proliferation of English scripture editions and an enduring polarization of American Christians over versions of Holy Writ The recurrent controversies over Bible translations he argues tell us less about the linguistic issues dividing conservatives and liberals than about the theological assumptions they have long held in common     Outlines of Medieval and Modern History Philip Van Ness Myers,1885     *Outlines of Mediæval and Modern History : a Textbook for High Schools, Seminaries, and Colleges* Philip Van Ness Myers,1894     Religious Speech and the Quest for Freedoms in the Anglo-American World Wendell Bird,2023-04-20 Judeo Christian believers demanded and ultimately brought us six major advances in freedom speech and press criminal rights and higher education abolition and civil rights     *Publishers' circular and booksellers' record* ,1879     *The Publishers' Circular and General Record of British and Foreign Literature* ,1879     **The Bookseller** ,1879     *The Author's & Writer's Who's who* ,1963     *The Meaning of Colour Bar in South and Central Africa* Arthur Frederic Loveday,1958     *Index to Religious Periodical Literature* American Theological Library Association,1957
