Outlaws And Gunfighters Of The Old West And Cabette:

Outlaws and Gunfighters of the Old West Phillip W. Steele,1998-06 Whoa pardner Sit y self down for some good ole storytellin bout the wild wild West Western writer Phillip W Steele and country music artist John D LeVan have combined their talents and interests in true stories of the Old West in this exciting narrative and accompanying audiocassette Steele s book tells the true story of Jesse James the Daltons John Wesley Hardin Gunfight at the OK Corral Belle Starr and Billy the Kid LeVan s original songs are not only entertaining but also based on the true history of these personalities and events

Deadly Dozen Robert K. DeArment,2012-11-09 For every Wild Bill Hickok or Billy the Kid there was another western gunfighter just as deadly but not as well known Robert K DeArment has earned a reputation as the premier researcher of unknown gunfighters and here he offers twelve more portraits of men who weren t glorified in legend but were just as notorious in their day Those who think they already know all about Old West gunfighters will be amazed at this new collection Here are men like Porter Stockton the Texas terror who bragged that he had killed eighteen men and Jim Levy who killed a man for disparaging his Irish blood though he was also the only known Jewish gunfighter These stories span eight decades from the gold rushes of the 1850s to the 1920s Telling of gunmen such as Jim Masterson the brother of Bat Masterson or the real Whispering Smith the man behind the fictionalized persona whose career spanned four decades DeArment conscientiously separates fact from fiction to reconstruct lives all the more amazing for having remained unknown for so long The product of iron clad research this newest Deadly Dozen delivers the goods for gunfighter buffs in search of something different Together the Deadly Dozen volumes constitute a Who s Who of western outlaws and prove that there s more to the Wild West than Jesse James

Quick-Draw Gunfighters Jeff Savage,2012-01-01 Jesse James Billy the Kid Butch Cassidy When these bold men walked into town with six shooters in their holsters most people fled quickly That is except for the lawmen willing to take them on Although lawmen and outlaws stood for very different ideals they did share one thing in common gunfighting To live in the Wild West especially as a bank robber or sheriff handling a gun was necessary Author Jeff Savage discusses the dangerous world of the gunfighter

Outlaws and Gunfighters Phillip W. Steele,1992-03-01 *Deadly Dozen* Robert K. DeArment,2014-10-30 Wyatt Earp Billy the Kid Doc Holliday such are the legendary names that spring to mind when we think of the western gunfighter But in the American West of the late nineteenth and early twentieth centuries thousands of grassroots gunfighters straddled both sides of the law without hesitation Deadly Dozen tells the story of twelve infamous gunfighters feared in their own times but almost forgotten today Now noted historian Robert K DeArment has compiled the stories of these obscure men DeArment a life long student of law and lawlessness in the West has combed court records frontier newspapers and other references to craft twelve complete biographical portraits The combined stories of Deadly Dozen offer an intensive look into the lives of imposing figures who in their own ways shaped the legendary Old West More than a collective biography of dangerous gunfighters Deadly Dozen also

functions as a social history of the gunfighter culture of the post Civil War frontier West As Walter Noble Burns did for Billy the Kid in 1926 and Stuart N Lake for Wyatt Earp in 1931 DeArment himself a talented writer brings these figures from the Old West to life John Bull Pat Desmond Mart Duggan Milt Yarberry Dan Tucker George Goodell Bill Standifer Charley Perry Barney Riggs Dan Bogan Dave Kemp and Jeff Kidder are the twelve dangerous men that Robert K DeArment studies in **Deadly Dozen Twelve Forgotten Gunfighters of the Old West** **Great Gunfighters of the Wild West** Bill O'Neal,2001 Profiles the lives and activities of twenty gunfighters of the Old West including lawmen outlaws and outlaw lawmen Shot All to Hell Nick Vulich,2016-06-05 For over 150 years the image of western bad men has thrilled readers and filled movie screens Who hasn't heard of Jesse James the Dalton Brothers Black Bart or Belle Starr They are as much a part of American folklore as George Washington Abraham Lincoln and Theodore Roosevelt There's something about the west that has brought out the best and the worst in mankind The funny thing is a cult following has developed around many of these bandits making them out to be something they weren't The legend that grew up around Joaquin Murrieta was that he was just a normal guy who moved from Mexico to California and tried to strike it rich during the gold rush What he discovered instead was a big sign that read No Mexicans Allowed His supporters say that because of the Foreign Claim Tax he was forced off his land and into a life of outlawry And then to support that claim a whole legend has been built up about how he stole from the rich and shared his wealth with poor Mexican families The only problem is the facts don't support that interpretation The same stories developed around Jesse James Legend has it Jesse only stole from rich bankers and railroad men and the reason he could disappear into thin air after pulling a bank job or train robbery was because he shared the booty with poor Missouri families As with Murrieta that probably never happened Jesse James was a thief He stole money wherever he could get his hands on it He robbed stagecoaches banks trains and you name it And last but not least there's Belle Starr one of the most badass female robbers on record Belle called her pistols her babies and ruled an outlaw kingdom based out of her home in Indian Territory She lived by the gun and she died by the gun The outlaw life was almost always portrayed as a glamorous life filled with loose women blazing guns and saddlebags overflowing with gold silver and greenbacks What a life The only thing is all the movies books and TV shows painted a distorted portrait of life in the old west James Dodsworth lived the outlaw life for six weeks while riding as a spy with the Doolin Dalton Gang He said the gang was constantly on the move They rarely spent more than one night in any one place Dalton and Doolin both worried they'd end up like Jesse James shot in the back At night the gang always posted at least one man on watch duty The rest of the gang slept with Winchesters by their sides and pistols under their heads Every one of them were ready to spring into action at a moment's notice And as for those saddlebags overflowing with riches more often than not they were like a Charlie Brown Halloween special filled with rocks rather than gold Sometimes the gang would cut off the wrong car during a train robbery and end up riding away empty handed Sometimes a posse would chase them off a little too soon before they could grab their booty Other times it was slim pickings and there was

nothing to take The first train job the Dalton Gang pulled went totally awry The Express man got away before they could convince him to open the safe and in their haste to rob the Atlantic Express the boys forgot to bring dynamite to blow the safe Black Jack Ketchum and his gang made off with 100 000 in unsigned bank notes Pearl Hart s fame rests upon a single stage coach robbery that netted her under 500 and several years in the caboose after she was captured The sad truth is most outlaws led a short life that ended either at the end of a rope or with a bullet in the brain Only a lucky few survived into the new century Frank James Cole Younger and Emmett Dalton to name a few

Great Gunfighters of the Old West Bill O'Neal,2016-04-28 In the West during the late 1800s guns were tools as good or as bad as the men who used them Buffalo hunters used guns to earn their living Many Westerners hunted wild game to feed themselves and their families Outlaws used their guns for evil reasons to rob banks and trains and to murder people But lawmen used their guns to stop outlaws The struggle between lawmen and outlaws was a battle between good and evil It was a life and death struggle that took place in towns like Tombstone and Dodge City But the forces of law and order finally won and the West was tamed Profiles include the good the bad and the good gone bad Bat Masterson Wyatt Earp Billy the Kid Jesse James and John Wesley Hardin are just a few of the names included Bill O Neal has served two terms as the Official State Historian of Texas He has written more than 40 books and has appeared as an expert on numerous television shows and documentaries

Shot All to Hell history-blogger,Nick Vulich,2017-03-16 For over 150 years the image of western bad men has thrilled readers and filled movie screens Who hasn t heard of Jesse James the Dalton Brothers Black Bart or Belle Starr They are as much a part of American folklore as George Washington Abraham Lincoln and Theodore Roosevelt There s something about the west that has brought out the best and the worst in mankind The funny thing is a cult following has developed around many of these bandits making them out to be something they weren t The legend that grew up around Joaquin Murrieta was that he was just a normal guy who moved from Mexico to California and tried to strike it rich during the gold rush What he discovered instead was a big sign that read No Mexicans Allowed His supporters say that because of the Foreign Claim Tax he was forced off his land and into a life of outlawry And then to support that claim a whole legend has been built up about how he stole from the rich and shared his wealth with poor Mexican families The only problem is the facts don t support that interpretation The same stories developed around Jesse James Legend has it Jesse only stole from rich bankers and railroad men and the reason he could disappear into thin air after pulling a bank job or train robbery was because he shared the booty with poor Missouri families As with Murrieta that probably never happened Jesse James was a thief He stole money wherever he could get his hands on it He robbed stagecoaches banks trains and you name it And last but not least there s Belle Starr one of the most badass female robbers on record Belle called her pistols her babies and ruled an outlaw kingdom based out of her home in Indian Territory She lived by the gun and she died by the gun The outlaw life was almost always

portrayed as a glamorous life filled with loose women blazing guns and saddlebags overflowing with gold silver and greenbacks What a life The only thing is all the movies books and TV shows painted a distorted portrait of life in the old west James Dodsworth lived the outlaw life for six weeks while riding as a spy with the Doolin Dalton Gang He said the gang was constantly on the move They rarely spent more than one night in any one place Dalton and Doolin both worried they d end up like Jesse James shot in the back At night the gang always posted at least one man on watch duty The rest of the gang slept with Winchesters by their sides and pistols under their heads Every one of them were ready to spring into action at a moment s notice And as for those saddlebags overflowing with riches more often than not they were like a Charlie Brown Halloween special filled with rocks rather than gold Sometimes the gang would cut off the wrong car during a train robbery and end up riding away empty handed Sometimes a posse would chase them off a little too soon before they could grab their booty Other times it was slim pickings and there was nothing to take The first train job the Dalton Gang pulled went totally awry The Express man got away before they could convince him to open the safe and in their haste to rob the Atlantic Express the boys forgot to bring dynamite to blow the safe Black Jack Ketchum and his gang made off with 100 000 in unsigned bank notes Pearl Hart s fame rests upon a single stage coach robbery that netted her under 500 and several years in the caboose after she was captured The sad truth is most outlaws led a short life that ended either at the end of a rope or with a bullet in the brain Only a lucky few survived into the new century Frank James Cole Younger and Emmett Dalton to name a few

Western Gunslingers in Fact and on Film Buck Rainey,1998-01-15 Billy the Kid Wild Bill Hickok Belle Starr Wyatt Earp the Younger Gang the Dalton Doolin Gang and Bat Masterson these real life lawmen and lawbreakers have been the basis of so many Hollywood Westerns that it has become difficult to discover where the truth ends and the legend begins All actually became larger than life characters during their lifetimes as contemporary newspapers and books embellished their deeds for their own purposes But it was in Hollywood that the line between reality and myth was completely blurred Each chapter length entry here first focuses on the known facts of the people s lives and how each became truly legendary during their lifetimes The reality is then compared to how they have been portrayed in the movies **Outlaws of the Wild West** Terry C. Treadwell,2022-10-04 This true crime history of the American Frontier separates fact from fiction with in depth profiles of thirty eight career criminals and infamous outlaw gangs In the years following the American Civil War the country s western frontier was home to a prodigious number of myth making cowboys infamous gunslingers saloon madams and not always law abiding lawmen But the romantic mystique of these individuals and the time in which they lives is largely the product of novelists and filmmakers In *Outlaws of the Wild West* Terry Treadwell presents the real stories behind such legends as Billy the Kid Butch Cassidy the Dalton Brothers and others as well as their lesser known but equally criminal peers Here are the stories of William Clark Quantrill and his Confederate Army unit Quantrill s Raiders who turned hit and run raids into a way of life Henry Starr the Native American career criminal who went on to play himself in the movie of his life Ann and Josie

Bassett the sisters who defended their ranch from cattle barons with the help of Butch Cassidy and the Wild Bunch and many more
