Outline Of My Lover:

Outline of My Lover Douglas A. Martin, 2000 In the sleepy college town of Athens Georgia a young man goes off to college to bed the luminous local rock star From his working class family to a world of rich vicarious living Martin s story is told in sparse lyric prose that lingers with beauty but doesn t waste a moment In this alternative bildungsroman the unspoken relationship soon distorts under the toll of world tours and plush overseas hotel rooms Love fails under celebrity s harsh distorting light and the student loses his innocence **They Change the Subject** Douglas A. Martin, 2005-09-01

Treacherously comic and poignant the autobiographical stories in *They Change the Subject* follow a young man s quest for identity through love and desire Sustained by a single voice the stories simultaneously offer a fractured novel and stand powerfully on their own At the center of each tale is the heightened visceral possibility of unexpected emotional encounters from an escort s dates in Manhattan hotels to a photo shoot that doubles as seduction Always pushing toward a bigger shiver of passion Martin s young man on the make learns how to adapt his persona to suit his lovers needs and tries to embrace his own experience and his self by becoming the purest object of desire Once You Go Back Douglas Martin, 2011-01-04 In 2000 Douglas A Martin burst onto the American literary scene with his sexy debut novel *Outline of My Lover* Following up with three more books including *Branwell* a novel of the Brontë brother Martin has established himself as an acclaimed and distinctive American writer of the new century His semi autobiographical novel *Once You Go Back* is about growing up in a strained working class household transplanted to the South In his inimitably elliptical and evocative style Martin carefully brings out the curiosity of children on the verge of becoming sexual and their confusion in the midst of family violence

and calls herself Beatrice There s something odd about the house too It looks like the ideal refuge from a world gone mad but it sits at the epicentre of a magnetic anomaly and has a reputation for playing strange tricks on the mind The Lavender and the Rose is an unusual love story an erotic adventure and a spiritual odyssey It s also a psychological mystery whose unravelling reveals the flexible nature of human identity and the nature of reality itself *Good words, ed. by N. Macleod*

Cronin,2002 When MTC Cronin writes of love it is with the seductive tongue of the poet and the urgent heart of a lover Her collection is for anyone who has loved who loves or who wants to be in love **A Harmony of Views** Khenchen Thrangu,2020-08-04 Three songs by recognized masters of different Tibetan

Buddhist traditions illustrate what their views have in common with commentary by Thrangu Rinpoche and songs by Ju Mipham Changkya Rolpay Dorje and Ch gyam Trungpa Do different Tibetan Buddhist traditions share an essential common view The great Geluk scholar Changkya Rolpay Dorje 1717 1786 wrote a song describing the view of the Middle Way comparing it to a mother Later the nonsectarian polymath Ju Mipham Rinpoche 1846 1912 and the influential Kagyu master Ch gyam Trungpa Rinpoche 1939 1987 wrote songs modeled upon it that describe the views of dzogchen and mahamudra one comparing dzogchen to a jewel and the other comparing mahamudra to a lover Even though the imagery and the specific points each author makes are different the songs share many characteristics in structure and content Read together the three songs show how the essential points of these three practices are the same and reveal how Buddhism s various traditions including the pinnacles of the Middle Way dzogchen and mahamudra are harmonious The three songs are presented with a commentary by Khenchen Thrangu Rinpoche who explains how studying the profound view helps develop the certainty that is necessary to bring meditation practice to fruition He shows how songs such as these can serve as antidotes to discouragement and provide help to people who have had strong meditation experiences but find themselves unable to sustain a high level of practice Thrangu Rinpoche explains that in comparison to oral instructions and treatises songs of this kind are of special benefit because of their engaging eloquence The songs are not long and they are a delight to read reread and memorize By clarifying the view again and again in this way they offer continual inspiration to practitioners
