grandma Lizzy s New Testament tucked in her new saddlebags But nothing special happens and Shai is left to navigate murky waters of adolescence and a chaotic adult life without any tangible connection with God for decades to come On the Cusp portrays God s mercy patience and great love for even the most foolish of us So enjoy the nostalgia fallenness and ample human error of it all and bask in God s Amazing Grace never forgetting that being on the cusp of Greatness His Greatness is an opportunity the Lord offers to everyone Even the seemingly most hopeless of us

*Riders of the Dusty Trail* Pasquale De Marco,2025-08-11 In the untamed wilderness of the American frontier justice was often hard to come by But in the face of such adversity a group of unlikely heroes emerged united by a common goal to protect the innocent and bring justice to those who sought to exploit the lawlessness of the West These were the Riders of the Dusty Trail and their legend would be passed down through generations They were a diverse group each with their own unique skills and experiences There was Wyatt Earp the legendary lawman known for his quick draw and unwavering sense of justice Annie Oakley the sharpshooting champion who could hit a target from a mile away and Billy the Kid the notorious outlaw who had turned his back on his former life of crime Together they faced countless challenges and overcame seemingly insurmountable odds They fought against outlaws corrupt politicians and even the elements themselves But through it all they never wavered in their commitment to justice The Riders of the Dusty Trail became a symbol of hope for the people of the West They were proof that even in the darkest of times there were still those who were willing to fight for what was right Their story is one of courage determination and the triumph of good over evil In this book we will explore the history of the Riders of the Dusty Trail from their humble beginnings to their rise as legends of the West We will meet the individual

members of the group and learn about their motivations and their contributions to the cause of justice We will also explore the challenges they faced and the impact they had on the American frontier The story of the Riders of the Dusty Trail is a timeless one and it is one that continues to inspire us today Their courage determination and unwavering commitment to justice are qualities that we can all aspire to If you like this book write a review      *Outlaws of the Pacific Northwest* Bill Gulick,2000 Distributed by the University of Nebraska Press for Caxton Press The lawlessness of the frontier towns of the plains states is well documented However as silver and gold deposits were found in the Pacific Northwest the rush of miners and speculators that brought to the region brought with it its own share of crime and criminals Author Bill Gulick sticks to the facts in telling the stories of this region but does so in swift conversational prose that entertains and educates      The Deadliest Outlaws Jeffrey Burton,2009 In the late nineteenth century Tom Ketchum and his brother Sam formed the Ketchum Gang with other outlaws and became successful train robbers In their day these men were the most daring of their kind and the most feared Eventually Tom Ketchum was caught and sentenced to death for attempting to hold up a railway train He became the first individual and the last ever to be executed for a crime of this sort Jeffrey Burton has been researching the story of the Ketchum Gang for more than forty years He sorts fact from fiction to provide the definitive truth about Ketchum and numerous other outlaws including Will Carver and Butch Cassidy The Deadliest Outlaws initially was published in a limited run of one hundred paperback copies in England This second edition in hardcover contains additional material and photographs not found in the earlier printing      *The Outlaws of the Wild West: 150+ Westerns in One Edition* Mark Twain,James Fenimore Cooper,Max Brand,James Oliver Curwood,B.
