## Outline History Of China:

**An Outline History of China** Jiming Dong, 1958      **An Outline History of China** Herbert Henry Gowen, Upton Close, 1929      [An Outline History of China \(Classic Reprint\)](#) Herbert H. Gowen, 2015-07-09 Excerpt from An Outline History of China The consequence is that to the best of the writer's knowledge there is no work in English giving the student such a sketch of pre Manchu times as will enable him to grasp the singular continuity of Chinese political and social life It is too much for the writer to suppose that he has completely filled the gap but it is hoped that he has made some such contribution as will bring home to many in our schools and colleges some part of the interest which lies behind the veil It is impossible here to mention all the sources to which this book is indebted Most of them will appear from the notes and from the attached bibliography Special acknowledgment however should be made to the writings of Professor Hirth of Columbia G Pauthier Abel Remusat Chavannes Legge Williams Giles Mayers Douglas and D C Bougler About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works      **Outline History of China**, 1913      **An Outline History of China** Shouyi Bai, Zhao Yang, 1982      **An Outline History of China** Herbert H. Gowen, 1913      [An Outline History of China](#) Bai Shouyi, 1982-12-01      **An Outline History of China** Herbert Henry Gowen, 1913      [An Outline History of China](#) Shouyi Bai, 2008      **An Outline History of China, 1919-1949** Dajun Guo, Guilin Wang, Zhenxiang Lu, 1993      **An Outline History of China** Herbert Henry Gowen, 1936      **An Outline History of China: From the earliest times to the Manchu conquest A.D. 1644** Herbert Henry Gowen, 1913      **An Outline History of China: From the Manchu conquest to the recognition of the republic, A.D. 1913** Herbert Henry Gowen, 1913      [An Outline History of China. Gowen, 2017-10-28 Excerpt from An Outline History of China Vol 2 From the Manchu Conquest to the Recognition In view of the kindly reception the first volume of this Outline History has had at the hands of the press and public the author is hopeful that the completion of the work will be as generously judged It still however seems necessary to emphasize the fact that the book is neither a complete history of China nor a selection of episodes chosen according to the writer's taste The word Outline is intended to be taken literally The bulk of the book might all too easily

have been increased but in that event the idea of writing a brief fairly proportioned sketch would have remained unfulfilled One or two critics have complained of the prominence of military episodes The only excuse that need be made is that as the Vicomte de Bollone has so often repeated Chinese history is unfortunately very full of campaigns which cannot be left unchronicled if a true picture is to be presented At the same time the Kulturgeschichte has by no means been neglected The philosophers and literati undoubtedly contributed much to Chinese history Nevertheless the framework of the story must necessarily be political and the effect of such a work as the present would have been invertebrate had not the dynastic changes been carefully observed The author believes that those who take the trouble to make this general outline their own will appreciate as they have not done before the ample materials provided elsewhere for filling up the gaps which have been deliberately left About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
